

People ask "What is it LIKE,

this Female led life?"

The feeling to descibe it

is hard to put in words

both by the slave who is kneeling

and the Mistress who he serves

No,
there
AREN'T

"Any Words"

to describe
how we both
feel

when he
strips
naked and
kneels

before her
like this

ready and
willing to
serve

and
OBEY you,
Mistress!

And there's
NO words to
describe

her pleasure
each day

when my
house has
been
cleaned and
my laundry

is washed,
ironed, folded
and ALL put
away!

And there's
NO words to
describe
how you
feel at the
end of
each
week

when I
allow you
to jerk off
and give
YOURSELF

the sexual
release
that you
seek!

ARE
there?

"No Mistress!"

No, I'm sure
that there
AREN'T,
and to be
totally
frank,

there are
no words to
describe how
I feel,

when you're
ALL finished
coming

and your
mouth and
your tongue
tell me
THANKS !

NONE !
