

One of the duties of a Woman who's
made a submissive male her slave

is to teach him how she wants his
submissive ass to BEHAVE

slave,
why didn't you
hand wash my bra
and panties and
iron my jeans like
I TOLD you to do?

A person with dark hair styled in a black wig is kneeling on a light-colored wooden floor. They are wearing a black collar with a silver-colored metal clasp. Their hands are clasped in front of them. The person's face is partially obscured by the wig. In the bottom left corner, a small white jar is visible. In the bottom center, a person's foot with red-painted toenails is visible. The text "I'm sorry, I simply FORGOT Mistress Sue!" is overlaid on the right side of the image in a white, monospace-style font.

I'm sorry,
I simply
FORGOT
Mistress
Sue!

I'm gonna tell you
a story about a
new slave just
like you,
who told HIS new
owner HIS Mistress
the same "sorry I
FORGOT" bull shit
excuse too,

but in his mind he
was saying
"I'm NOT going to
obey you, I am NOT
going to!
Oh NO Bitch,
FUCK YOU!"

So she got him
ready and before
she began teaching
him to obey her
the way a TRUE
slave owner SHOULD

she told him,
slave,

"Before I Get Started"

I want to
make SURE
that my
battery's
good!

And it
IS!

But YOU
weren't!

WERE you?

And YES slave, I
happen to have
one of those
taser things TOO!
Now go do what
the fuck I TOLD
you to do!

I'LL DO IT
IMMEDIATELY!
OH GOD YES
MISTRESS
SUE!

GOOD!

And when you're
finished doing
THAT, I want my
kitchen cleaned
TOO!
