

You may not want to show this story
to your dominant Girlfriends or
Wives my Dears

because it may give them some some
very useful ideas!

Girls,
save your
money, you don't
have to buy
whips and
paddles and
things LIKE
them online

some simple
things in your
home will work
REALLY fine!
SERIOUSLY!

I mean who'd
ever thought
that a sweet
Girl like
Dianne'd

discipline her
slave/husband
with something
as SIMPLE as a
corner in her
bedroom

"And A Small Rubber Band?"

Honey?

motion
elements

motion
elements

YES MISTRESS?

Do
they
HURT?

motion

OH GOD YES
MISTRESS!

How
BAD do
they
hurt?

THEY HURT ALOT
MISTRESS !

Good! Let's see how
badly they hurt when
I ask you again in
ANOTHER two hours!

Now stop annoying me
with your crying and
sobbing so I can relax
and enjoy a pleasant
evening reading my book!

YES MISTRESS!

And so SHE kept
on READING and
ENJOYING her
time

while HE knelt
in the corner
with his balls
in a small
rubber band

SILENTLY
sobbing and
crying!

Ooooh YES,
those simple
things WORKED
Girls!
Oh NO, I SURE
wasn't lieing!

WAS I?
