

YES, this really DID happen

it did TRULY occur!

And we feel that the story

would be best told by her

He wanted to be  
my SLAVE and be  
mine TOTALLY

and be totally  
OBEDIENT like  
I WANT him to  
be,

so as I was  
relaxing like  
this, very  
comfortably,

my husband  
knelt RIGHT  
where you're  
standing

**"And Said THIS To Me!"**

Mistress Theresa?

Please accept my balls  
as a gift to do with  
as you please?

PLEASE Mistress  
Theresa?

PLEASE?

And as I  
glanced down  
at MY balls,  
tied in that  
pretty ribbon  
so TIGHT,

I said,  
"Go clean the  
bathroom and  
make sure it's  
cleaned RIGHT!"

And he said  
his FIRST

**YES MISTRESS  
THERESA!**

and it felt  
SO fucking  
RIGHT,

that NOW I make  
him give my  
gift EVERY  
night!

And he dusts and  
cleans my WHOLE  
house, does my  
nails, and even  
brushes my hair

hand washes my  
bra and all my  
underwear

and is learning  
how to PROPERLY  
please me  
down THERE!

And about the  
sexual  
satisfaction  
my slave  
HUSBAND may  
seek?

If he's been  
GOOD I allow  
him ONE  
orgasm each  
week!

And I make him  
do it HIMSELF  
on his KNEES  
on that SO  
longed for  
day

and he doesn't  
cum ONE fucking  
DROP until I  
SAY that he  
may!

**The End**

And so that's our  
story, a story that's  
TRUE,  
and we hope OTHER  
couples can LIVE it  
and LOVE it

like WE used  
to do!

Right,  
SLAVE?

**YES MISTRESS  
THERESA!**
