

"Mistress I know I deserve to be  
punished but Mistress your belt's

gonna hurt really bad and leave  
those painful red welts!

I know discipling me with your belt  
is one of your favorite ways

the last time I couldn't sit down  
for a couple of days!

Oh God PLEASE Mistress! PLEASE  
Mistress I'm BEGGING Mistress Faye

can you punish me THIS time in some  
DIFFERENT way?"

Well, I'll tell you  
the story about my  
Girl friend Elaines  
very WELL thought  
out plan to  
punish HER  
constantly  
disobedient  
man!

She didn't use  
any paddle or  
belt but she  
was still a  
very CRUEL  
fucking CUNT

who didn't  
let him cum  
one fucking  
DROP for  
OVER a MONTH,

and he  
BEGGED "OH  
GOD PLEASE  
LET ME CUM?"  
as he knelt  
naked on her  
bedroom  
floor

and he found  
out just  
WHAT she'd  
been keeping  
all her

**"Stuffed Animals For!"**

BADCONTROLS

Now make yourself cum  
or I'll make you wait  
over ANOTHER month!

YES  
MISTRESS!

And you know, if  
you think about  
it, it kinda was  
quite HUMANE.

He really  
didn't  
suffer any  
PHYSICAL  
pain,

but although  
he won't  
have any  
welts from  
her belt  
raining down  
PAIN,

he'll  
suffer MUCH  
harder and  
for ALOT  
longer,  
WON'T he  
Elaine?

**YEP! Because I'm  
sending ALL of these  
pictures to EVERYONE  
including his EX wife  
Lorraine!**

And she kept  
taking pictures  
as he kept  
trying so  
desperately  
to FINALLY  
cum!  
Sooooooo,

TELL me,  
which way do  
you want me  
to PUNISH  
you Hon?
