

My God I have to admit
with embarrassment and fright
that deep down in my soul
I know the doctor is right

Hi guys!

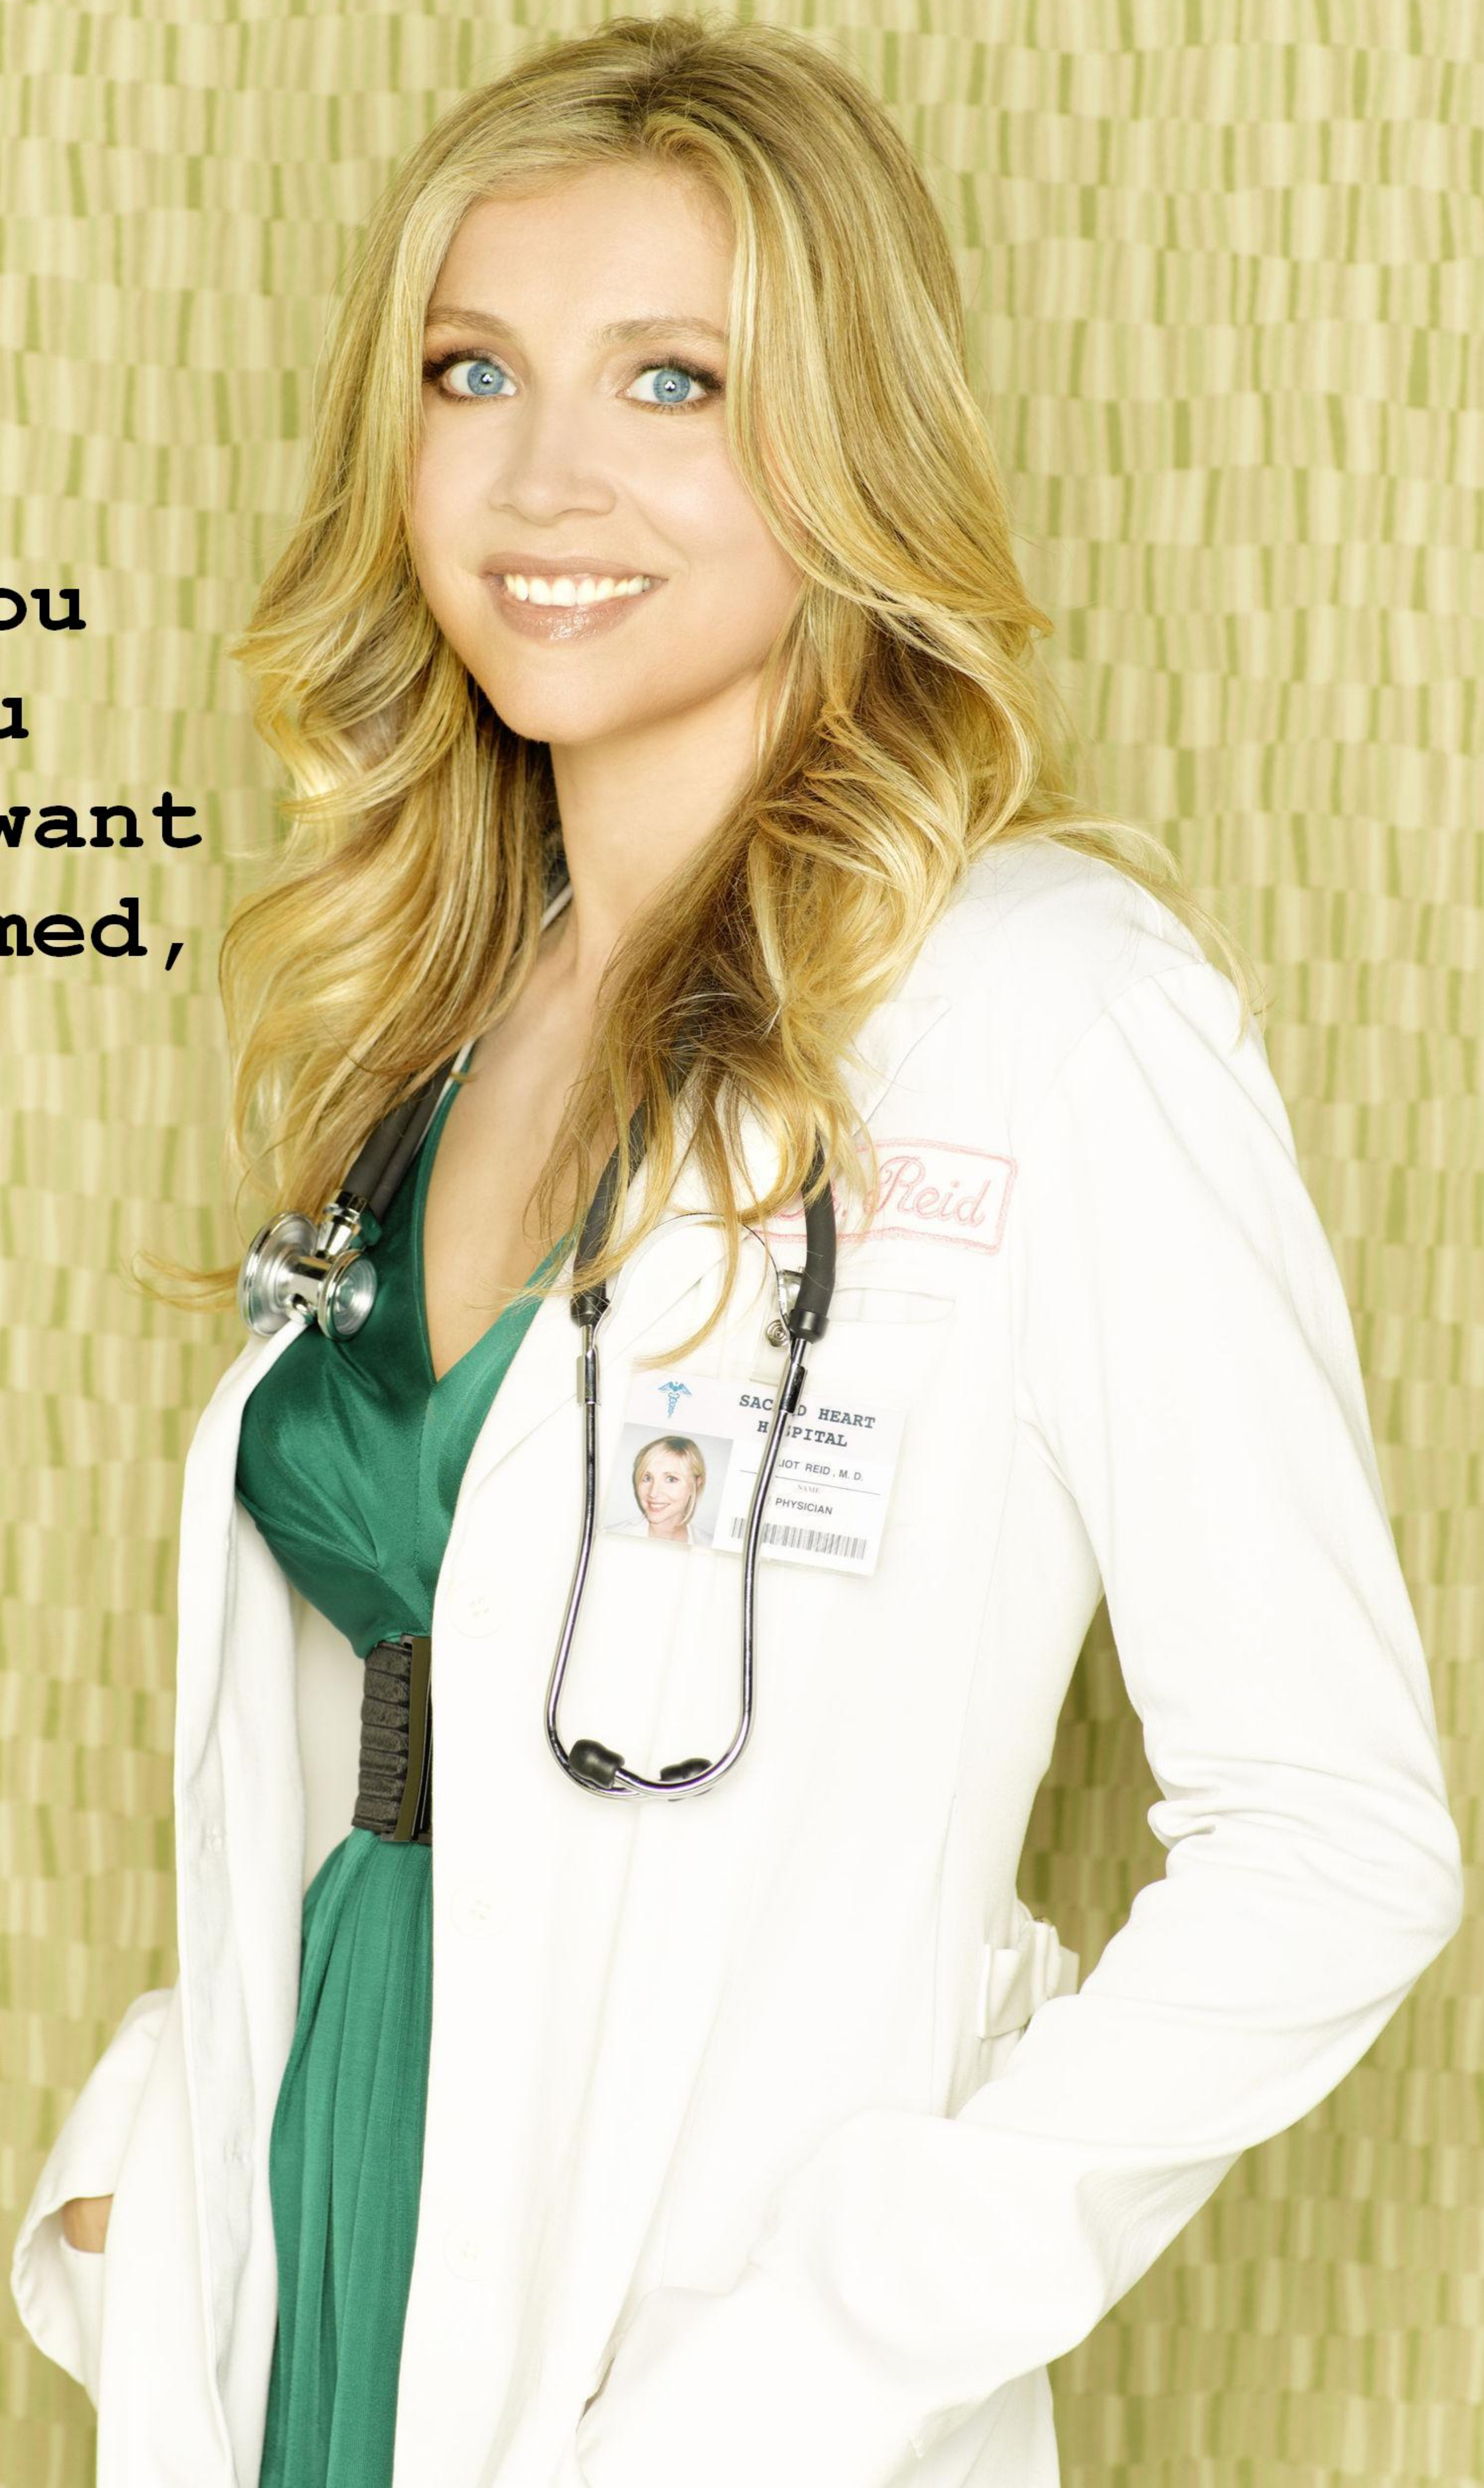

In case your
Mistress ever
takes you to
visit me

so I can
perform
a certain
PROCEDURE,

that you
SAY you
never want
performed,

"I Want You To Know That"

