

Who IS to say what torture is,
there's MANY kinds, oh yes gee whiz.
And you would swear on bible's tall
that YOUR strict Mistress knows them ALL.
So kiss her feet and then rejoice
when she lets you have YOUR choice!

DAMN it
slave,

I TOLD you
to put a
clean pair
of panties
in the
bathroom
for me,

DIDN'T
I?

"Yes Mistress!"

"I was dusting
your living room
and I forgot to
do it, Mistress!"

"I'm sorry
Mistress!"

You
FORGOT?

Well you
SURE didn't
forget to
beg me to
let you
COME for
me last
week,

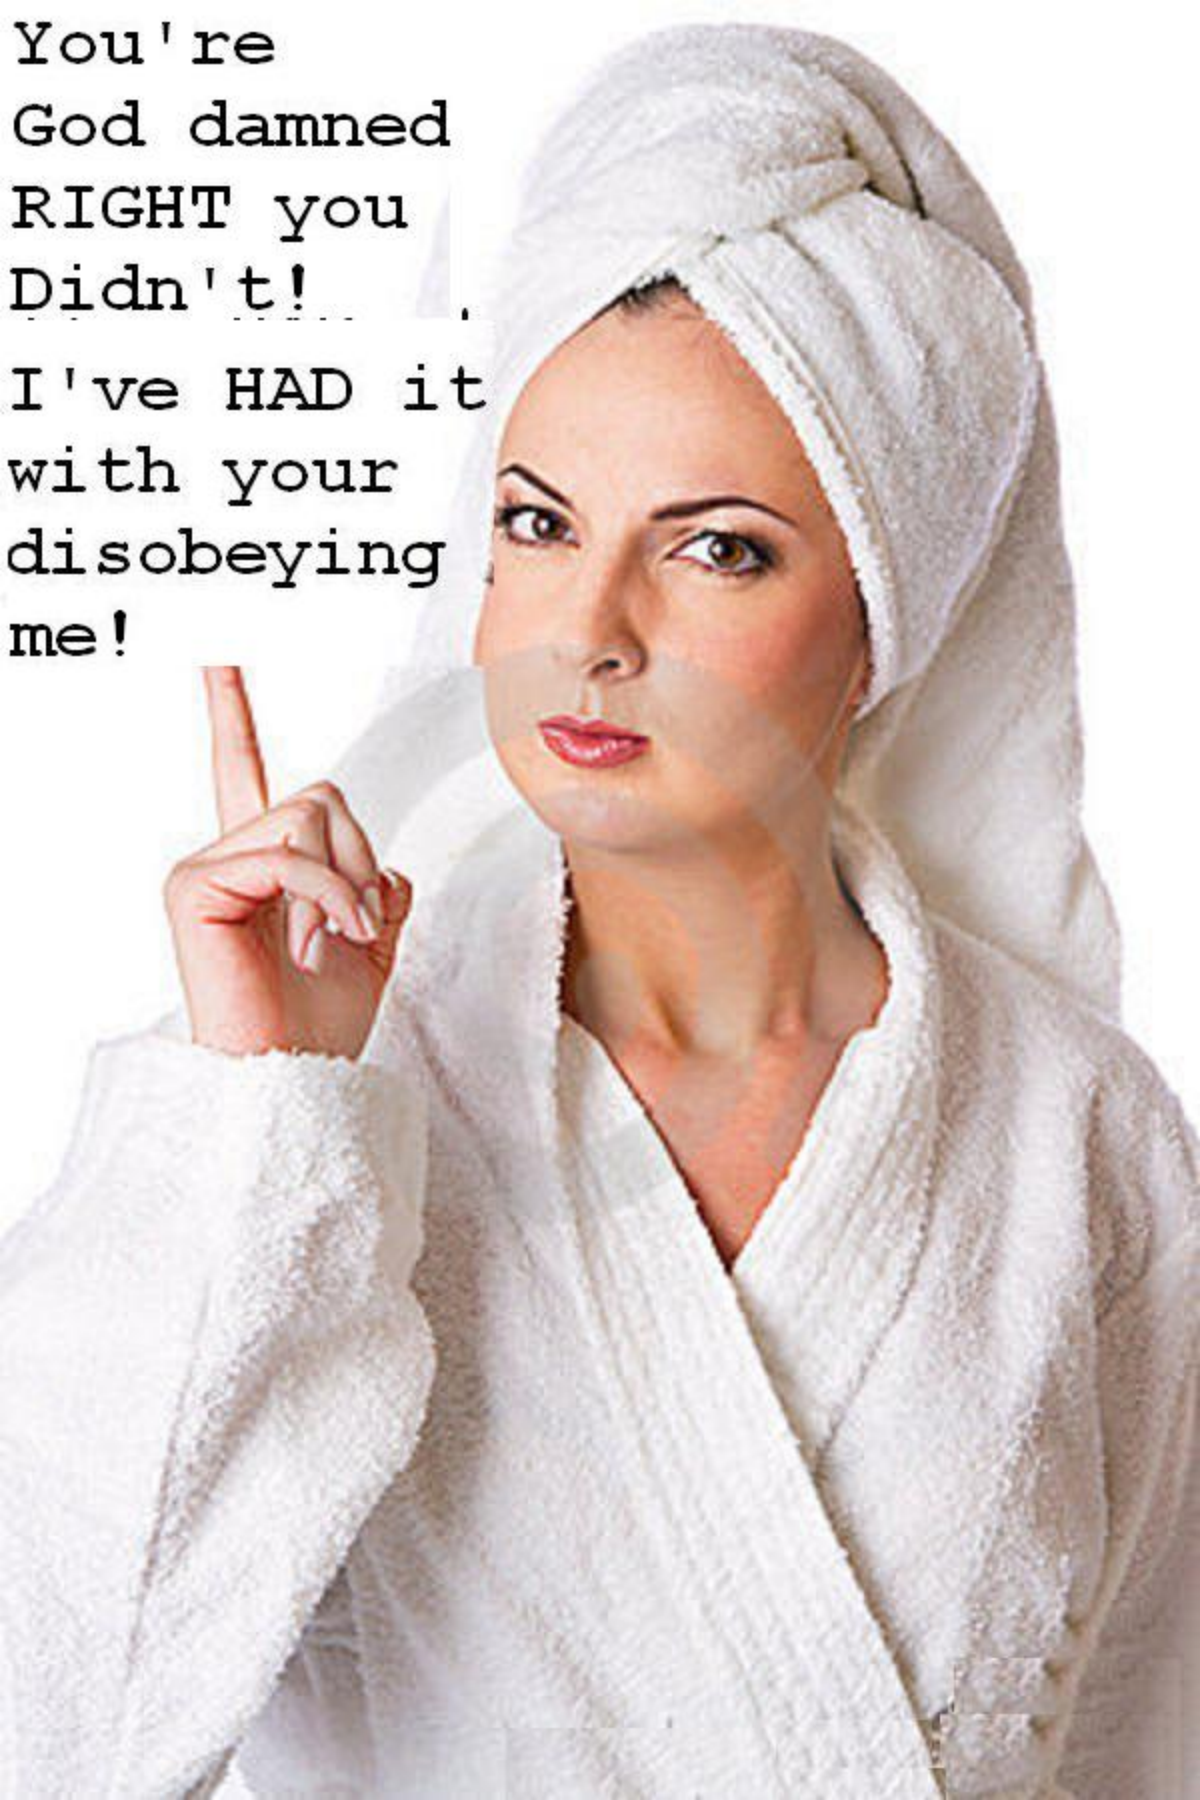

DID you,
slave?

"No Mistress!"

You're
God damned
RIGHT you
Didn't!
I've HAD it
with your
disobeying
me!

Get your
balls tied
TIGHT in
the ribbon
for me,

then bring me
my belt so
I can give
your ass
twenty five
HARD
lashes
with it!

"But that's
TORTURE, Mistress!"

"Can't you punish
me some OTHER way?"

"PLEASE
Mistress,

"Don't Torture Me?"

You
know
what
I tell
MY
slave,

when
HE
asks
ME
that?

Huh?

TORTURE?

If you
think
that me
tying
your
balls,

as
TIGHT
as I
CAN,

in one
of my
hair
ribbons

for a
couple
of
hours,

and whipping
your
disobedient
ass with my
BELT

is
TORTURE,

then
what do
you think

me
getting
naked,

and making
you stand
there
jerking off
for me

for HOURS,

EVERY fucking
night,
for a whole
MONTH,

WITHOUT
being allowed
to COME,

is?

Hmmm?

THAT girls,
is what I tell
MY slave!

Now go ask YOUR
slave if he'd
rather do THAT!

Well?
What's your
ANSWER,
slave?

A man with short brown hair is kneeling on a light-colored wooden floor. He is facing right, looking down. He is wearing a black collar around his neck. A red blanket with a black pattern of circles and lines is draped over his back and legs. The background is a plain white wall.

"May I go get
you the ribbon
and your belt
now, Mistress?"

Good CHOICE
slave! And
he's lucky
his Mistress
was KIND and
GAVE him a
choice!
ISN'T he?

YES
MISTRESS!

But I'm not
KIND so it's
going to be
a LONG and
HARD month
for YOU,
isn't it
Honey?

YES
MISTRESS!

You're God
Damned
RIGHT it
is! Now
start
jerking off
for me!

YES
MISTRESS!
