

I hate to admit it

but HAVING to wait

to come for MY Mistress

feels SO fucking great!

You haven't
let me COME
Mistress

in over
a WEEK,
almost TWO,

why do you
make me wait
SO long

before I MAY
come for you?

Yes, I make you
wait a LONG time,

you're Damned
RIGHT I DO,

but you should
be happy I'm not
making YOU wait

as long as
THIS guy

"Has To!"

Thank you for
doing this
for me Honey,

it means
ALOT to me!

You're
welcome,
Mistress!"

"Mistress?"

WHAT ,
Honey?

"When you
unlock me,

so the
Doctor can
DO it,

may I come
one last
time?"

"PLEASE?"

NO
Honey,

I want you
to hold your
come for me
FOREVER!

OK?

"Yes
Mistress!"

Now while you're
jerking your cock
slave,

again
and
AGAIN,

and you're still
WAITING to come,

are you
gonna
complain?

NO MISTRESS!

GOOD !
