

When she takes me in her hand to do
what she calls "cum training" once
every day

I'm punished if I cum unless she SAYS
that I MAY

and I TRY and I TRY but too often
much to my dismay

it's HARD learning to obey her in
what SHE calls "that most SPECIAL
way"!

YES, it's HARD
to learn to
obey her in
that most
SPECIAL way

by not cumming
no matter HOW
badly you WANT
to unless she
SAYS that you
MAY!

So here's a story
for your education
today,
about how SOME
Women train THEIR
submissive men

"To Obey THEM That Way!"

My vERY horny
slave/ husband
stares at tits
with a frown
when I sternly
say "DO NOT
CUM!" as my
hand goes

UP

A woman with blonde hair and black-rimmed glasses is smiling and looking down at a large, realistic dildo held in her hand. She is wearing a black bra with red lace trim. The background is a simple indoor setting with a window. The text "and DOWN" is visible in the upper right corner.

AGAIN

and AGAIN until
he cums and sobs
"I'm sorry
Mistress!" and
has to spend the
next couple
of days

2. [How to use a dildo](#)
3. [How to use a dildo](#)
4. [How to use a dildo](#)

with his balls tied
VERY tightly like
THIS!

YES, it GETS
painful, but I
WANT him to
LEARN, and
that's HOW I
teach him!
DON'T I?

OH GOD YES
MISTRESS
LAVERNE!

And then there is
Sharons slave who's
LEARNING as he BEGS
and he BEGS for
mercy when she USES
that belt she puts
between his legs!

How long will
it take you to
disobey me and
cum,

without my
permission and
I have to use
the belt
between your
legs on your
disobedient
balls THIS time
Hon?

Will you make
it TWO minutes
THIS time or
will you make
it FOUR,

like I WANT you
to Honey?

I'll try HARD to OBEY
you Mistress Lenore!

I don't WANT you
to whip my balls
anymore!

