

She doesn't do anything to me that's
grisly or gory

but she has her ways and I love her
for them

as you'll see in this story

If I'm not on my knees in
front of her IMMEDIATELY

when my Wife/Mistress
calls,

she ties them to the
floor, then gets her cane

"And She Does THIS"

to HER balls!

And when
I'm all
finished
with MY
balls,

THEN what
do I do?

You let me untie
them from the floor
so I can crawl OVER,

and say
"I Love you!"

I love you
TOO slave!

Oh dear GOD
I DO!

YES!

Oh my God,
YES!

YES !
