

We are thankful each day for the
food that we have to eat

the roof over our head and in the
cold winter that we have heat

and we are thankful for those we
share our souls with in our lives

both us submissive boyfriends or
husbands and US

their dominant Girlfriends or
Wives!

Ooooooh YES, I AM thankful
for my life of pure BLISS,
OWNING a submissive male
who WANTS me to always
KEEP him like THIS

And GOD it feels so GOOD
to see him kneeling the
way we BOTH want him to
there,
and give thanks with
what's GOTTA be every

"Submissive Males Prayer!"

I THANK you Mistress
for making me be your
slave,
and teaching how to
properly serve you
and exactly how YOU
demand ME to behave!

Thank you for keeping
my little cock ALWAYS
hard for you this way
EVERY minute of EVERY
day,
by making me always
WANTING to cum for you
but DENYING me until
YOU say I MAY!

And thank you for TAKING
the balls which I
offered as my gift to
you, and PROMISING you
WILL do with them as
you truly WANT to!

And thank you for
making me do ALL of the
household chores.
like cleaning, laundry,
ironing, dusting and
wasbhing the floors!

And thank you for
teaching me how to
properly plesure you
with my mouth and
tongue THERE,
file and polish your
nails,handwash your
bra and underwear
and brush you hair!

And so instead of AMEN
I'll end MY prayer
by THANKING you for
my life of BLISS,
and from the very depths
of my HEART and my SOUL
truly MEAN it when
I say.
I LOVE YOU MISTRESS!

And I love you TOO slave
for BEING and FEELING
like this, and sharing
your soul with me and
giving me a life of
pure BLISS!

Now go clean the kitchen
and the bathroom SLAVE!
You are DISMISSED!

GOD, it always feels
so GOOD to hear him
meekly say

Yes Mistress!

SOOOOOO
fucking
GOOD !
