

May I ask a question?

Can you answer it please?

Did Mistress KNOW how badly her
slave wanted the release

that she allowed him to have only
ONE time each week?

Ooooooh,
she KNEW
how badly
he wanted
to come,

and as his
MISTRESS she
knew it alot
BETTER than
some

OTHER
Women who's
husbands
WEREN'T
submissive
and meek

and were
allowed to come
MORE than just
ONE time each
week!

And it made her
SO horny that
she took him
to bed

and while having
her way with
him **QUITE**
sternly said

"Don't You DARE"

to have your
balls tied
REALLY tight
in a bow

Now

"YES

And that HOUR
of intercourse
left HER
satisfied,

and HIM doing
the ironing
while he CRIED
and he CRIED

because his
"Come day"
for THIS week
had not yet
arrived!

So the
moral of
this story,
I'm sure
you'll
agree,

is if she makes
you wait a WEEK
for release,
you'll wait
OBEDIENTLY!

Won't you?

**"Yes
Mistress!"**

You're God
Damned
RIGHT you
will!

Now go do what
you were TOLD
to do!

**"Yes
Mistress!"**
