

Here's a very short story
to which you may relate
about one of those times
with your Mistress
you BOTH thought was great

I told him
that I wanted
him

to come
in my room,

and he said "
Yes Mistress!"

"And Then BEGGED Me"

Please give me
permission to
come REALLY
soon?

Oh God,
PLEASE
Mistress?

And the END
of this story

was QUITE
happy for
him,

and now he's
thanking me
the RIGHT
way!

Aren't you
Jim?

**YES
MISTRESS !**