I heard
tell a
tale,

it's GOT
to be
TALL,

that some
men secretly
WANT

**a Woman
to cut off
their balls!**

And the
tale is
saying

the REASON
this occurs,

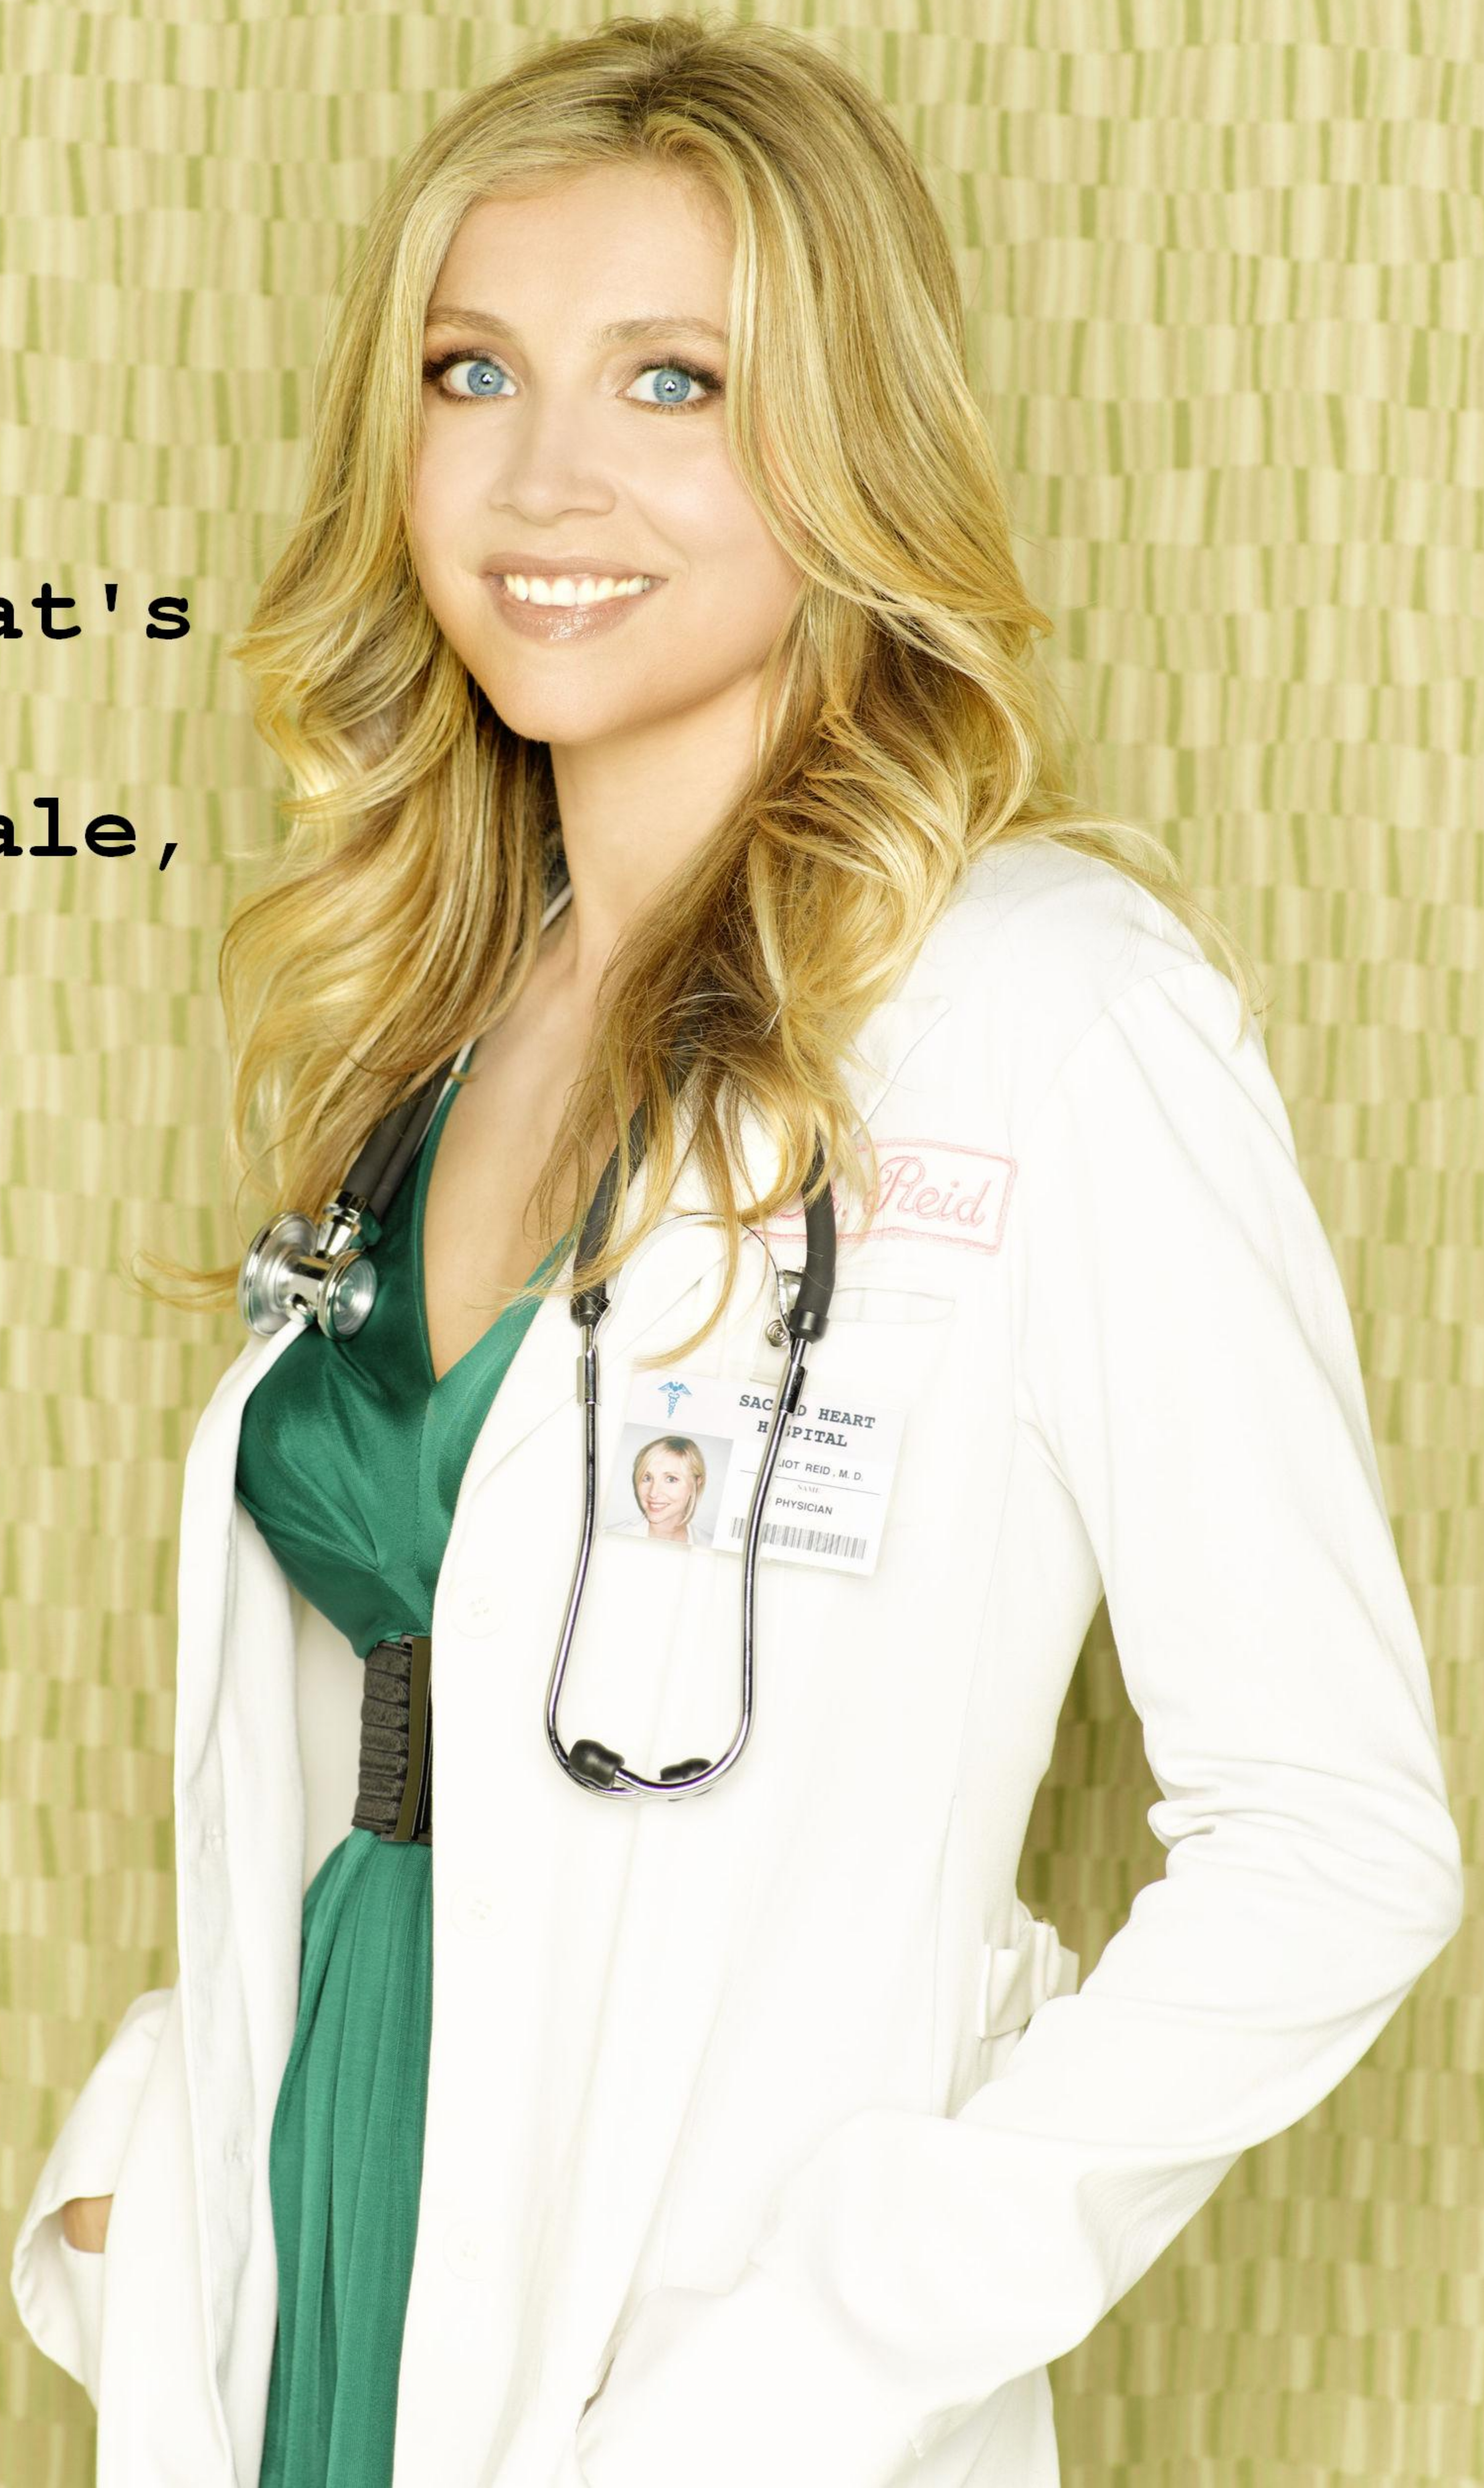

is so the
male can
