

There's pain and there's pleasure  
she may bestow upon you  
and sometimes there's real  
suffering too

This story's  
about REAL

**"Suffering"**

my SLAVE,  
locked up six  
months now  
for me,

A woman with shoulder-length brown hair and red lipstick is lying down, holding a large, dark purple eggplant horizontally in front of her face. She is looking directly at the camera. She is unclothed, with her breasts visible. To her right, a person's leg wearing a wide, light-colored strap is partially visible. The background consists of a dark blue fringed pillow and a brown textured surface. The text "cause you're gonna stand there and watch THIS thing" is overlaid on the right side of the image in a white, monospaced font.

cause you're gonna  
stand there and  
watch THIS thing

pleasuring me!

And as we watch him  
we're thinking,  
"DEAR GOD!" and  
"YIKES!",

and PRAY she didn't  
lock him in the one  
with the spikes!

Huh?
