

Before you offer her your balls
and get down on your knees
ask what HER idea is
of the slave you SHOULD be!

She put my manhood
under her lock
and key

and said "slave,
you will hold ALL
of your come for
me

until you're the
slave I really
WANT you to be!"

So I tried HARD
for the first month,
then the SECOND
month went by,

and at the end of the
THIRD month,
I wanted to cry!

And though I KNEW that
for bothering her,
she'd punish my ass,

at the end
of the **FOURTH**
month

"I Just HAD To Ask"

"Mistress?
How will you KNOW
with a submissive
male like me,

when I'm REALLY the
slave that you WANT
me to be?"

"A slave who'll WANT
to be kept naked and
down on his knees,

to obey YOU and
serve YOU for all
eternity?"

Well slave,
I will
KNOW it

and YOU'LL
know it too,

when you
BEG me to
take you

to see
Doctor
Sue,

and beg
ME to
accept

THIS gift
from YOU!

SNIP!

And it may
take six
months,

or it may
take six
YEARS,

but you'll
STAY in
that thing

until
THAT'S
what
I hear!

And
when you
FINALLY
decide

to THAT
fate to
resign,

I'll let
you OUT
of that
thing

and let
you COME
one last
time!

"Thank You,
Mistress!"

You're
WELCOME,
slave!

And now the end
of my hope,
it is getting
quite near,

because last
Saturday marked
my not coming
for two years!

And although
I don't WANT
to, it's most
likely true,

that I'll want
to see Doctor Sue
before THIS year
is through!
