

This is a story about what goes on
DEEP inside

when a Woman
destroys the
LAST vestiges

"Of Your Male Pride"

when she
does this
OUTSIDE

or she always
makes you do
THIS instead
of being
INSIDE!

And how do you
feel when she
does THIS to
your ass,
when you're
dumb enough to
give her any
backtalk or
sass?

and she does
it really
HARD without
ANY lube,
while she's
streaming it
live to her
fans on
U tube?

And I can
IMAGINE how
it feels not
cumming for
a month,
and having
to do THIS
every day of
that month
to her
insatiable

And I'll
bet your
humiliation
has NO
fucking ends
when she
makes you
do THIS

in front
of her
friends!

And as you
kneel **NAKED**
in front of
her,
the way her
SLAVE should,

what goes on
DEEP in your
SOUL
that makes
it feel
so GOOD?

Please tell
me slave?
Please TELL
Elenore?
It can't BE
male pride,
you don't
have THAT
anymore!

DO you?

WELL? what
are you
WAITING
for?

**ANSWER
HER !**

NO MISTRESS!

Now LOOK
at her
and tell
her what
it IS!

YES MISTRESS!

Oh yes DO
tell me
SLAVE,
like she
said that
you should,

explain to me
WHY it feels
so GOOD!