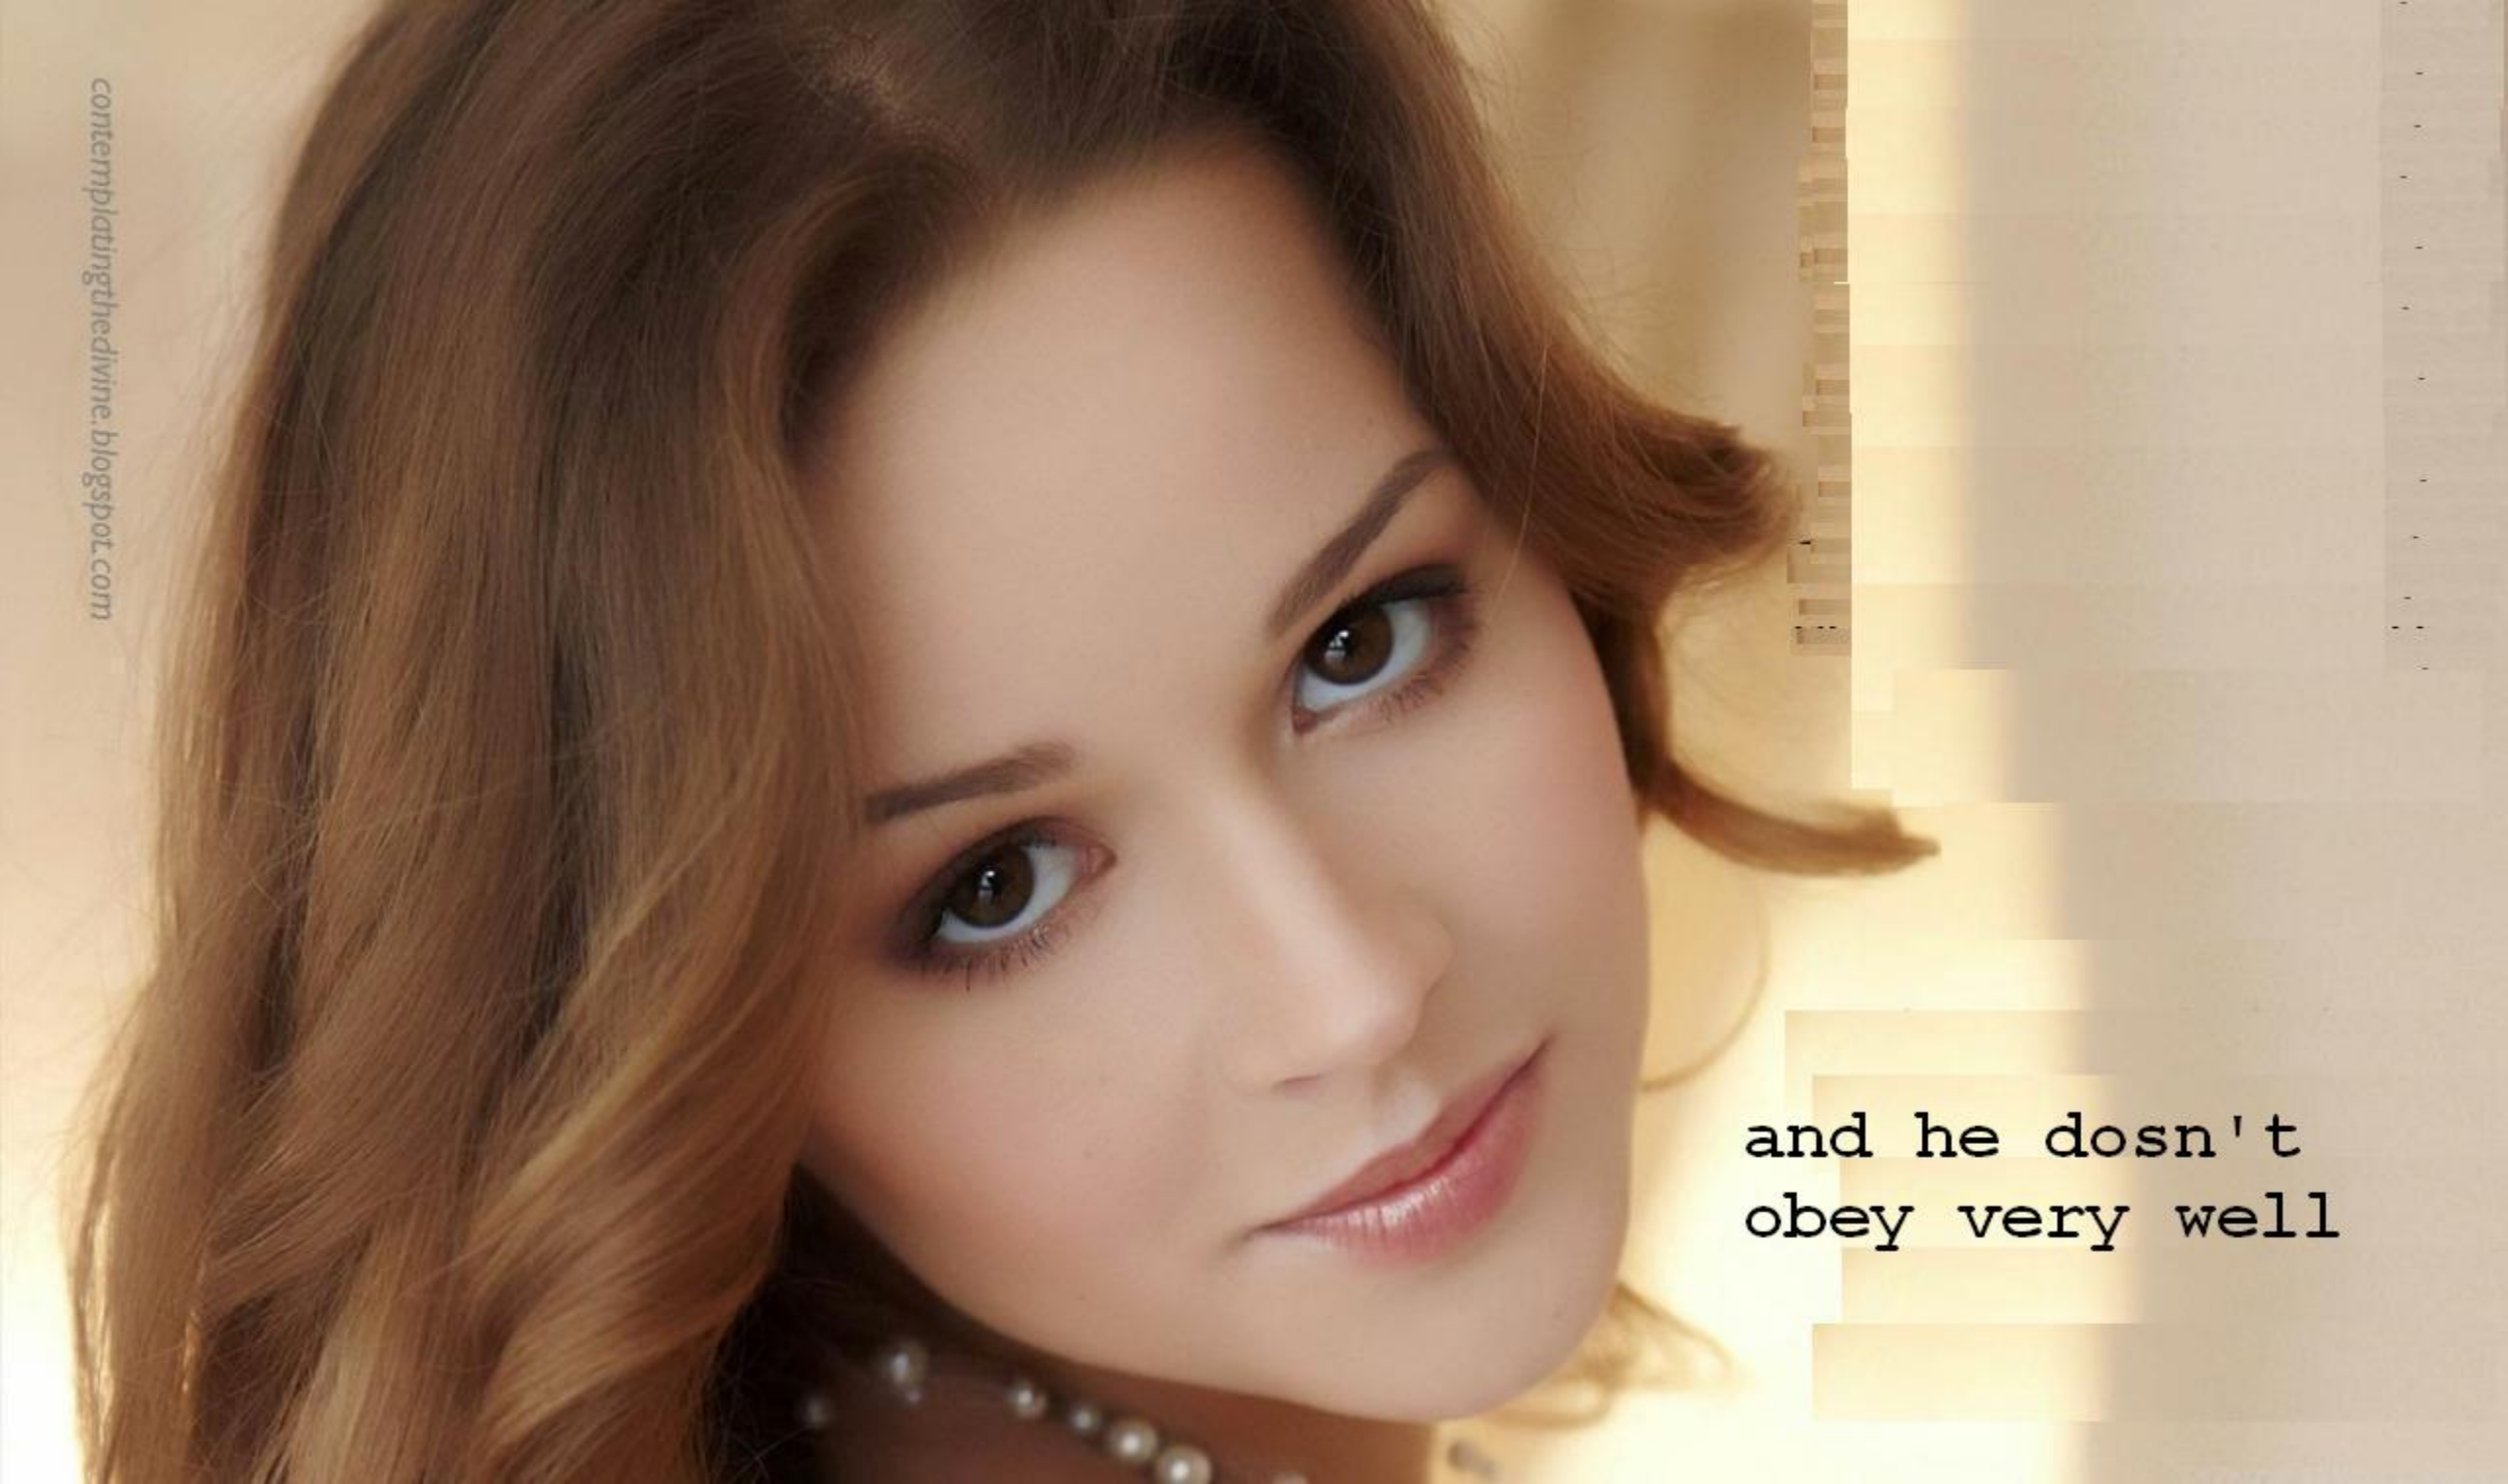

And THIS is what