TRULY

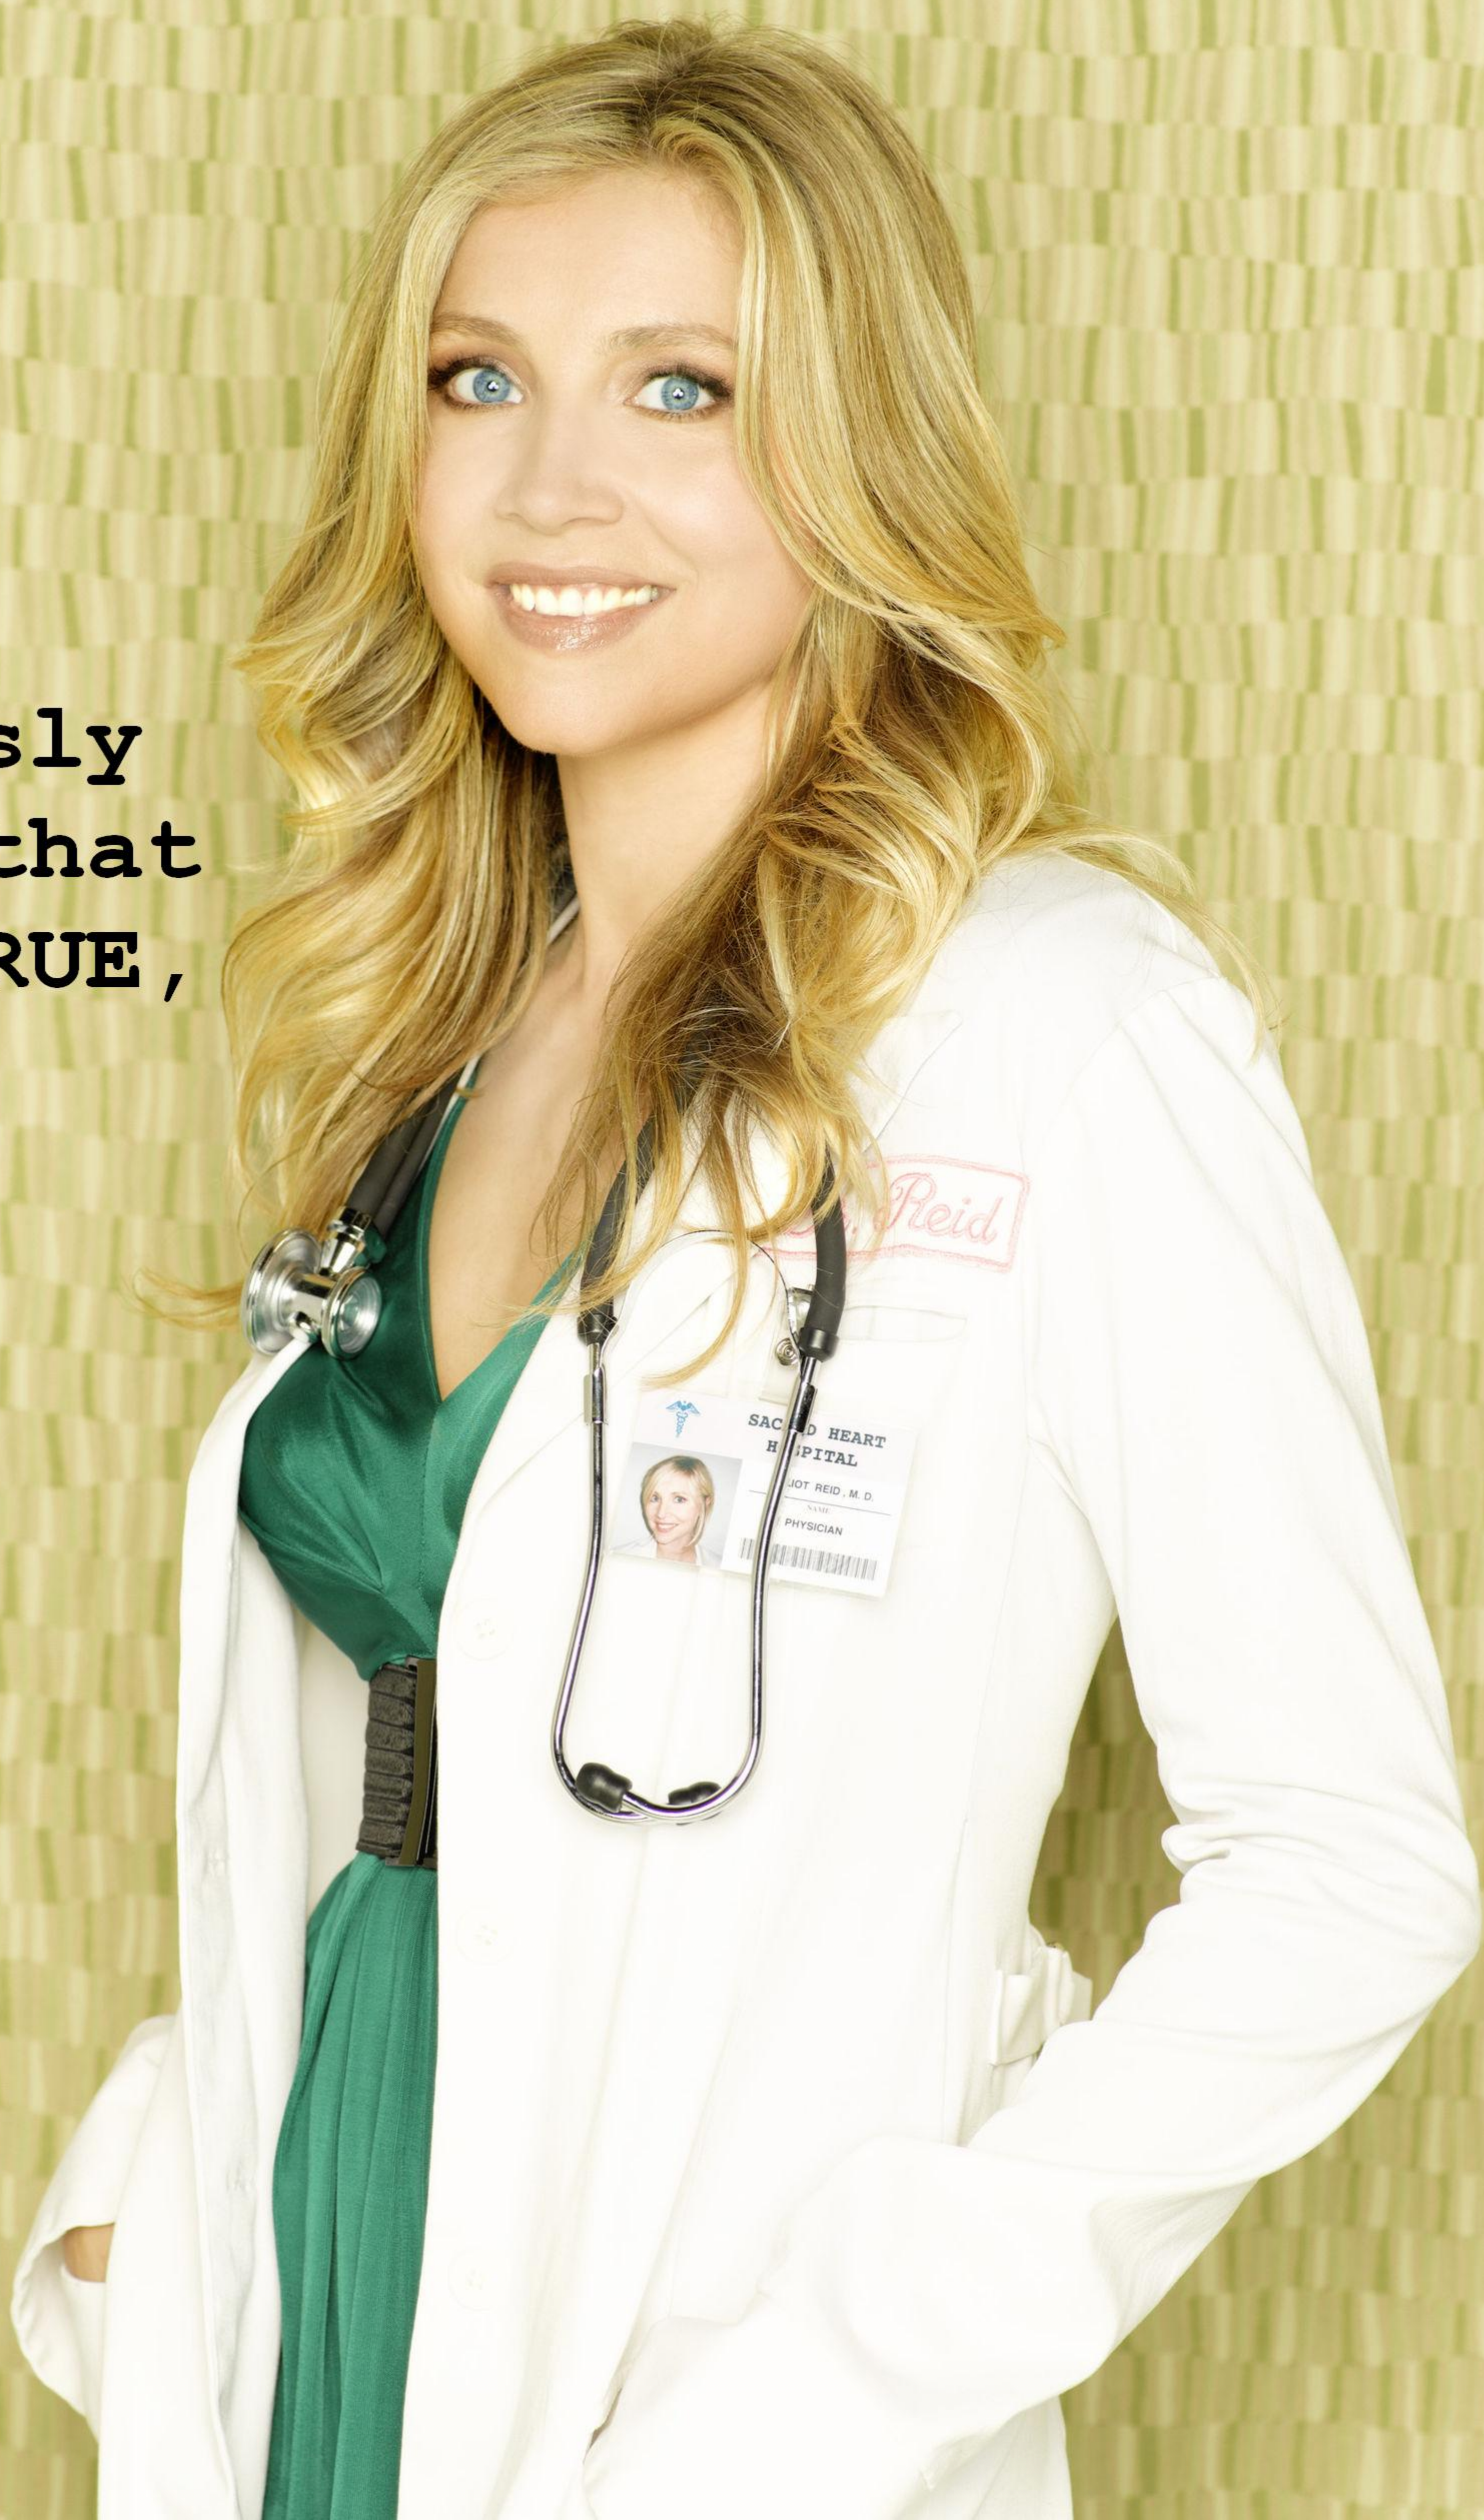

be **TOTALLY**
hers!

