

It's hard when she makes me be naked  
on my knees

and know it's HER I must obey and HER  
I must please

It's HARD  
when I keep  
him naked  
like this

and I make  
him serve  
and obey me

and address  
ME as  
"Mistress"!

A black and white photograph featuring a woman sitting on a woven chair. She is wearing a black sleeveless dress with a decorative belt, dark sunglasses, and a fine mesh veil over her face. Her hands are clasped in her lap. To her left, a man's hand is resting on her shoulder. He is wearing a patterned handbag. The background is bright and out of focus.

Ooooh YES!

It's VERY

**"Hard!"**

It's hard  
when I keep  
you naked  
like this

on your knees  
and you're MY  
slave and I'm  
your MISTRESS,

ISN'T it,  
slave?

Yes  
Mistress!

And it gets  
even **HARDER**  
as the days  
and weeks  
pass

as I do  
what I WANT  
with your  
submissive  
ass,

DOESN'T it,  
slave?

Yes  
Mistress!

And it gets  
harder STILL  
when I'm a  
cock teasing  
cunt

and I forbid  
you to come  
but just ONE  
time each  
month,

DOESN'T it,  
slave?

Yes  
Mistress!

Oh yes it IS  
hard slave,  
but I d0  
have to say

it keeps you  
VERY obedient  
being this  
way,

DOESN'T it,  
slave?

Yes  
Mistress!

And just the  
THOUGHT of  
you naked on  
your knees  
like a martyr

for the REST  
of your LIFE  
with me

is making it  
get even  
HARDER,

ISN'T it,  
slave?

Yes  
Mistress!

Yes, it's  
HARD being  
my slave,

DAY  
after  
DAY,

and except  
for that ONE  
time each  
MONTH,

it's  
STAYING  
that way!

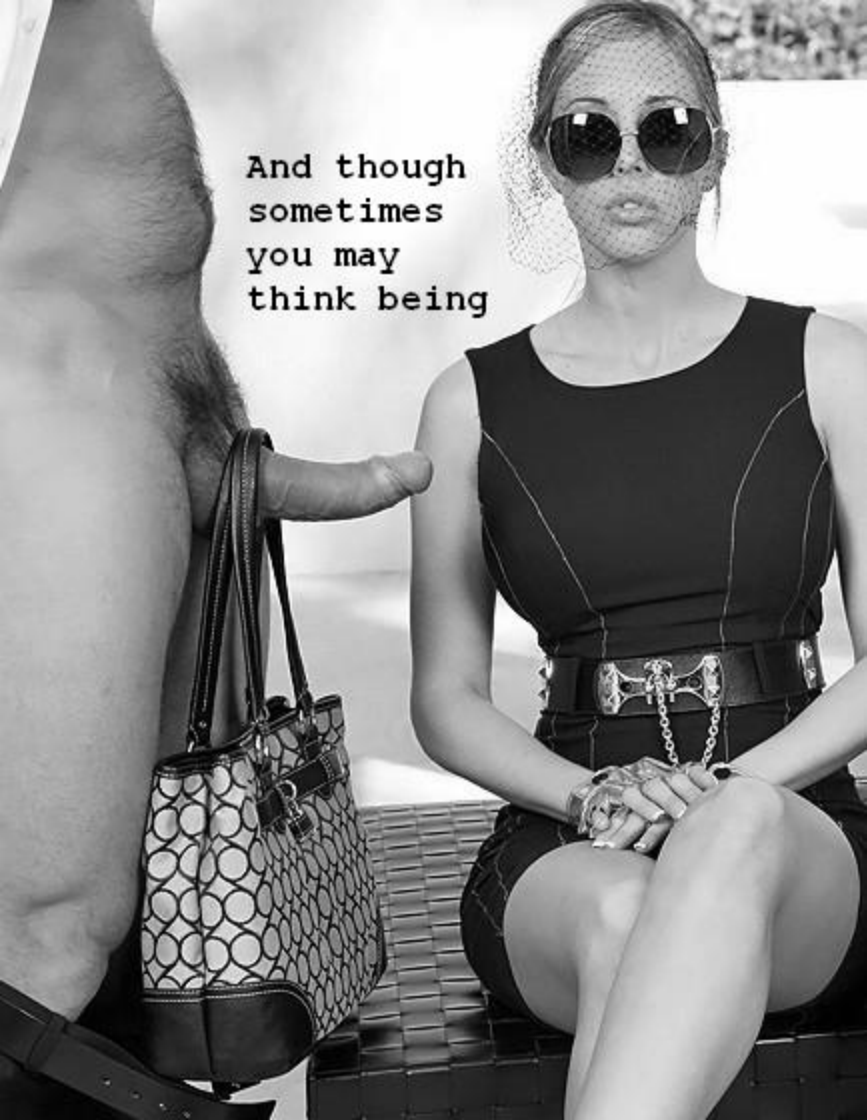

ISN'T it,  
slave?

