

Let's all get on our knees naked  
and bow to Mistress Gayle

before giving her all our  
attention as she tells us a tale

There once was a  
slave who wanted  
to come REALLY  
bad

so he pestered his  
Mistress and made  
her SO fucking mad

that she put him  
in his "Humbler"  
without a SECOND  
to miss

and said  
"I DARE you to  
COME, slave!"  
and made him

**"Do THIS!"**

And at the end  
of two hours of  
DENIAL and very  
silent RAGE

I took his  
"Humbler" off and  
I LOCKED him, back  
IN his cock cage!

SO!

Did you LIKE  
that story,  
slaves?
