

You get SO hard it isn't fair  
helping the girls out with their hair,  
and you'll get harder without fail  
when you help them do their nails.  
Yes, you're in heaven when they sit  
and make you get the make up kit,  
But there are things, you MUST admit,  
it's best that you DON'T help them with!

My little thing  
rises in the air  
when my Mistress  
tells me

Brush  
my hair!

or when I have to  
iron her clothes  
or file and polish  
the nails on her  
hands and toes!

And it stays this way up in the air when I hand wash her bra and under wear, and be her personal slave ALL night and clean her house and clean it RIGHT!

And except for  
SOMETIMES when  
she makes me  
YELP

he  
really  
IS

**"Happy To Help"**

Did you