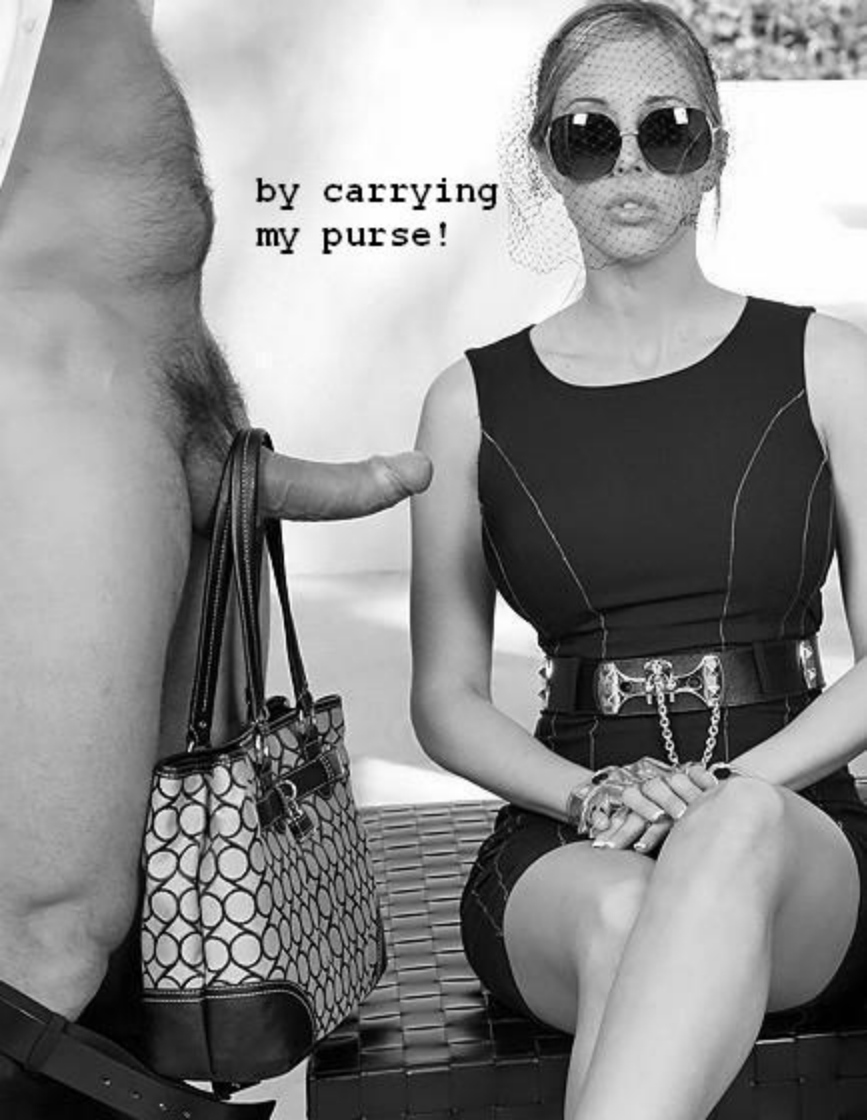

And though  
sometimes  
you may  
think being

eternally  
HARD for  
me's a  
CURSE

it really  
excites you  
**SERVING** me

by carrying  
my purse!

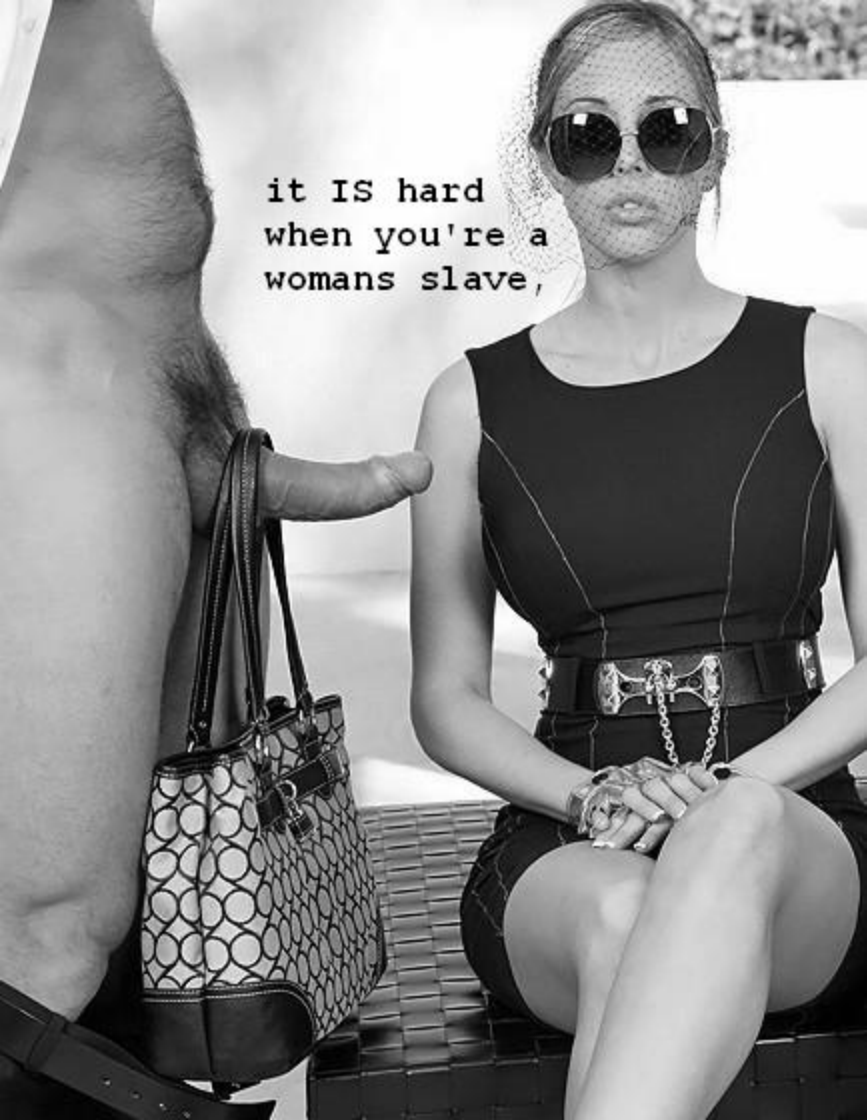

DOESN'T it?

**YES  
MISTRESS!**

Yes,

it IS hard  
when you're a  
womans slave,

ISN'T it?
