

"Like Mother like Daughter"
is that really true?

Will YOUR Mistress do what HER
Mother used to?

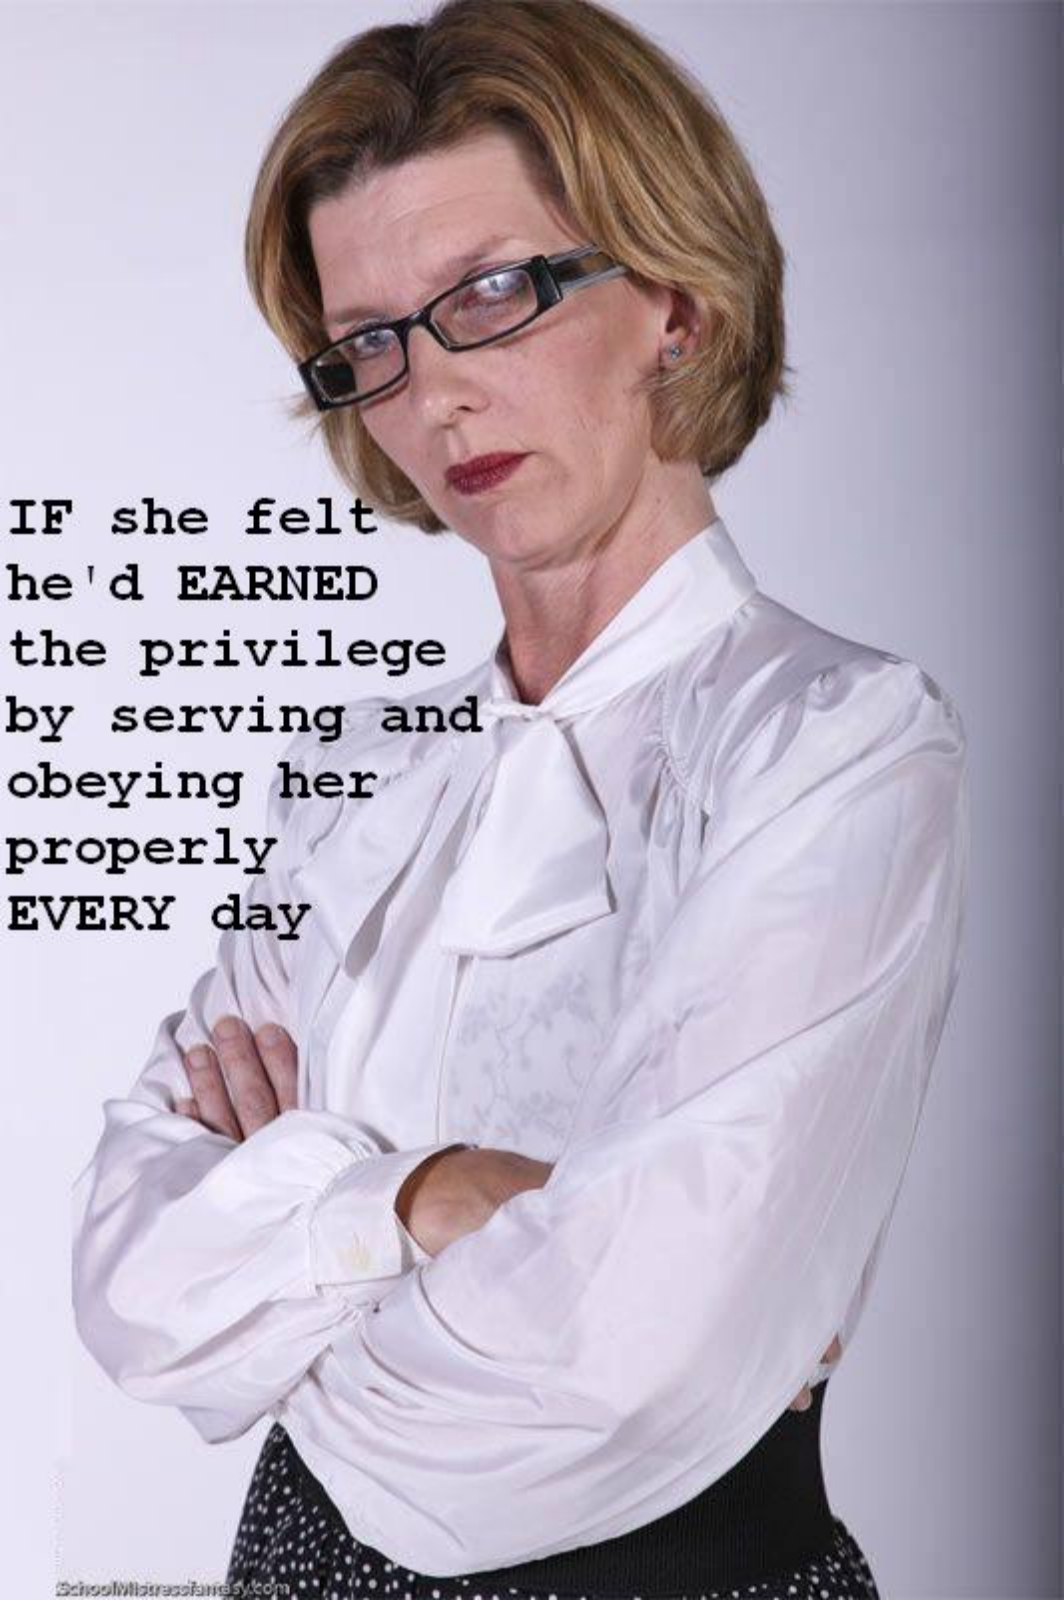

You can do
what I TOLD
you or suffer
for ANOTHER
week Tom,
because I
MEANT it when
I told you