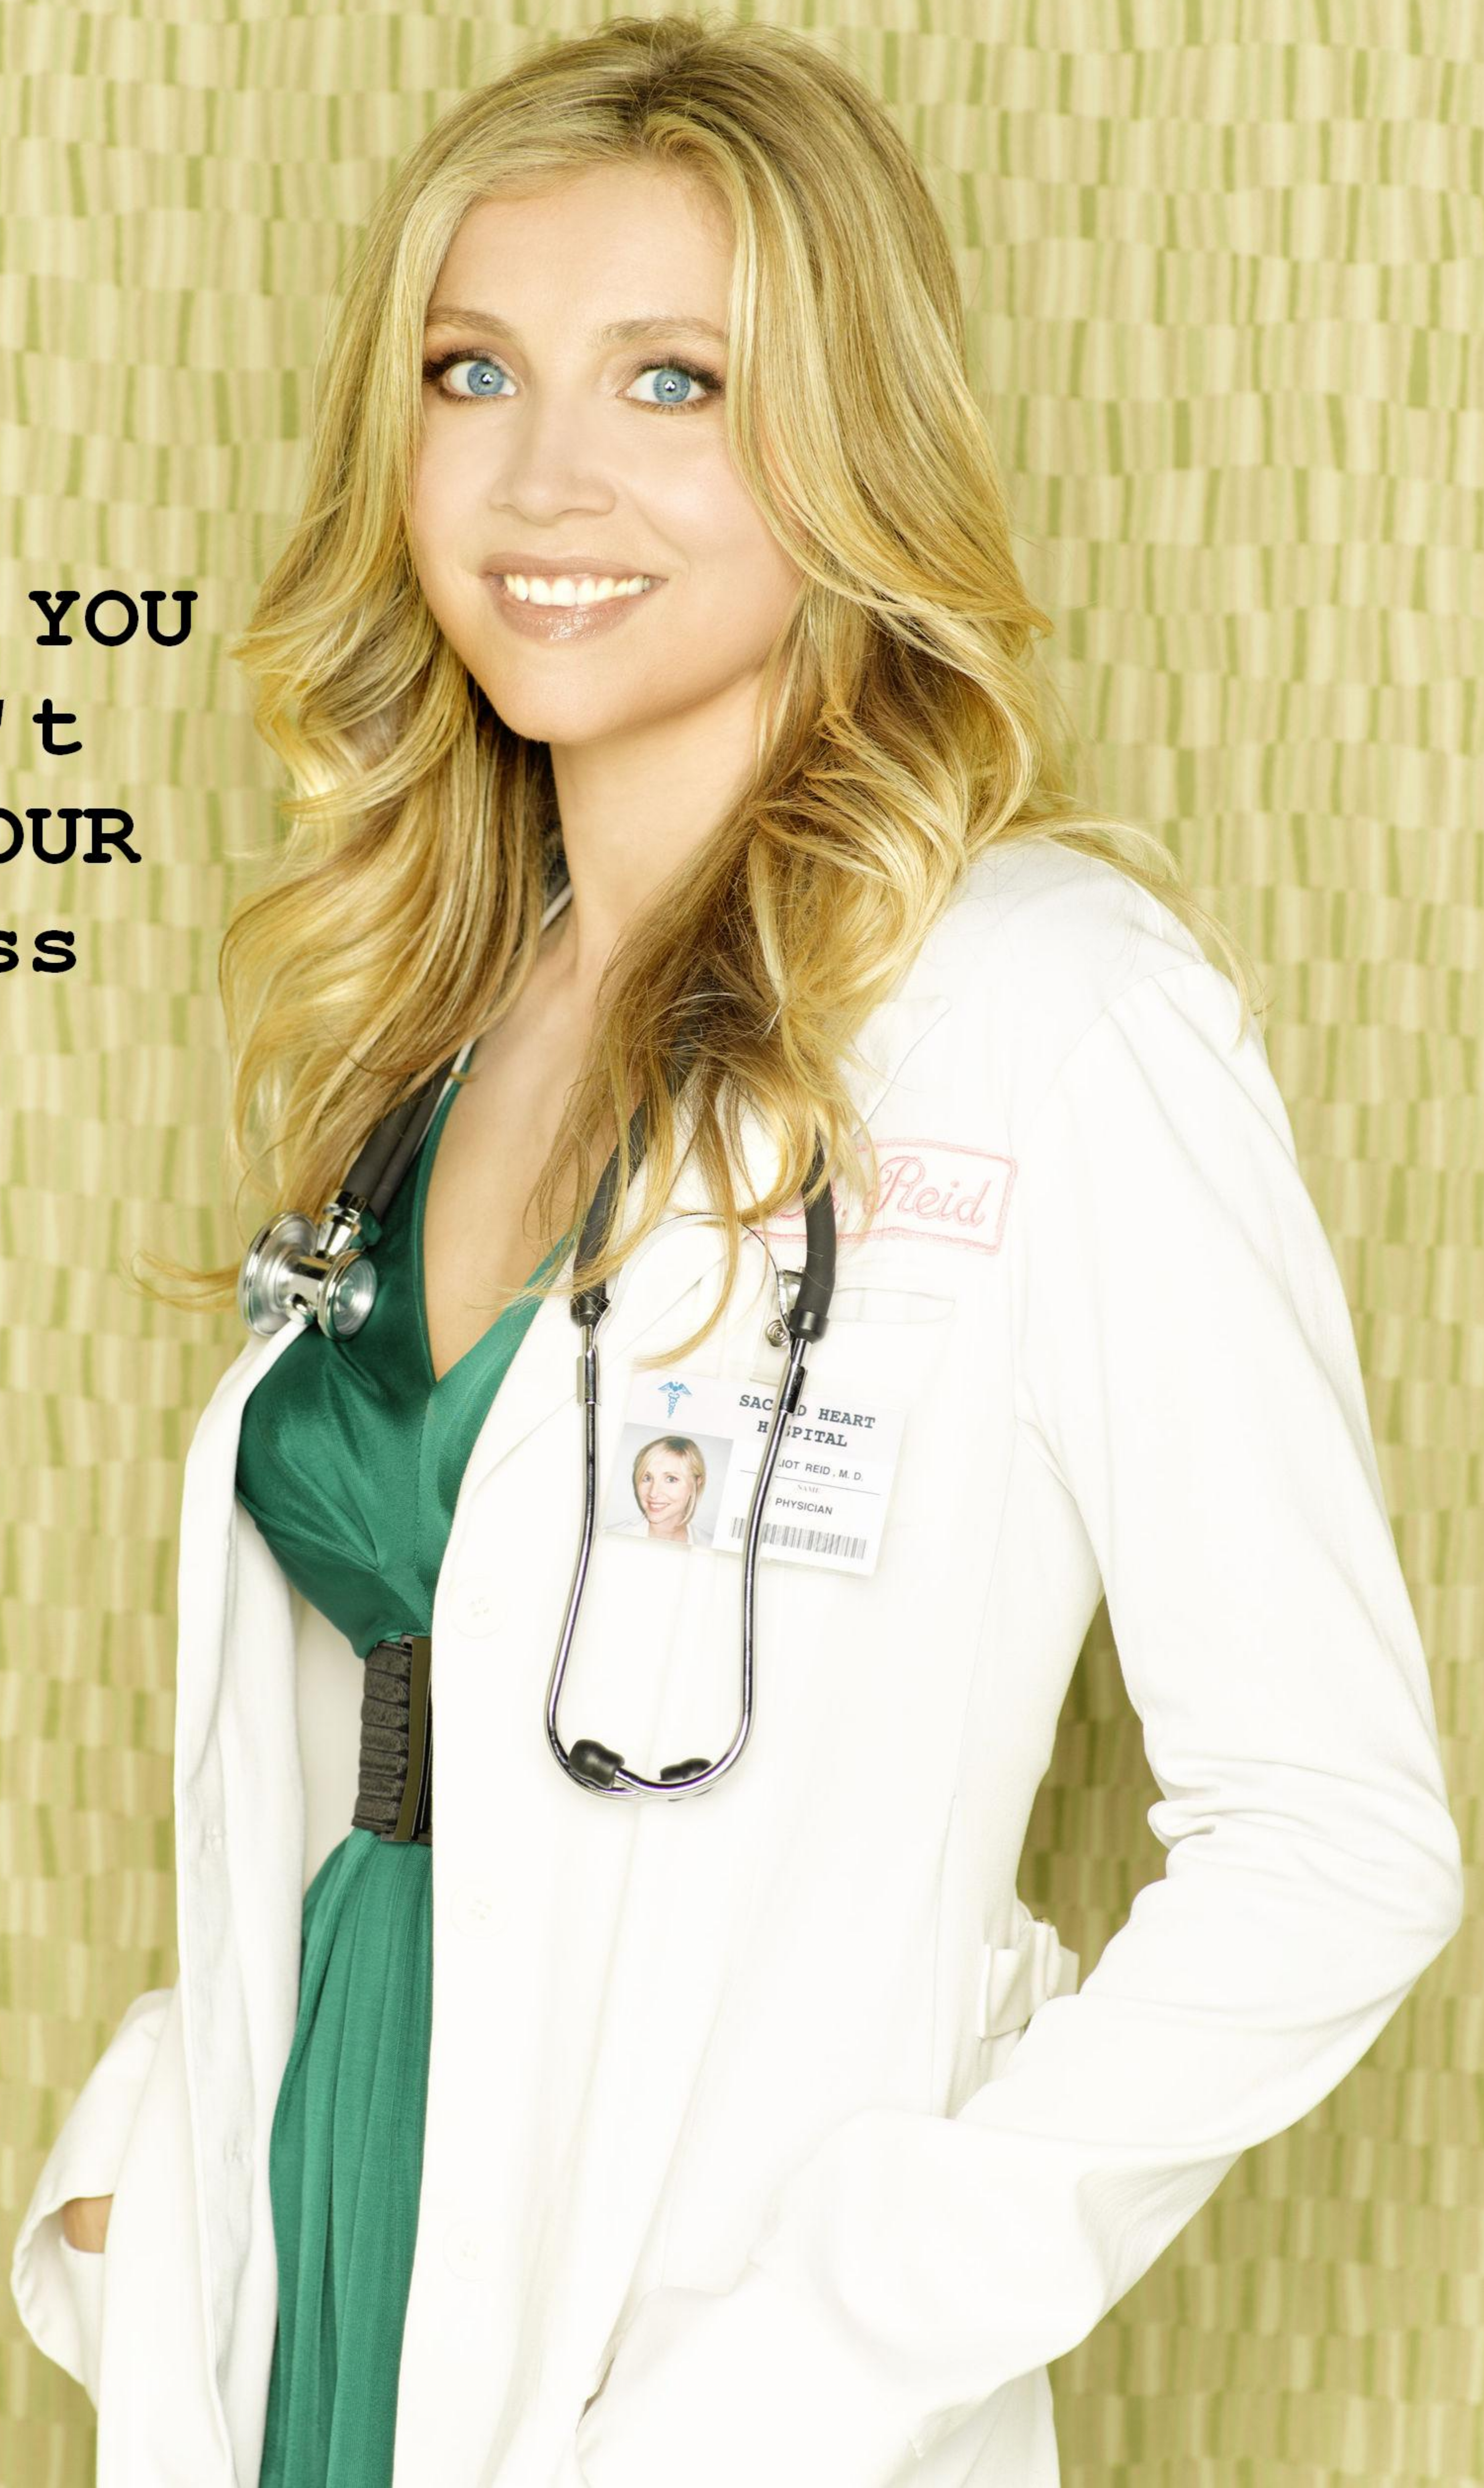

But that's
JUST a
tall tale,

I
seriously
doubt that
it's TRUE,

I mean YOU
wouldn't
want YOUR
Mistress

to cut
YOURS off,

WOULD
you?

NO?

Well,
it's
the end
of the
story,

but NOT
your DENIAL

because
images
like

THESE

are driving
you WILD!

Huh?
