

They want a male slave who obeys

and does just what the contract says

and after you aint came for a hundred
days

you'll do it so fast you'll be amazed

I bet that it's
humiliating for
you to have to
kneel here
and jerk off

day
after
DAY,

night
after
NIGHT,

without
coming

like a NORMAL
man would have
been allowed
to do,

this past week
while I've been
getting this
contract
