

Dominant women all will say

They want a male to obey.

To kneel naked and be dumb

While living underneath her
thumb.

And so they'll train us night and day

so we do everything their way.

In rain and snow and sleet and fog

We will obey them like a dog.

And they'll have a submissive mate

When we finally graduate.

Obedience will be the rule

Or they'll send us back to school!
