

Of all the wonders in our lives

that to us the fates they gave

there's no intimacy like the
intimacy

between a Mistress and her slave

There
is NO
feeling
like it

in the
UNIVERSE,
Huh guys?

Than when
she allows
you to COME
for her

while
you're

"Looking In Her Eyes"

Well slave,
let me THINK
about it!

Yes slave you MAY come,
you've obeyed me all
week,

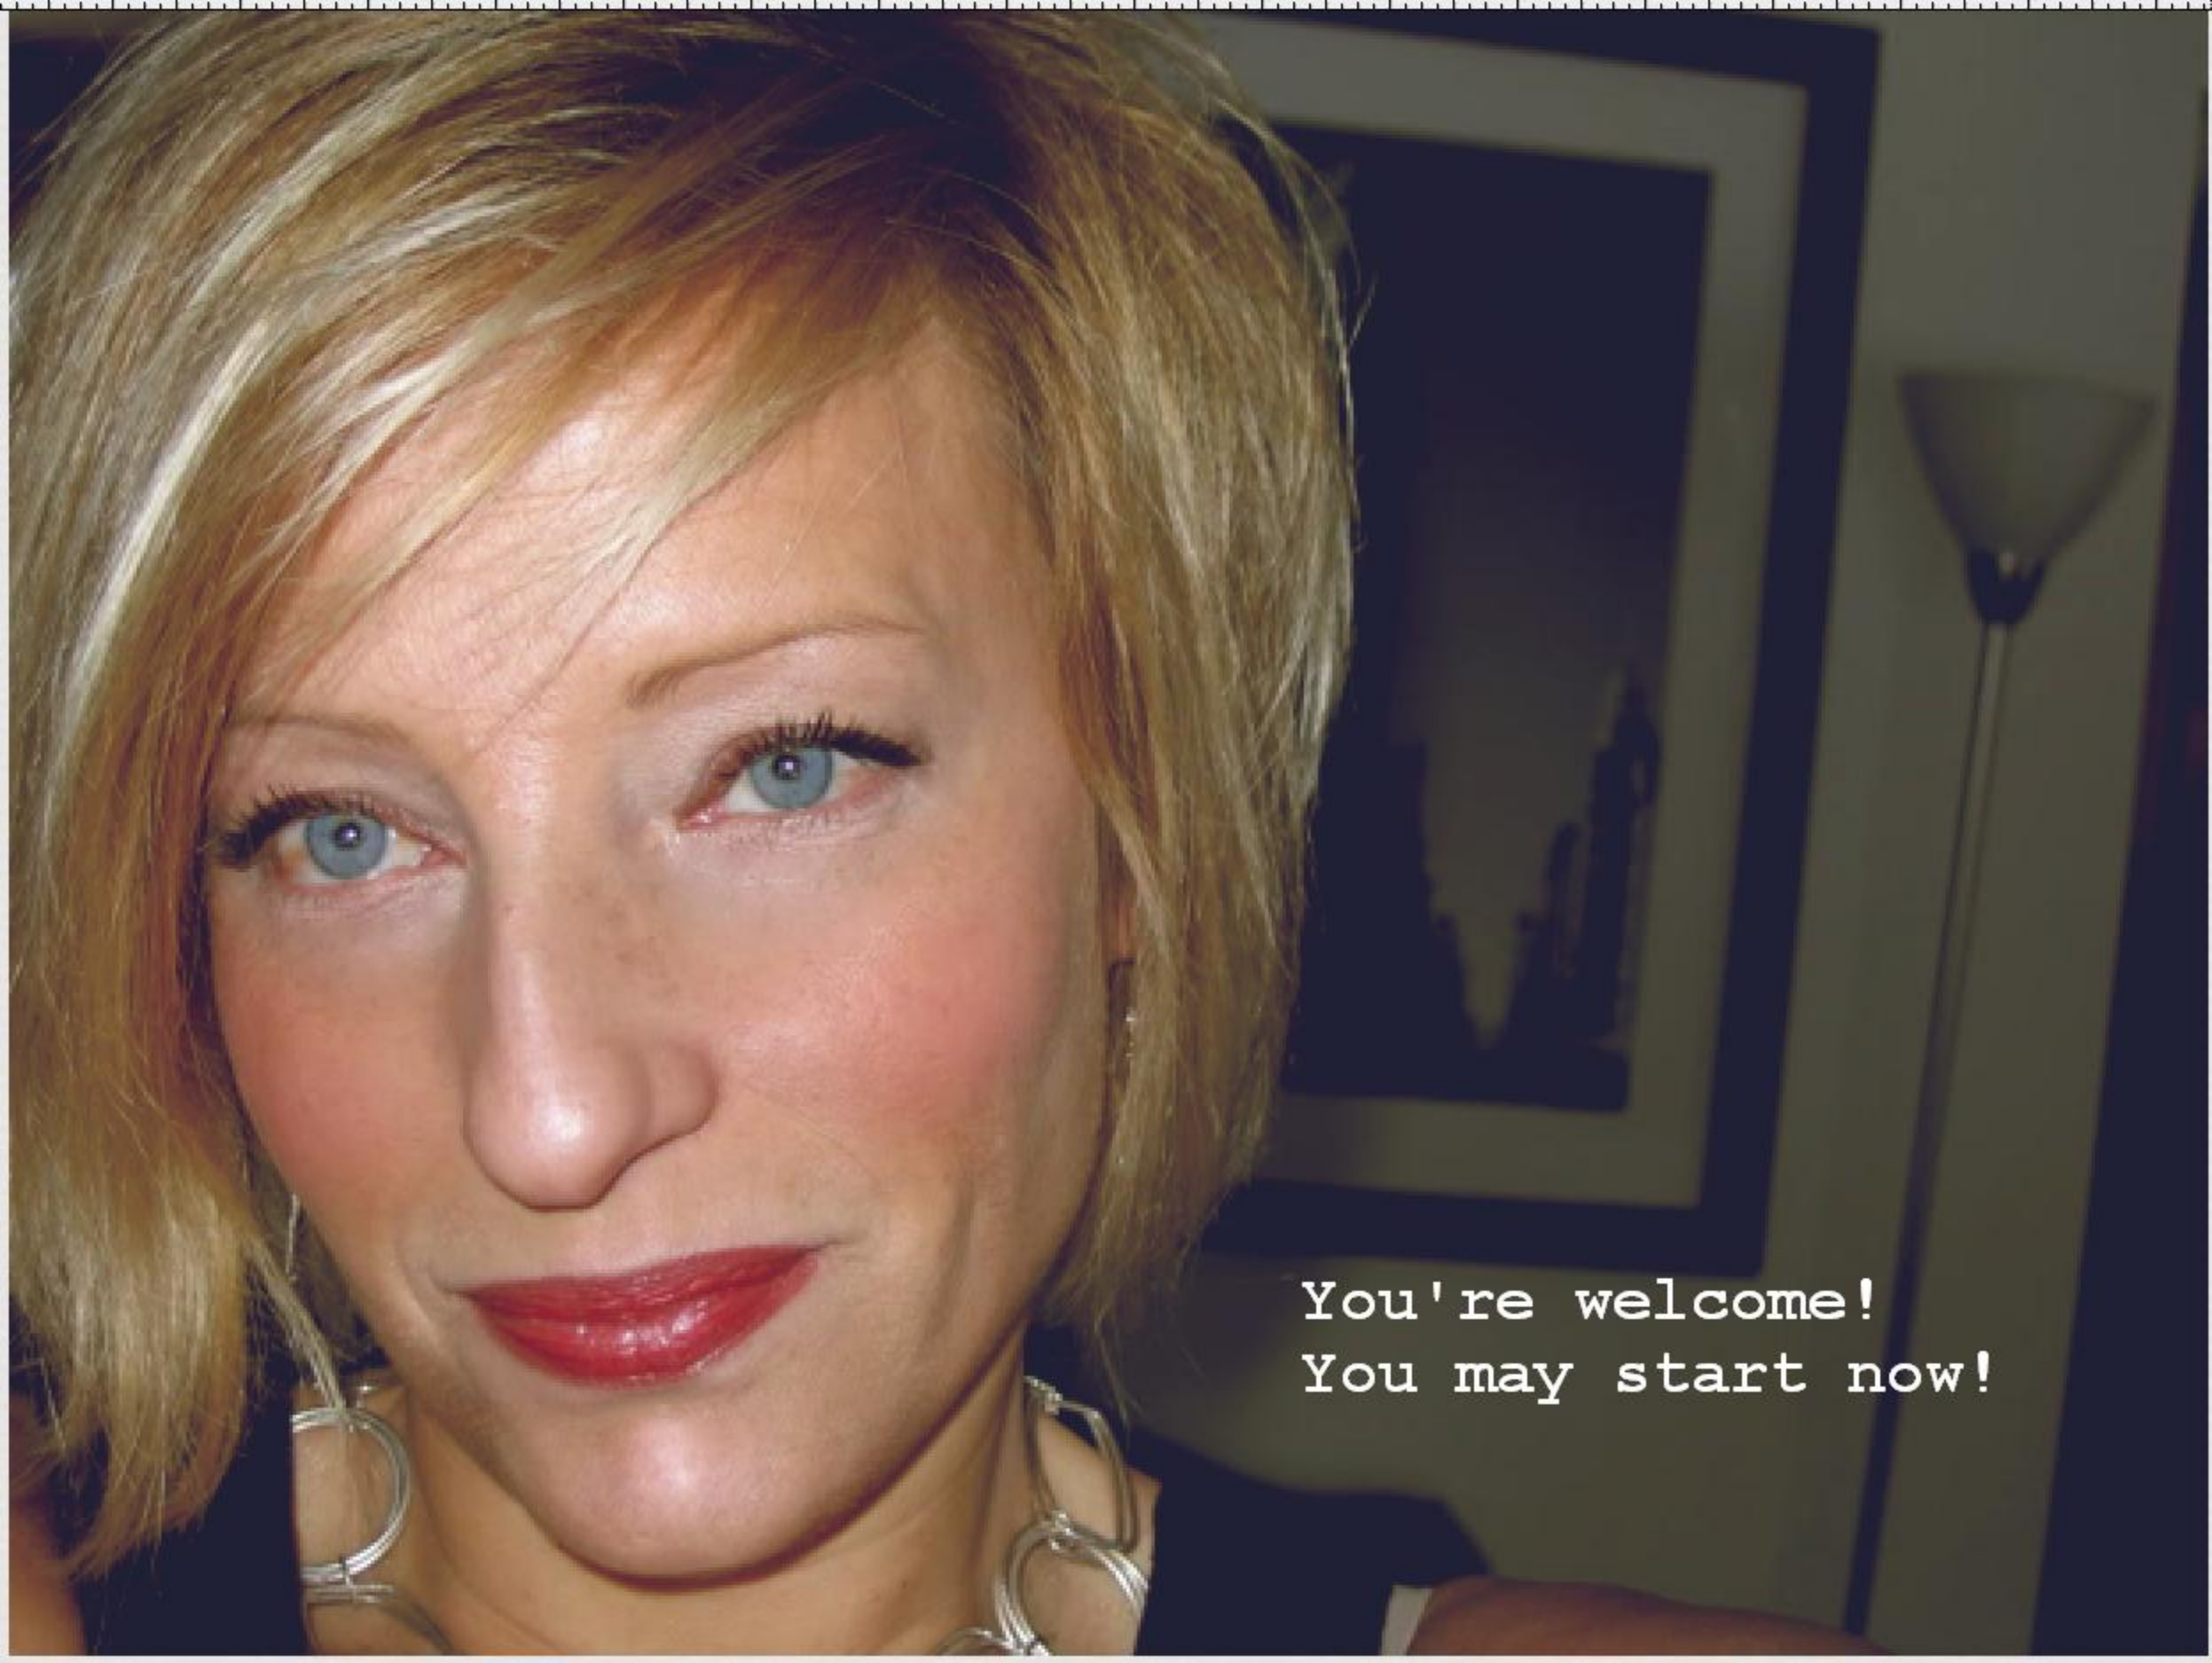

but you'll do it
YOURSELF,
down there on your
knees!

OK?

"YES MISTRESS!
THANK YOU
MISTRESS!"

You're welcome!
You may start now!

"YES MISTRESS!
THANK YOU
MISTRESS!"

You have permission
to come slave, stop
staring at the floor
and look in my eyes,
and COME for me!

NOW!

"YES MISTRESS!
THANK YOU
MISTRESS!"

You're
WELCOME,
slave!

So what
do you
think?

Do you
think he'll
say YES?

When his
Mistress
tells him

Now lick up
your MESS!

Huh?
