

This is a story about a Woman who more than ANY orgasm enjoyed just relaxing and seeing

how hospitable to her guests her slave boys were being!

Once upon a time
in a land you've
often WISHED you
LIVED in today,

Mistress Claire
had two Girl
friends named

SARAH!

and
FAYE!

and BOTH of
these Ladies
have something
to say!

A photograph of two young women sitting on white, modern-style chairs. The woman on the left has long brown hair and is wearing a black, sleeveless, form-fitting dress with a gold bracelet on her right wrist and black high-heeled shoes. The woman on the right has blonde hair and is wearing a black, sleeveless, form-fitting dress with a long necklace and black high-heeled shoes. They are both looking towards the camera. The background is a simple indoor setting with a brown wall and a lamp.

BOTH
of us
LOVE

going
over to
CLAIRE'S,

A woman with blonde hair, wearing a white long-sleeved blouse and black pinstriped overalls, stands in a room. She is looking towards the camera with a serious expression. Her right hand is resting on the head of a man in the foreground who is bowing his head. Another man is visible behind him, also bowing his head. Both men are shirtless and wearing black collars. The room has a window with a wooden frame on the left, several framed pictures on the wall, and a chair with a green seat on the right. The text "because I ALWAYS let them sit in" is overlaid in the center of the image.

because
I ALWAYS
let them
sit in

"Their Favorite Chairs!"

The End

And we
sat
there
for
HOURS

enjoying
orgasm
after
orgasm

as we
made
small
talk
with
Claire

and
leisurely
sipped at
our wine!

And
GOD
it was
GREAT!

We had a
WONDERFUL
time!

And
THEY
enjoyed
doing
what
THEY
do SO
well,

DIDN'T
you
slaves?

YES
MISTRESS
ADELE!

YES MISTRESS—
ADELE!

And
I sat
there
WATCHING
it,
and GOD
it felt
SWELL!

Oooh YES!
REALLY
swell!
