

She'll make sure he won't come

for WEEKS without end

If you think THAT'S his
punishment

I suggest you think once
again!

She doesn't
USE belts or
whips when HE
misbehaves,

she has a
MUCH better way
of punishing
HER slave!

First she locks
him in THIS

for WEEKS
without end,

before making
HIM spend an
evening

"Entertaining Her Friends"

"Please don't make
me do this in front
of your friends,
Mistress!"

"Oh God Mistress,
PLEASE!"

Let me put
it THIS
way slave,

they can
either watch
you jerking
off for me,

until they
go home,

without
COMING,

or they could
watch me whip
the SHIT out
of you,

until they
go home,

without
MERCY!

So decide what
you want them
to WATCH!

A man is lying on a dark-colored couch, shirtless and with his head tilted back. He is surrounded by three women. One woman is sitting on the left side of the couch, another is sitting behind the man, and a third is sitting on the right side of the couch. The woman on the right has her legs crossed and is looking towards the man. The woman behind the man has her hands on his chest. The woman on the left is looking towards the man. In the foreground, there is a wooden coffee table with a white mug and a glass of water. The background is a plain, light-colored wall.

"Yes
Mistress!"

And they stayed
for a LONG time
and he STILL
hadn't come,

and I don't
think he'll
want to disobey
HER again

And he'll do
what she WANTS

and he'll do
what she SAYS,

after she puts
him back
IN this

for a couple
MORE days!

WON'T
he?