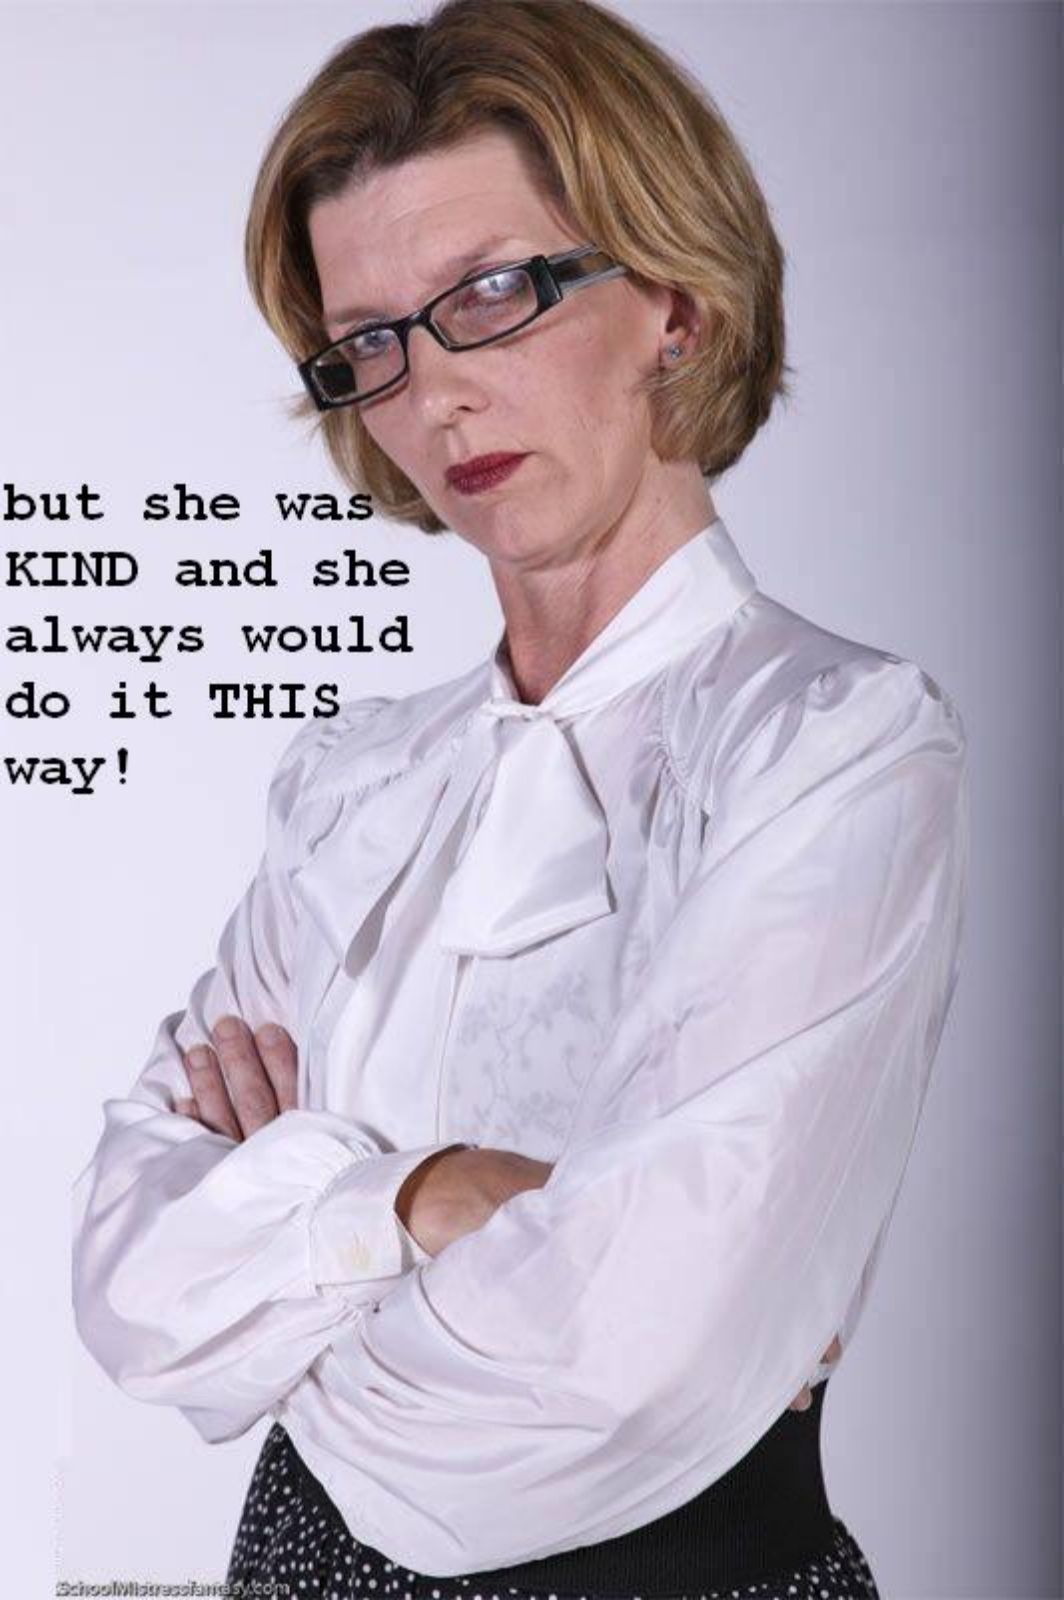

"I Am NOT Like My Mom!"

My Mom
used to keep
my Dad always
submissive
and meek by
allowing him
to cum only
ONE time each
week

IF she felt
he'd EARNED
the privilege
by serving and
obeying her
properly
EVERY day

but she was
KIND and she
always would
do it THIS
way!

