

There are some jars your Grandma knew
for saving peas and peaches too,
and you may find some in the store
if they still make them anymore.

And yes I know girls, it's a shame,
but what's ON the jar, is just a NAME!

The girls at the
South City Fem
Dom club,

were cleaning out
the attic of
their new club
house,

and
found
a box
FULL
of
THESE,

and ANOTHER box
of THESE jars!

I think that
Linda better go
over there,

and explain
to them that,

"Ball Is Just Their NAME"

Girls,
I think
that I
better
tell
you,

that YES,
they ARE
called
"BALL"
jars,

but
THAT'S
just
their
NAME!

It's NOT
what
they're
USED
for!

A woman with long blonde hair, wearing a pink bikini, is shown from the back with a large black tattoo on her lower back. She is looking over her shoulder towards a man. The man is shirtless and holding a large, black, straight razor-style knife. He is looking down at the knife. The scene is set in a room with a fireplace mantel in the background.

It
ISN'T?

REALLY?

They're
NOT?

You're
KIDDING me!

A woman with blonde hair, wearing a brown fur coat over a white shirt and white riding pants, is kneeling on a ground covered in dry leaves. She is holding a chainsaw with both hands, cutting into the leg of a man lying on his back on the ground. The man has a pained expression with his mouth open. The scene is lit with a strong light source from the side, creating deep shadows.

I didn't
know that!

Neither
did I!

No shit?

Is that
TRUE?

**YES
girls,
It's
TRUE!**

"BALL"
jars are
SUPPOSED
to be
used,

for
putting
peaches,
peas,
pears,
cherries

and OTHER
fruits
and
veggies
in!

**NOT your
slave's
BALLS!**

So you MAY
want to
consider
that,

before
you USE
them!

OK?

**Who
CARES?**

Since we HAVE
the fucking
jars,

we might as
well USE
them!

RIGHT,
Girls?

That works
for ME!

Why not? THESE balls
aren't much bigger
than peas, ANYWAY!

A woman with long dark hair, wearing a black bikini top, black high-heeled boots, and a black harness, is kneeling on the edge of a bed. She is using a power drill on the back of a man lying face down on the bed. The man is shirtless, wearing a thin chain around his waist, and has a goatee. The room has a wooden headboard and a lamp on a nightstand in the background. The text "Let's FILL those jars!" is overlaid on the image.

Let's
FILL those
jars!

A woman with dark, curly hair, wearing a black bikini, is shown from the chest up. She is leaning forward, focused on a task. She holds a large, silver metal pair of pliers with both hands, using them to cut through a piece of material. The background is a plain, light-colored wall. The text "SNIP!" is overlaid on the image in a white, bold, sans-serif font.

SNIP!

Peas, peaches
BALLS,

who
CARES,

let's just
FILL those
fucking
jars,

NOW!

I give
up!

Have a
BALL,
Girls!

Or as many as you
CAN fit in those
jars!

Well guys,
although I AM
sympathetic with
your loss,

you
DO have
to admit,

that IF
those
jars live
up to
their
reputation
for
quality,

your
balls
will
stay
VERY
well
preserved,

WON ' T
they?
