

"As long as you're down there
kneeling naked for me

I'll tell you a story about
a Woman who with I agree!"

Once upon a time a
new dominant Wife
took her new slave
husband to task

and taught him
there's a certain
thing

"He NEVER Should ASK!"

A woman with long, dark hair is sitting on a wooden chair. She is wearing a silver, sequined bra and a blue skirt. She is holding a wooden back massager with several circular indentations. The background is a dark green wall.

Did that
HURT Honey?

OH GOD
YES
MISTRESS!

GOOD!
I WANTED
it to!

A woman with long, straight black hair is sitting on a wooden chair. She is wearing a silver sequined bra and a blue skirt. She is holding a wooden paddle with several holes in it. The background is a dark green wall.

And the NEXT
time you do
it I'm going
to paddle
your ass
HARDER and
for ALOT
longer,

and I'll keep
paddling
your ass
until you
finally
LEARN not to
DO it!

I'M SORRY
MISTRESS!
I'LL NEVER
DO IT AGAIN
MISTRESS!

You BETTER
not!
Now DO what I
TOLD you to
do and get
USED to DOING
it!

You're going
to be doing
it as long
as we're
together and
as long as
you're still
living in MY
house!

YES MISTRESS! I'LL NEVER ASK
YOU FOR SEX EVER AGAIN
MISTRESS!

And that was HIS
sex life for the
REST of his life

and THAT was only
allowed IF he properly
obeyed and served his
dominant Wife!

And SO slave like I
told you, with HER
I agree,
now what do YOU
think YOUR sex life
will be?

WHAT EVER YOU
WANT IT TO BE
MISTRESS MARIE!

Ooooooh
YES!
