

She created his heaven

his Earth and his seas

She created his universe

when he got on his knees

This is a
story of
CREATION

because

"In The Beginning"

**There was
Darkness**

till I
turned on
the light

after taking
my shower on that
very first night

and I gazed at
the man I had
created anew
to serve ME in
a world that is
under MY rule!

A world I created
when he got on his
knees
and gave as a GIFT
both of HIS balls
to ME

to do WITH
as I WANTED
and I said
"I WILL!
Yes siree!"

And for the past six
days of BLISS I've
had ORGASM after
ORGASM while having
sex unprotected,

but on this SEVENTH
day Dear,
It's time that
I RESTED!
Good night,
Honey!

"GOOD NIGHT,
MISTRESS!"

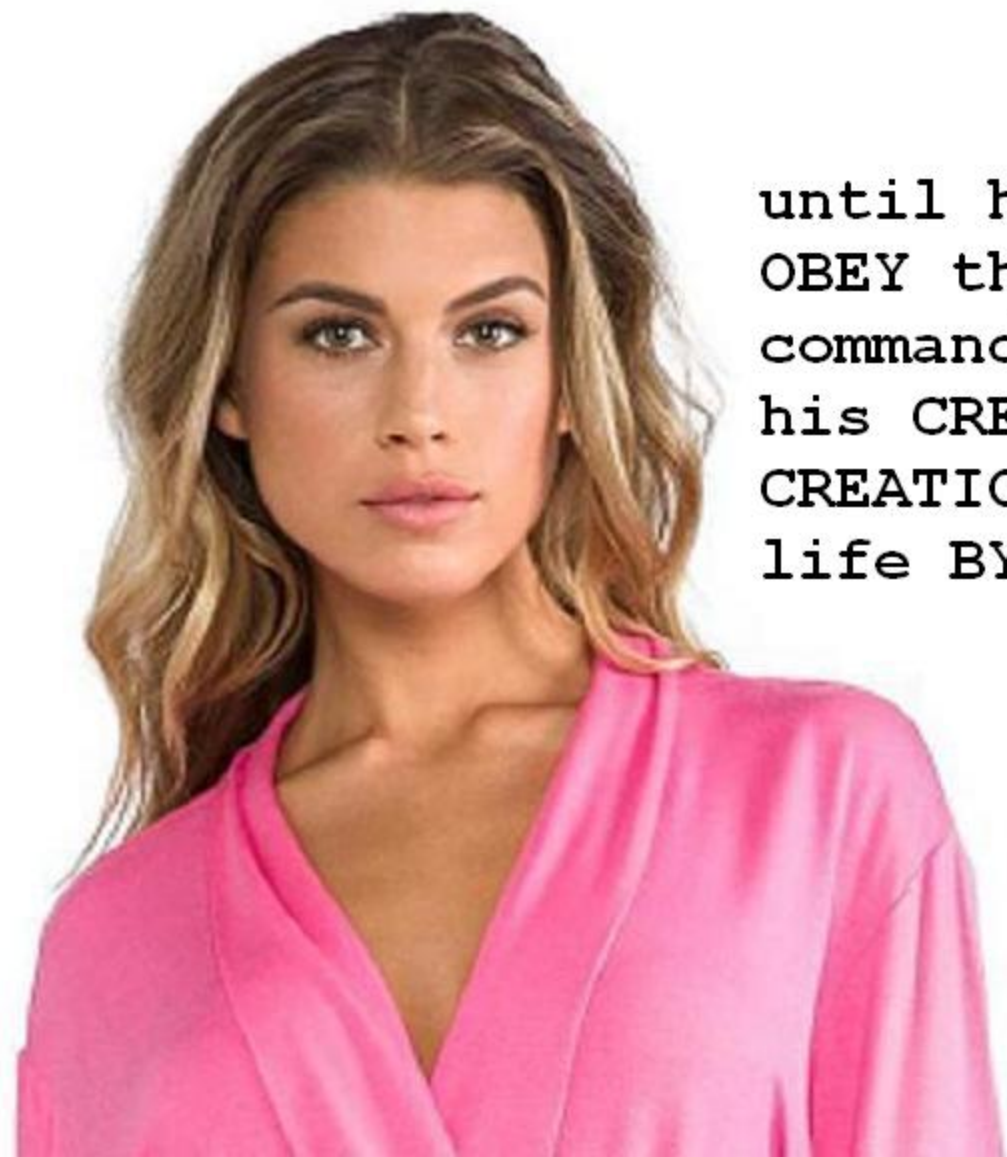

And when the seventh
, day ended and he
tearfully complained
that HE hadn't come,
I sternly told him
he WON'T for a LONG
time again

until he learns to
OBEY the
commandments that **I**
his CREATOR wants my
CREATION to live his
life BY!

OK,
Honey?

" YES
MISTRESS ! "
