

She put a sign on her male and said
"He is for SALE!"

to a VERY interested potential
buyer named Gail

Gail,
I call my
slave THIS
because his
tiny excuse
for a cock
is USELESS

in giving
me orgasm
after
orgasm and
providing me
sexual
BLISS!

So for a
very CHEAP
price I'll
sell THIS
one to YOU,
and buy one
with the TOOL
that CAN
do

"What I NEED It To Do!"

Well, I
learned very
quickly when
I was very
young

that what a
boy needed to
please ME was
his eager
young
TONGUE!

NO, he don't
NEED his tiny
cock to please
ME Louise,
he just has
to do
THIS

when EVER I
make him get
down on his
knees!

And as far as
YOUR pleasure
slave? It's
gonna be my
DELIGHT

to take your
tiny cock in
my hand and
make you CUM

while you're licking me to ORGASM
after ORGASM before I go to sleep
EVERY night!

So what do
YOU think
slave, does
she have a
SALE?

A man with short brown hair is wearing a white, short-sleeved, form-fitting dress. He is leaning forward, looking up at a woman. The woman has long brown hair and is wearing a white, short-sleeved, form-fitting dress. She is standing and looking down at the man, with her hand on his cheek. The background features a large abstract painting on the wall and a potted plant. The scene is set indoors, likely in a living room.

Oh my God YES!
YES Mistress
Gail!

Goodbye
MR. TINY!

Goodbye
Mistress
Louise!
