

Oh Yes they are so beautiful, the women
every one

who put you down upon your knees
to live under their thumb

but there is an important fact I feel
that I should share

one thing about some women is

they don't LIKE it when you just STARE

Yes,
they look
SO fucking
beautiful

when you look
up and see
them there,

but take my
advice Son,

"Try Not To Stare!"

What the
Hell are you
STARING at,
slave?

A low-angle, close-up shot of a blonde woman. She is looking downwards with a serious, somewhat somber expression. Her top is open, revealing her breasts. The background consists of a white, grid-patterned ceiling, suggesting an indoor setting like a hallway or office. The lighting is soft and even.

"NOTHING
MISTRESS!"

You've been
staring at
my TITS!

Are my tits
NOTHING,
slave?

A low-angle, close-up shot of a blonde woman. She is looking downwards with a serious, somewhat stern expression. Her top is unbuttoned, revealing her breasts. The background consists of a white, grid-patterned ceiling. The lighting is soft and even.

"NO MISTRESS!"

NO! And you LOVE
staring at them
and EVERY
night

you stare up at
them while you
kneel naked at
my feet

with a throbbing
erection for at
LEAST twenty
minutes

instead of kissing
my feet and my
pussy like you
SHOULD be
doing!

Do you LIKE
my tits,
slave?

"YES MISTRESS!"

Do they
AROUSE
you,
slave?

"YES MISTRESS!"

Well
slave,

you won't
have THAT
problem
anymore,

WILL
you?

"NO MISTRESS!"

"NOOOOOOOOOOOO!"

"NOOOOOOOOOOOOOOOOOOO!"

And that's the
story of how MY
Wife/Mistresses
best Girlfriend
Chris

made sure HER
slave/husband
paid attention
to HER needs
instead of just
staring at her
TITS!

And after she read
me this story I'm
GRATEFUL that
MY Wife/Mistress

made ME stop
staring at her tits
and pay attention
to her NEEDS
by locking ME up
for a LONG time
securely in THIS!

**THANK YOU
MISTRESS!**

Oh my God
THANK YOU!
