

She may be mean and treat us cruel
but we'll stay her submissive fool
and live our lives in Fem Dom bliss
gladly saying "Yes Mistress"

Slave,

you may
think my
heart's

as BLACK
as coal,

but

"There's A LITTLE Good"

inside
my soul!

You may
get on
your
KNEES

and COME,
asshole!

"YES MISTRESS!
THANK YOU MISTRESS!"

OK slave,
that's
FINALLY
the END

of ANOTHER
month
of you
holding
MY come,

and then
GIVING
it to me,

the way
I want
it done!

Now follow
me to my
bedroom

where
you'll
spend
the REST
of the
day

with your
mouth
between
my legs

saying
thanks
the RIGHT
way!

"YES
MISTRESS!"
