

My mistress doesn't discipline

with paddles or whips

the "Punishment" drawer in HER
dresser

is much BETTER equipped

When MY
slave
disobeys
ME

he doesn't
get whipped,
paddled,

"HUMBLLED",
or punished
using ANY
form of
corporal
punishment!

NOPE!

I VERY
calmly
get him

"Properly Dressed"

and make him
stand there
and WATCH
me pleasure
myself for
HOURS and
HOURS

each and
EVERY day

like
THIS

until
the
VERY
end

of an
entire
MONTH!

**And GOD
does he
SUFFER!**

Don't you,
slave?

"YES MISTRESS!"
