

With stories of their removal
we're not too enthralled
but when we're their slaves
they DO own our balls!

Keep jerking
OFF without
permission

and making
yourselves
COME,

but remember
that your
Mistress

will CATCH
you,
HUH Hon?

"Yes
Mistress!"

And I know
that you've
had them

all your life
and you'll
MISS

having them
attached

"Because Mistress Did THIS!"

"NOOOOOO ! "

A woman with long, wavy red hair and a black studded harness is sitting on a man's lap. She is holding a large, black metal clamp over the man's groin. The man's legs are spread apart, and the clamp is positioned between them. The woman is smiling and looking at the camera. The background is dark and out of focus.

Say GOODBYE
to your
balls,
slave!

"NOOOOOO ! "

"NOOOOOO ! "

"NOOOOOO ! "

Snip!

The End

And SO this
here story
for ALL of
you guys

should wake
you assholes
UP and open
your eyes

to the fact
it's your
MISTRESS
as you may
RECALL

who OWNS them
and can do
what she
WANTS

with HER
balls!

CAN'T she,
slave?

"Yes
Mistress!"

NEXT!

Now get
your ass
IN there!

A woman with vibrant red hair and a white nurse's cap is dressed in a white lab coat. She is wearing blue nitrile gloves and has a purple flower tattoo on her left forearm. She is looking directly at the camera with a serious expression. The background includes a medical examination room setting with a green lamp and a vision chart on the wall.

I'm
WAITING,
slave!
