

When I begged to be her slave
she thought awhile and said
"Jerk off on your knees
in front of the bed
and if you come without permission
I'll whip your ass red!"

And a very meek
"Yes Mistress"
was all that I said!

And then she
said to me,

"In A VERY Stern Voice,"

Watch my
vibrator
slave,
as it
goes

IN

and
OUT,

while I
think about
what I want

your
being
my
SLAVE

to be
ABOUT!

And when her
"thinking about it"
time was all done,
she SCREAMED

SLAVE!
I WANT YOU
TO PLEASE ME

WITH
YOUR
MOUTH
AND
YOUR
TONGUE !

So I meekly
told her
"Yes
Mistress!",

crawled to
her on my
KNEES,
and did

THIS until
my Mistress

was TOTALLY
pleased!

And when
she WAS,
she said

Slave, you
may STOP,
I can't come
ANY more,

I want you to
go BACK to
jerking off
like you were
doing before!

Then I did
it the way

Mistress
WANTED
it done,

while I PRAYED
that she'd
give me

permission
to come!
