

If you can relate to THIS story,
I offer my sympathy TRULY to you

because to me, just change her name,
and this story is TRUE!

Once upon a time
there was a VERY
strict Mistress
who OWNS me I
address as
"MISTRESS"
Kaye,

who LOVES giving
me THIS order
that she KNOWS
will be VERY
VERY VERY

"Hard For Me To Obey!"

Keep your disobedient ass
UP slave, JUST like it IS,
and I better not hear ONE
fucking SOUND out of you!

The End

And now that she's
FINISHED and I
have to stay in
the corner like
this for the
REST of
the day,

while she's gone
to visit her
Mother,
I can
FINALLY say

OW!
MOTHER FUCKER
THAT HURTS!

OH MY GOD IT
HURTS BAD
MISTRESS KAYE!

OW!

OW!

OW!