happens when
Mistress Adele
cum trains HER
slave/husband

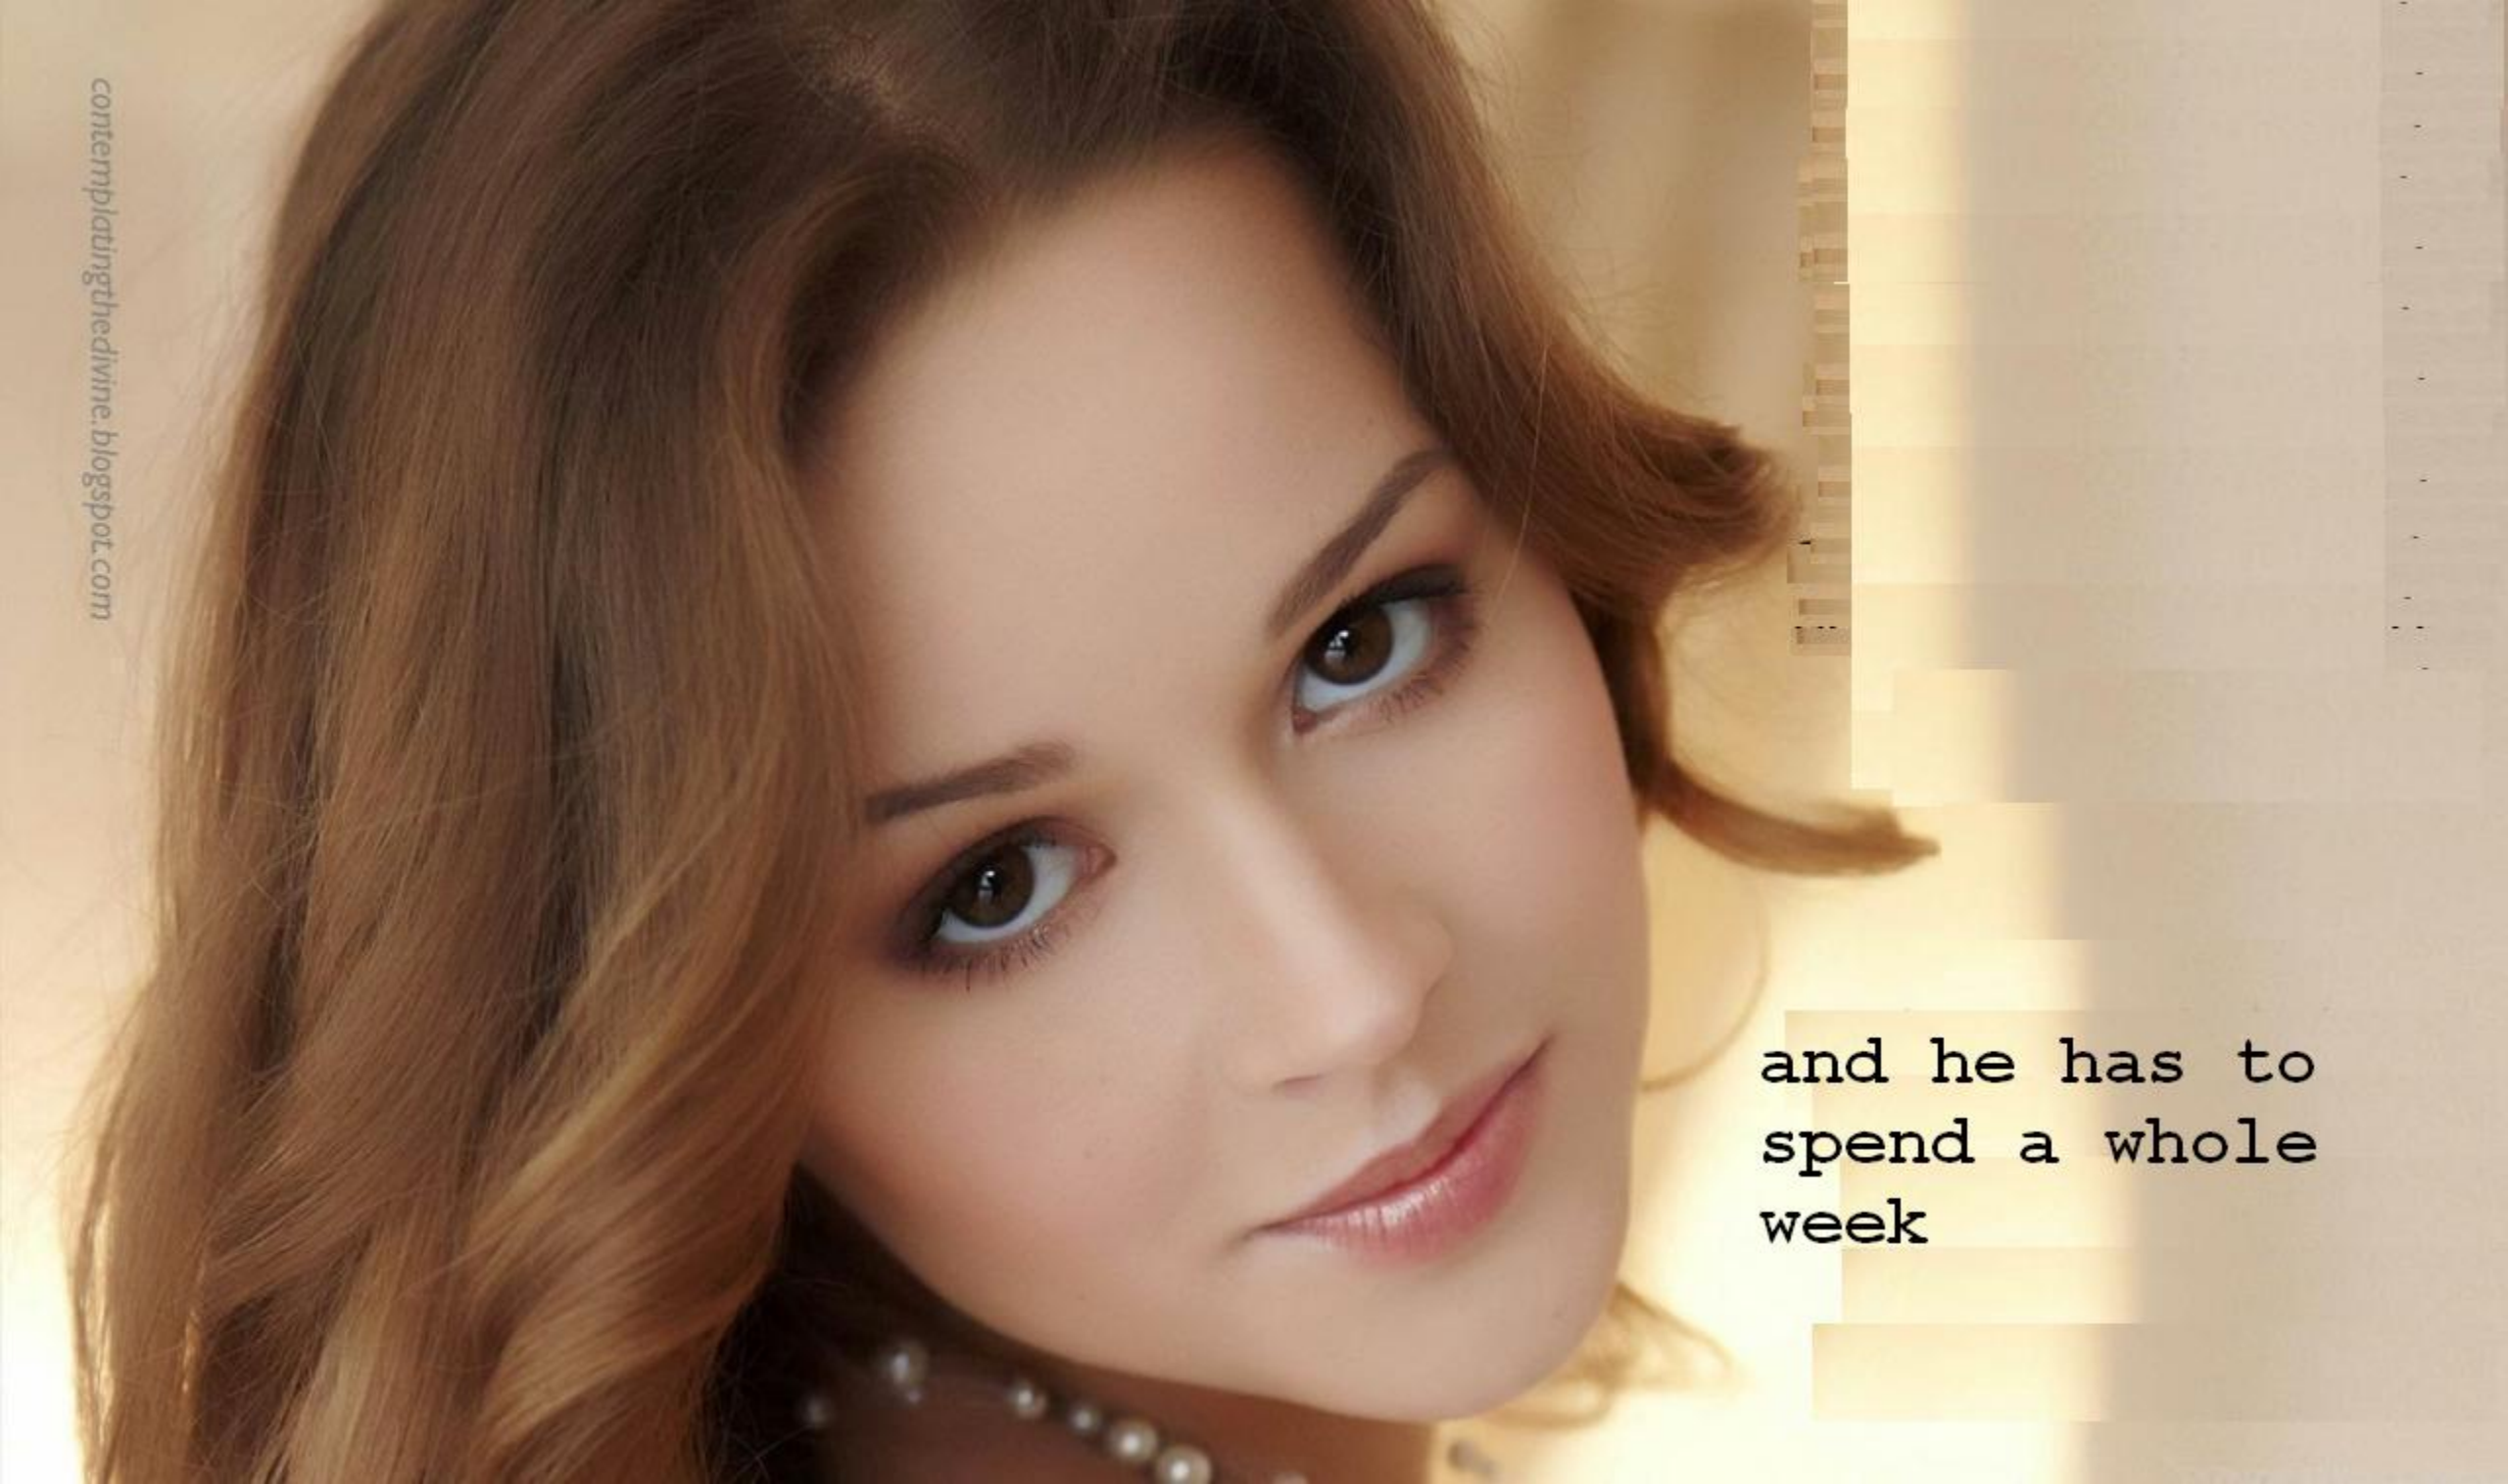

and he dosn't
obey very well

and he has to
spend a whole
week

in the
"HUMBLER",
a WHOLE
week in
HELL!