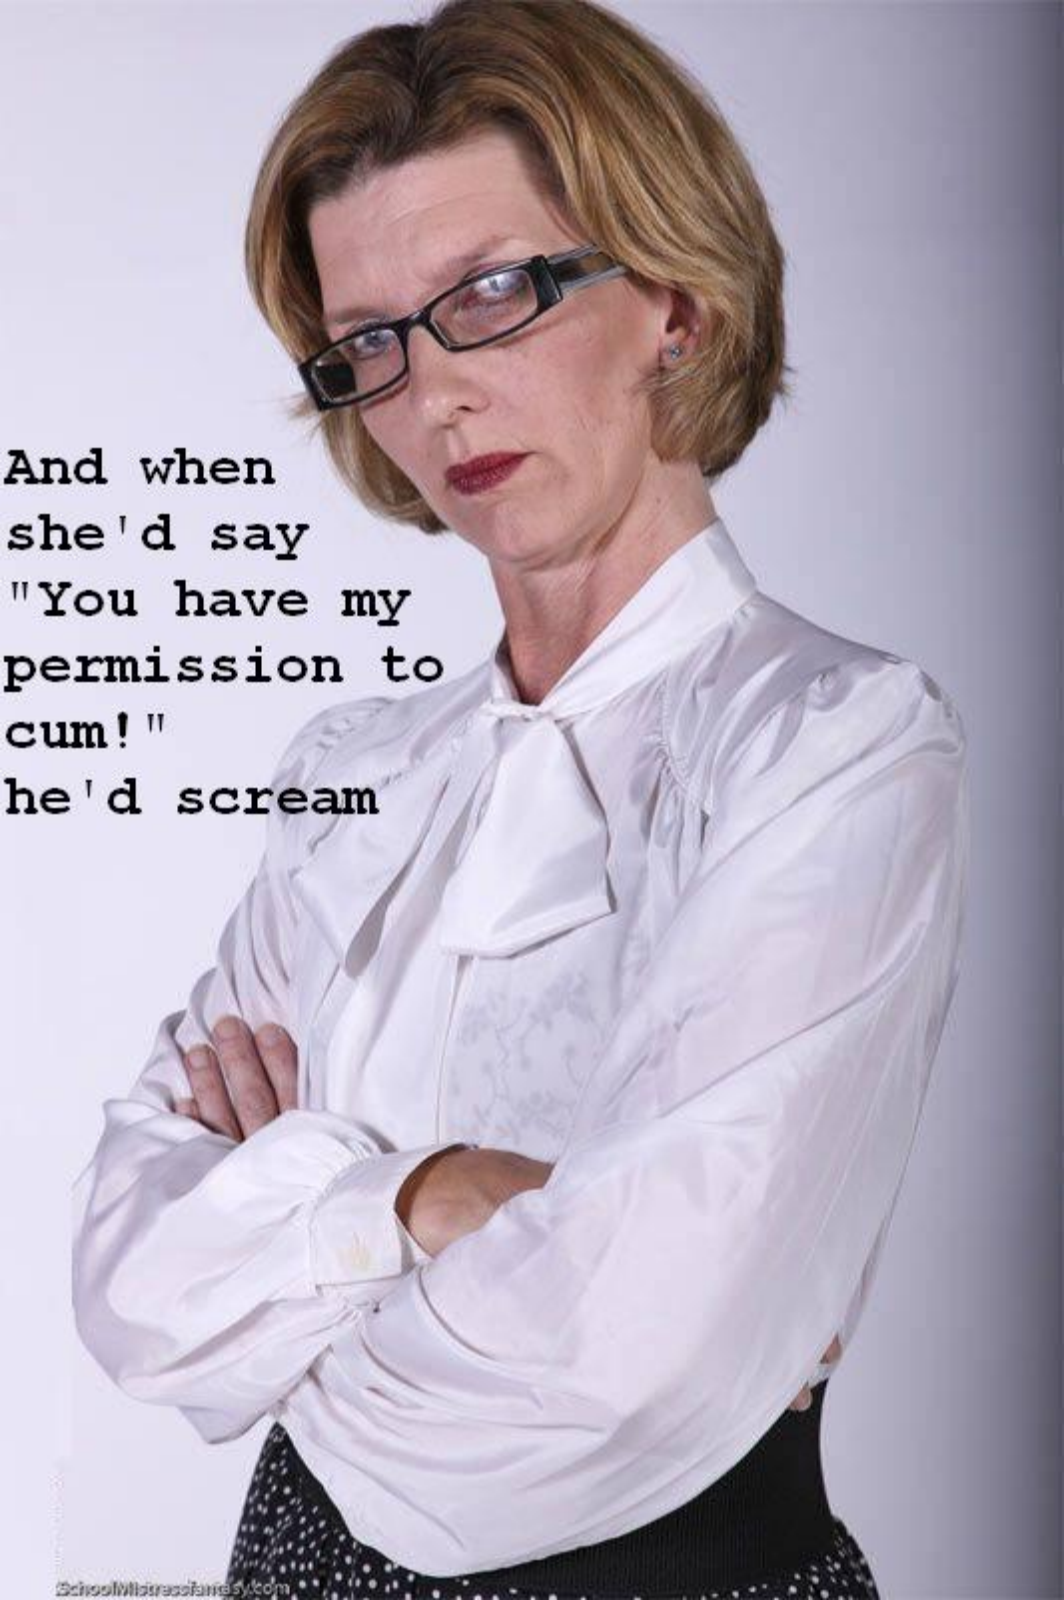

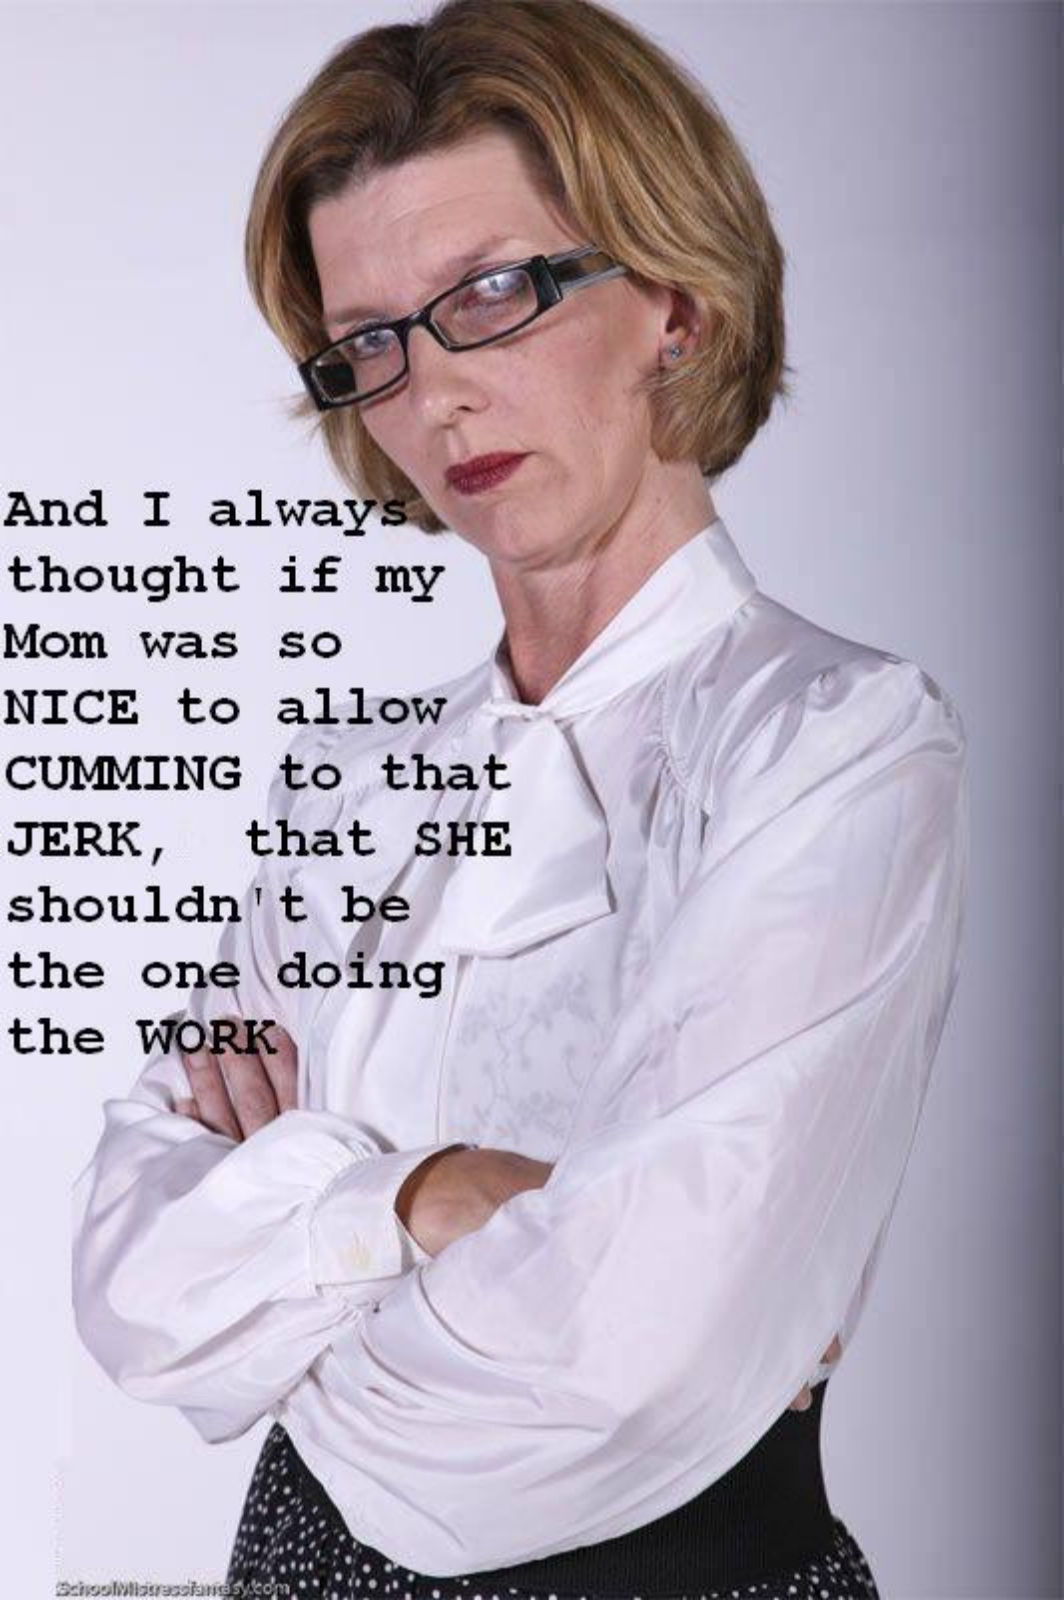

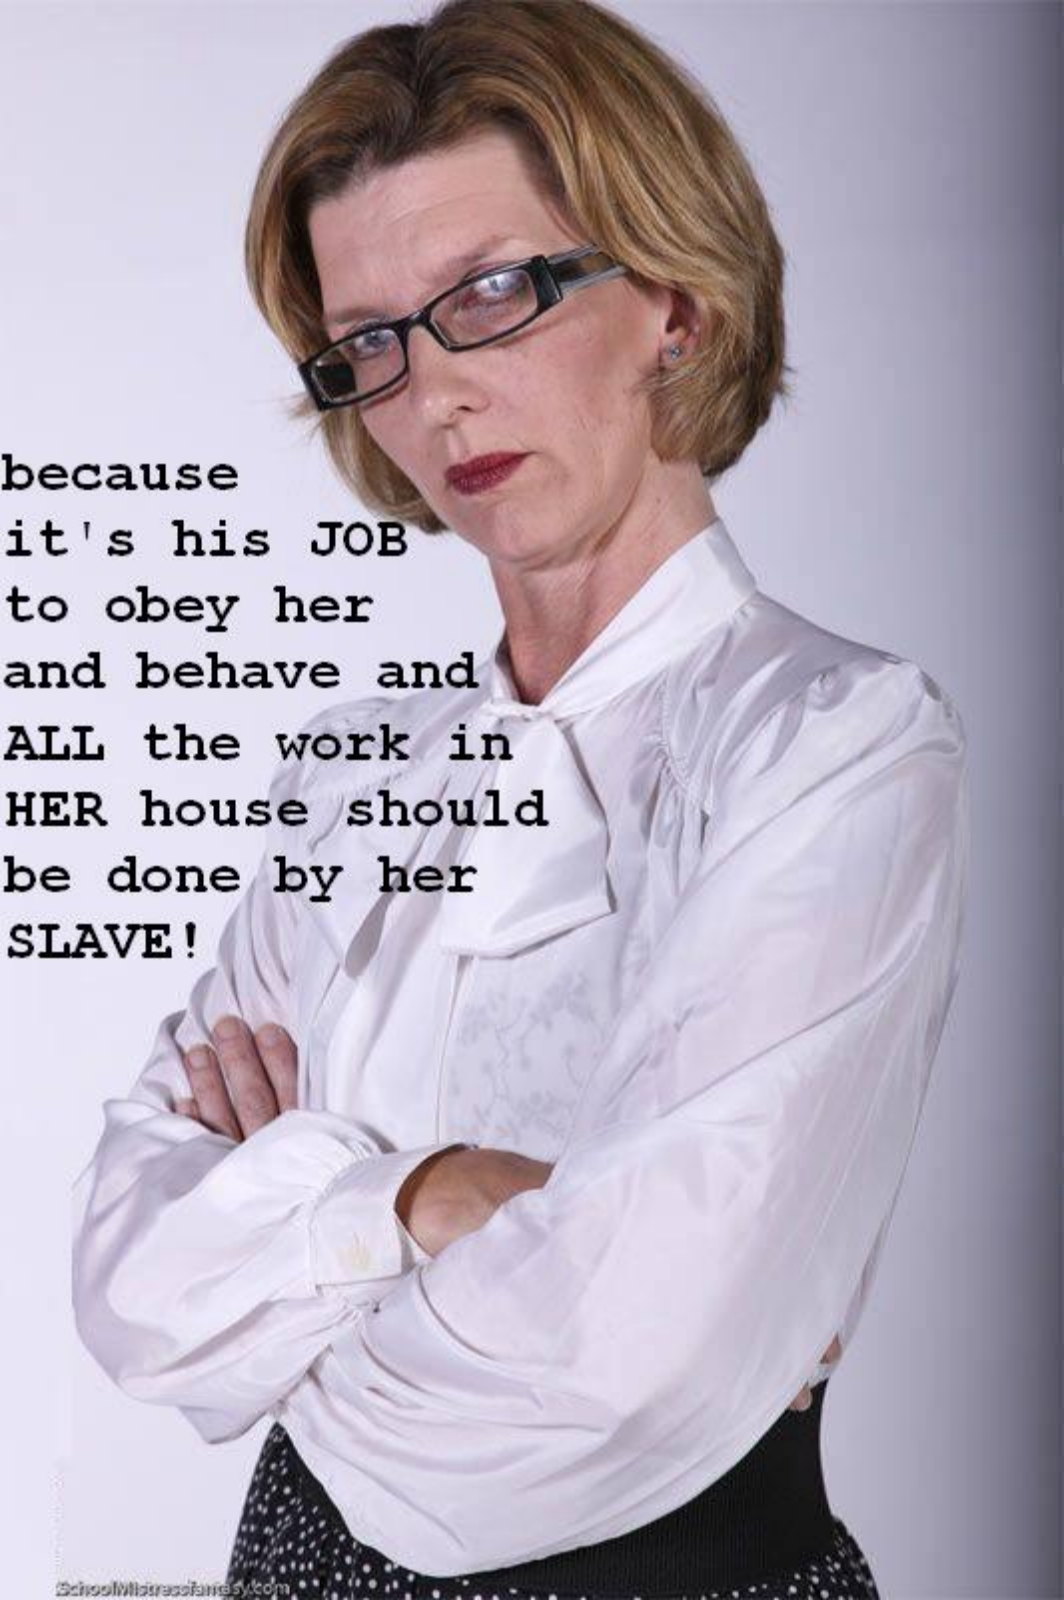

And when
she'd say
"You have my
permission to
cum!"
he'd scream

A woman with short brown hair and red-rimmed glasses is sitting on a purple surface. She is wearing a green and black striped tank top. She holds a pink vibrator in her right hand and a clear plastic cup in her left. She has a pained or disgusted expression on her face. The background is a dark wall with two light switches, each labeled '33'.

