

Once upon a time there was a strict
Wife/Mistress who

had a slave/husband who forgot to do
what she told him to do

but she was not a CRUEL Mistress
with a WHIP in her hand

SHE preferred to discipline by
using just one stern COMMAND

So I
STERNLY
told
him

"That's Twenty Minutes"

in the
SMALL
rubber
band!

And
as he
crawled
off to
do as
he was
TOLD,
he
meekly
replied

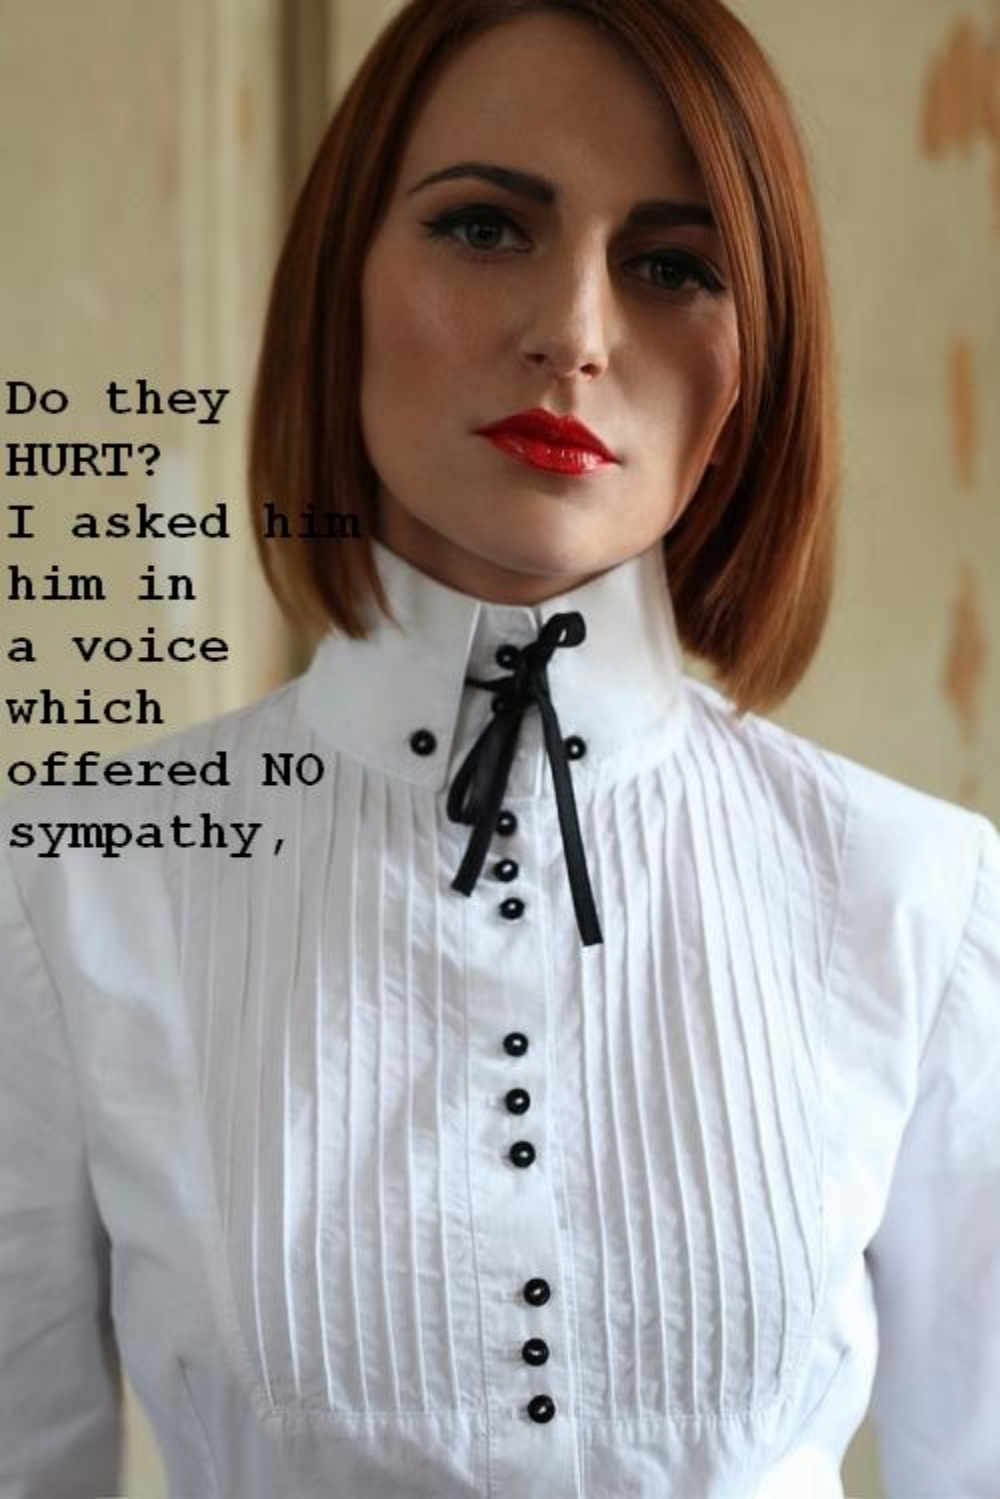

Yes
Mistress
Nicole!

When he
crawled
back in
in two
minutes,
closer
to THREE,
I told
him,
"Stand up
and SHOW
them to
me!"

Do they
HURT?
I asked him
him in
a voice
which
offered NO
sympathy,

Yes Mistress
Nicole!
They hurt
TERRIBLY!