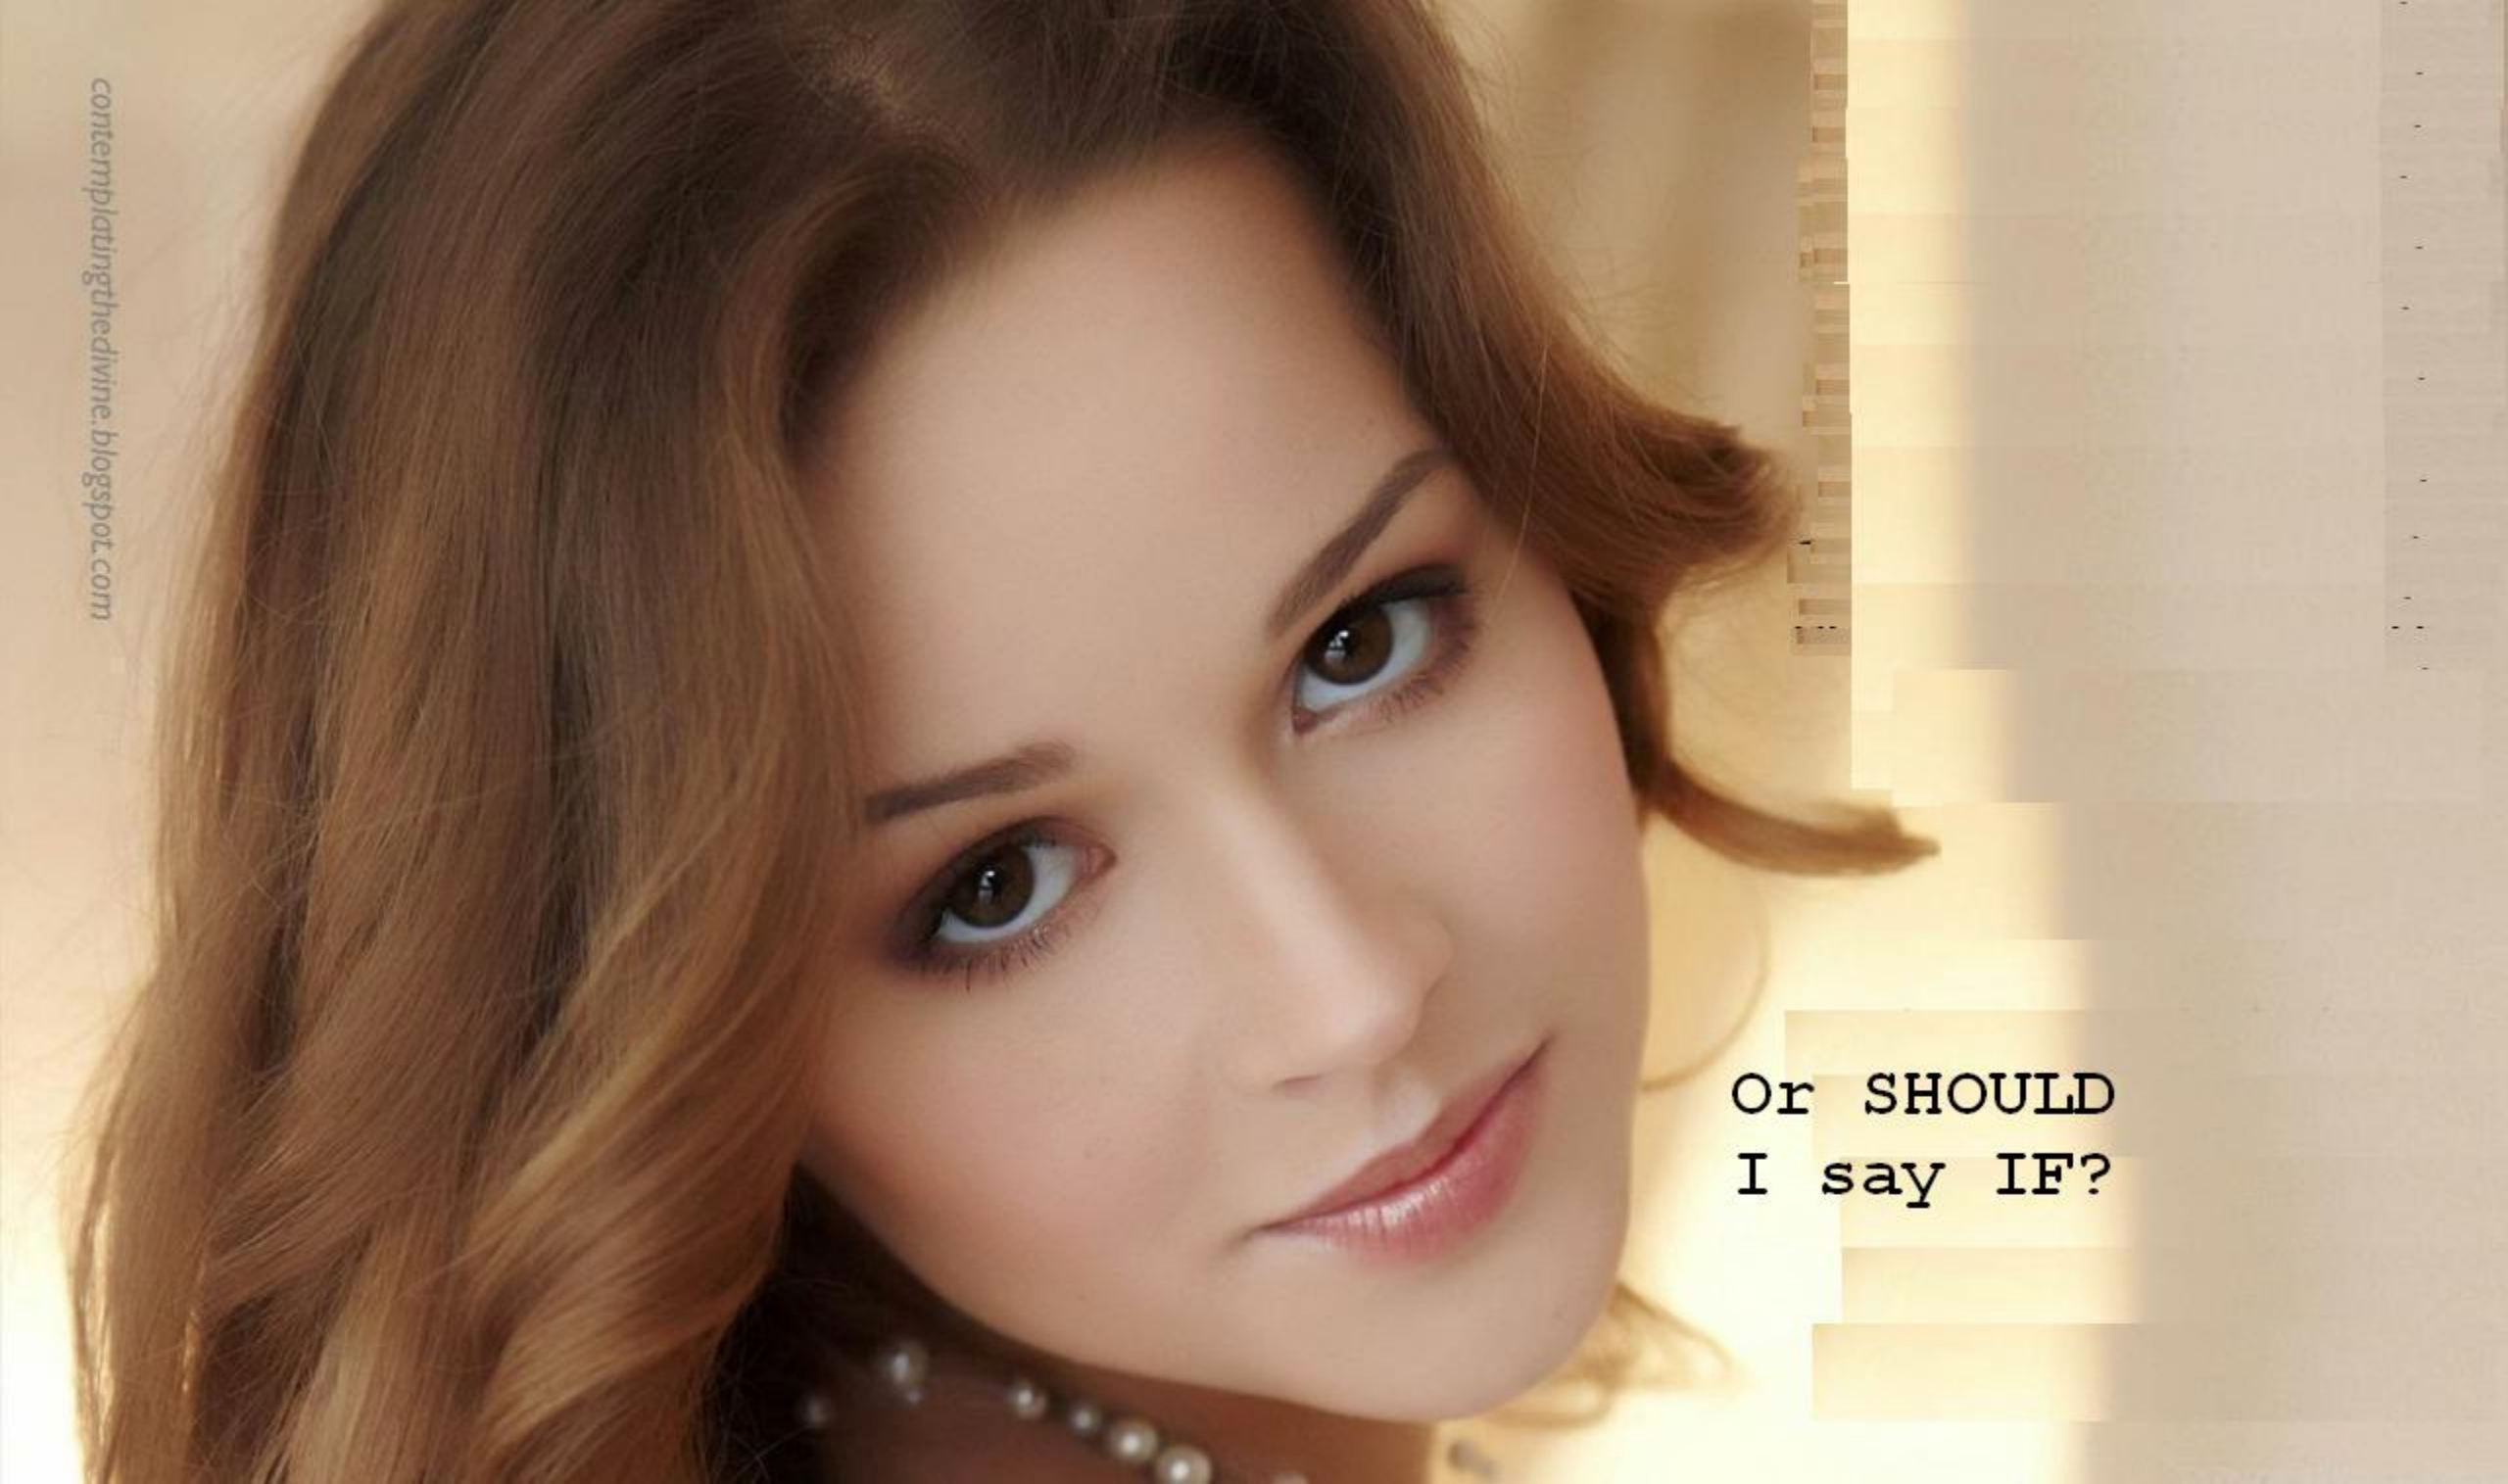

Ooooh YES guys,
obeying your
Mistress in "that
most special way"
means ALOT more
than simply saying
"Yes Mistress"
to her all day
every day!

And if THAT'S what
she WANTS?
Well, you have to
LEARN to OBEY,
and NEVER ever cum
unless SHE says
you MAY!

Oh, I KNOW that
it's HARD but
think about how
HAPPY your
Mistress will be,
having a slave who
obeys TOTALLY!

And though it WILL
be HARD learning
to DO that, ALOT
harder than SOME,
think about how
GOOD it will feel
when she finally
DOES let you cum!

Or SHOULD
I say IF?
