

She made me build her a "PLAY" room  
sound proofed and equipped

where SHE could have FUN and I could  
be whipped

without anyone hearing my BEGGING  
and my loud cries of pain

as she brought her whip down upon  
me again and again

OH GOD PLEASE!  
NOT AGAIN  
MISTRESS!  
PLEASE!

Save your begging  
for mercy for a  
Woman who CARES!

I want to have FUN  
in my new "PLAY"  
room,  
so follow MY ass

**"Upstairs!"**

And now it's  
the END of ALL  
hopes for mercy!

A photograph of a man in a red room, suspended upside down by a large black cross-shaped structure. He is wearing black restraints on his wrists, ankles, and waist. The room has a red wall and a patterned carpet. In the background, there is a wooden chair and a rack of various tools or weapons. The text "And I mean ALL hopes!" is overlaid on the image.

And I mean  
ALL hopes!

OK! I think  
I'll START with  
a PADDLE!