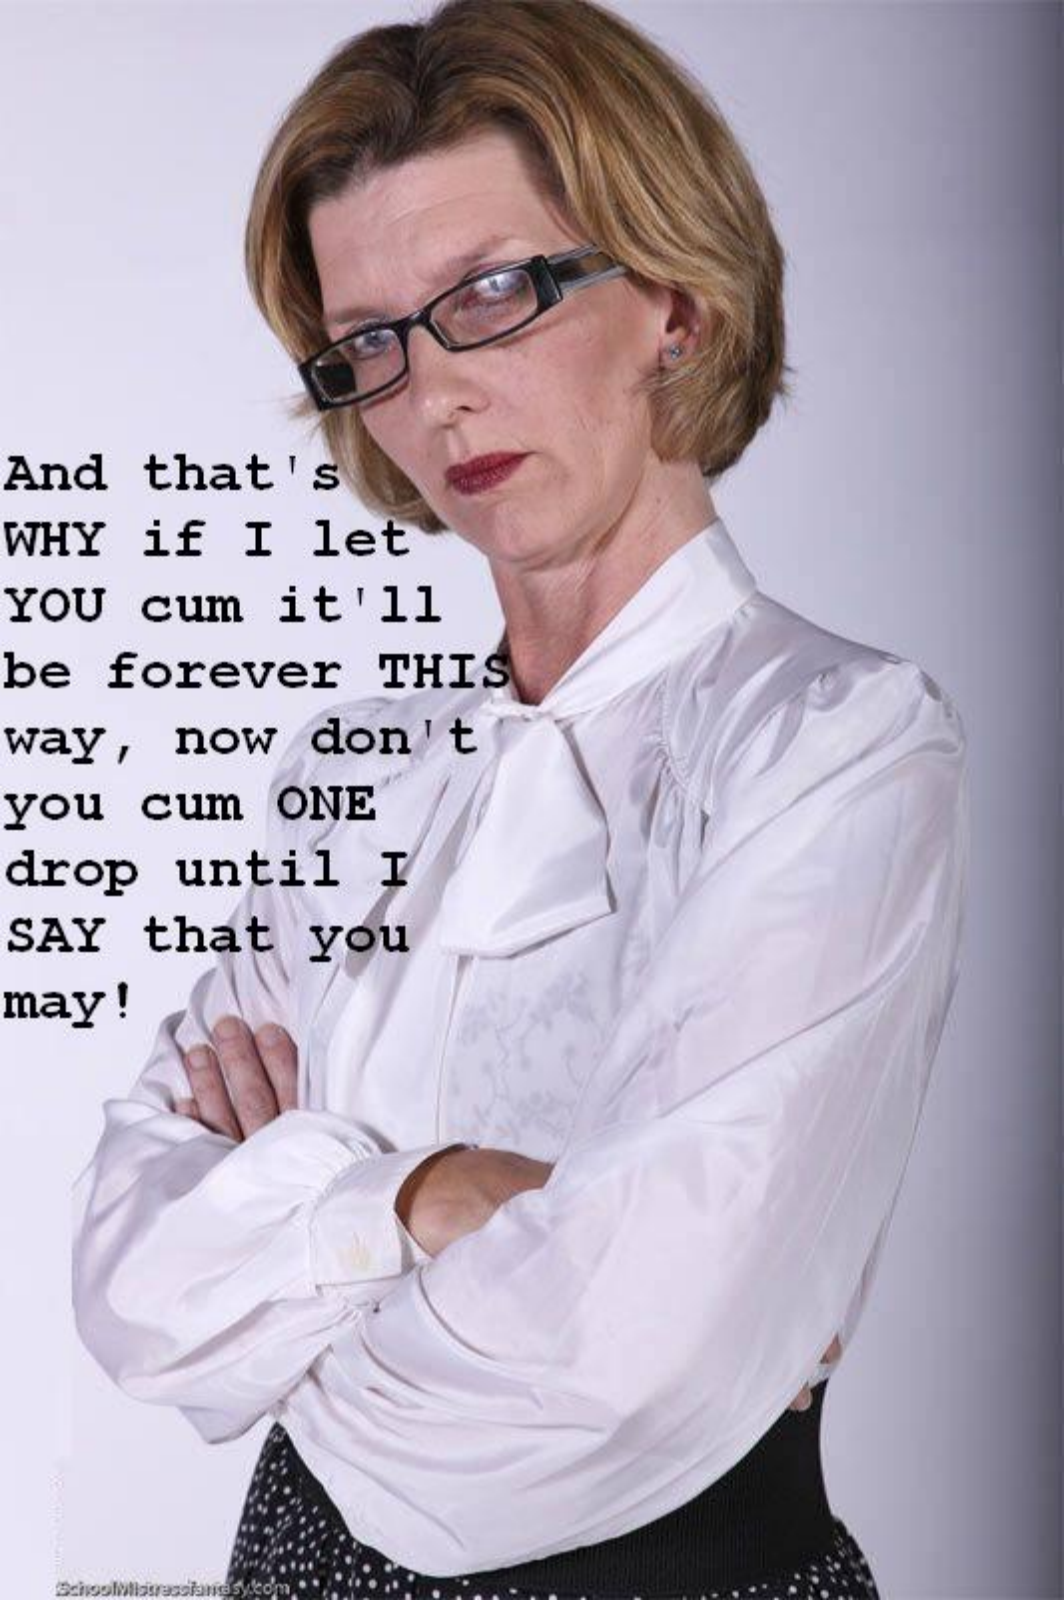

**THANK YOU
MISTRESS FAYE!**

And I always
thought if my
Mom was so
NICE to allow
CUMMING to that
JERK, that SHE
shouldn't be
the one doing
the WORK

because
it's his JOB
to obey her
and behave and
ALL the work in
HER house should
be done by her
SLAVE!

And that's
WHY if I let
YOU cum it'll
be forever THIS
way, now don't
you cum ONE
drop until I
SAY that you
may!

YES MISTRESS!