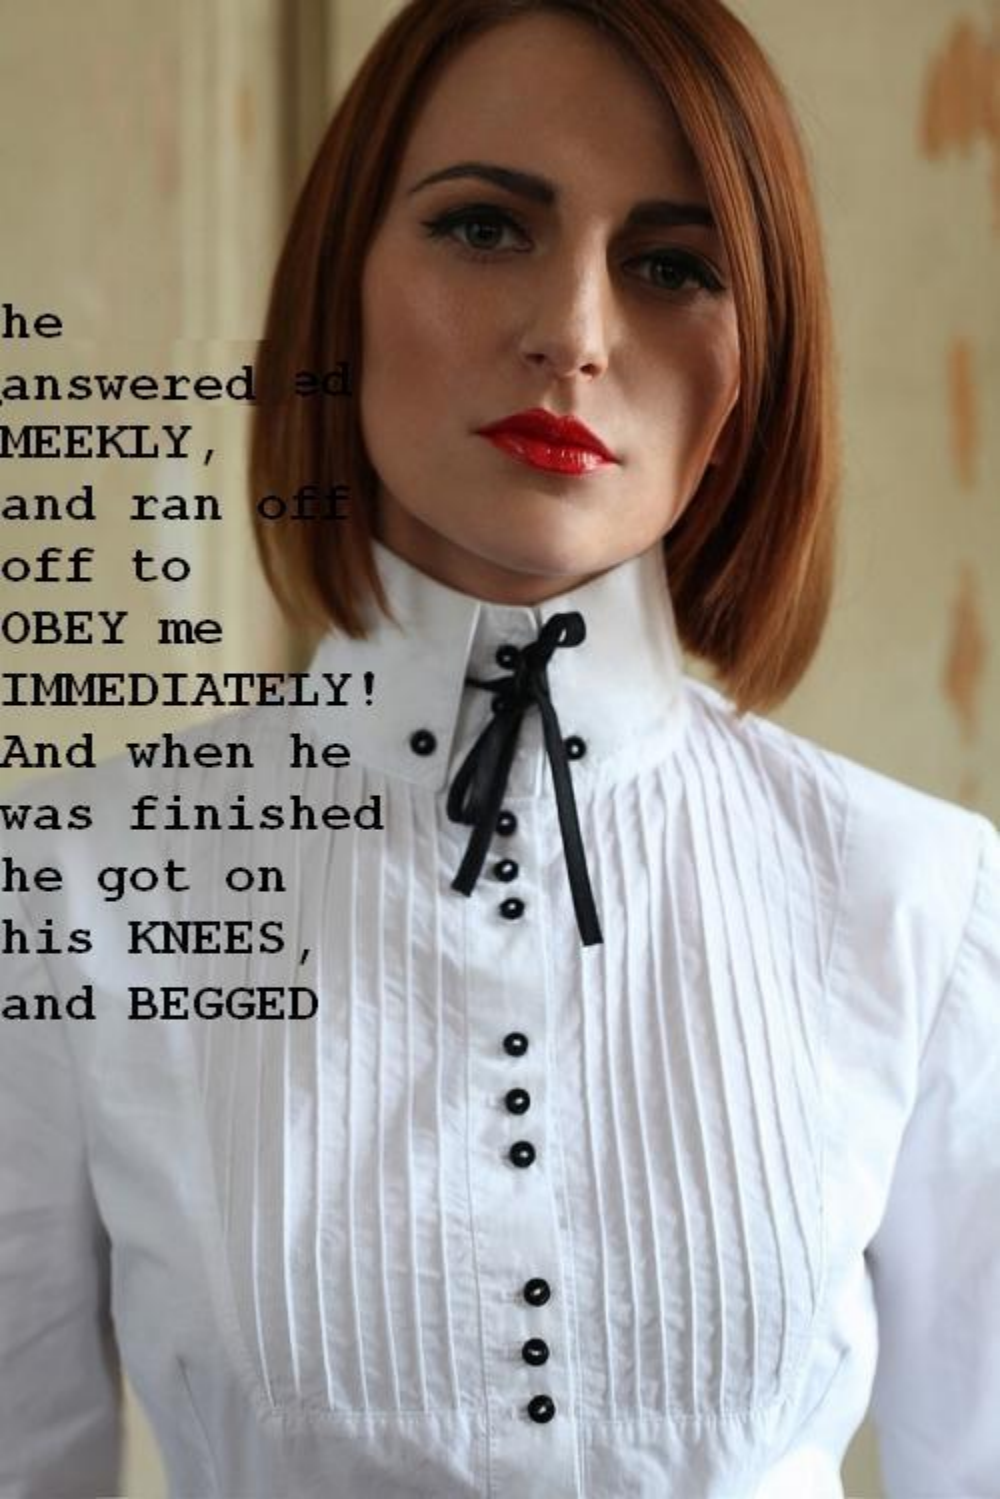

GOOD! I
replied,
ICY and
COLD,
Now go
iron my
jeans
and my
blouse
like you
were
TOLD!

Yes
Mistress
Nicole!

he
answered ed
MEEKLY,
and ran off
off to
OBEY me
IMMEDIATELY!
And when he
was finished
he got on
his KNEES,
and BEGGED

A man with short, light brown hair is kneeling on a light-colored wooden floor. He is looking down and kissing the side of a black high-heeled shoe. The shoe has silver-colored straps with small, sparkling stones. A woman's leg, wearing dark blue jeans, is extended towards him. She is sitting on a dark grey or black armchair. The background is a plain, light-colored wall.

PLEASE LET ME TAKE IT
OFF NOW MISTRESS NICOLE?
OH GOD I'M BEGGING YOU!
PLEASE?

And as
his tears
fell on
my feet
I said
"Yes you
MAY, but
it'll be
an HOUR
the NEXT
time that
you disobey!"
