

There wasn't that big of a mob
of applicants for THIS here job
Most male job seekers weren't thrilled
with the position she wanted filled
But she tryed hard as women can
and finally got HER kind of man.
A man who'll go the extra mile
who's used to living HER lifestyle!

I told my
slave that I
was tired of
working and
that I want
HIM to
support
ME!

And do you
know what he
TOLD me?

He TOLD me that
because he'd
stayed home and
been my slave
all these years,
that he had
no job skills!

Can you
fucking
BELIEVE
that?

He's been
my slave
for TEN
years,

"no job
skills"
my ASS!

He can
reply to
THIS job

"Applicant Needed"

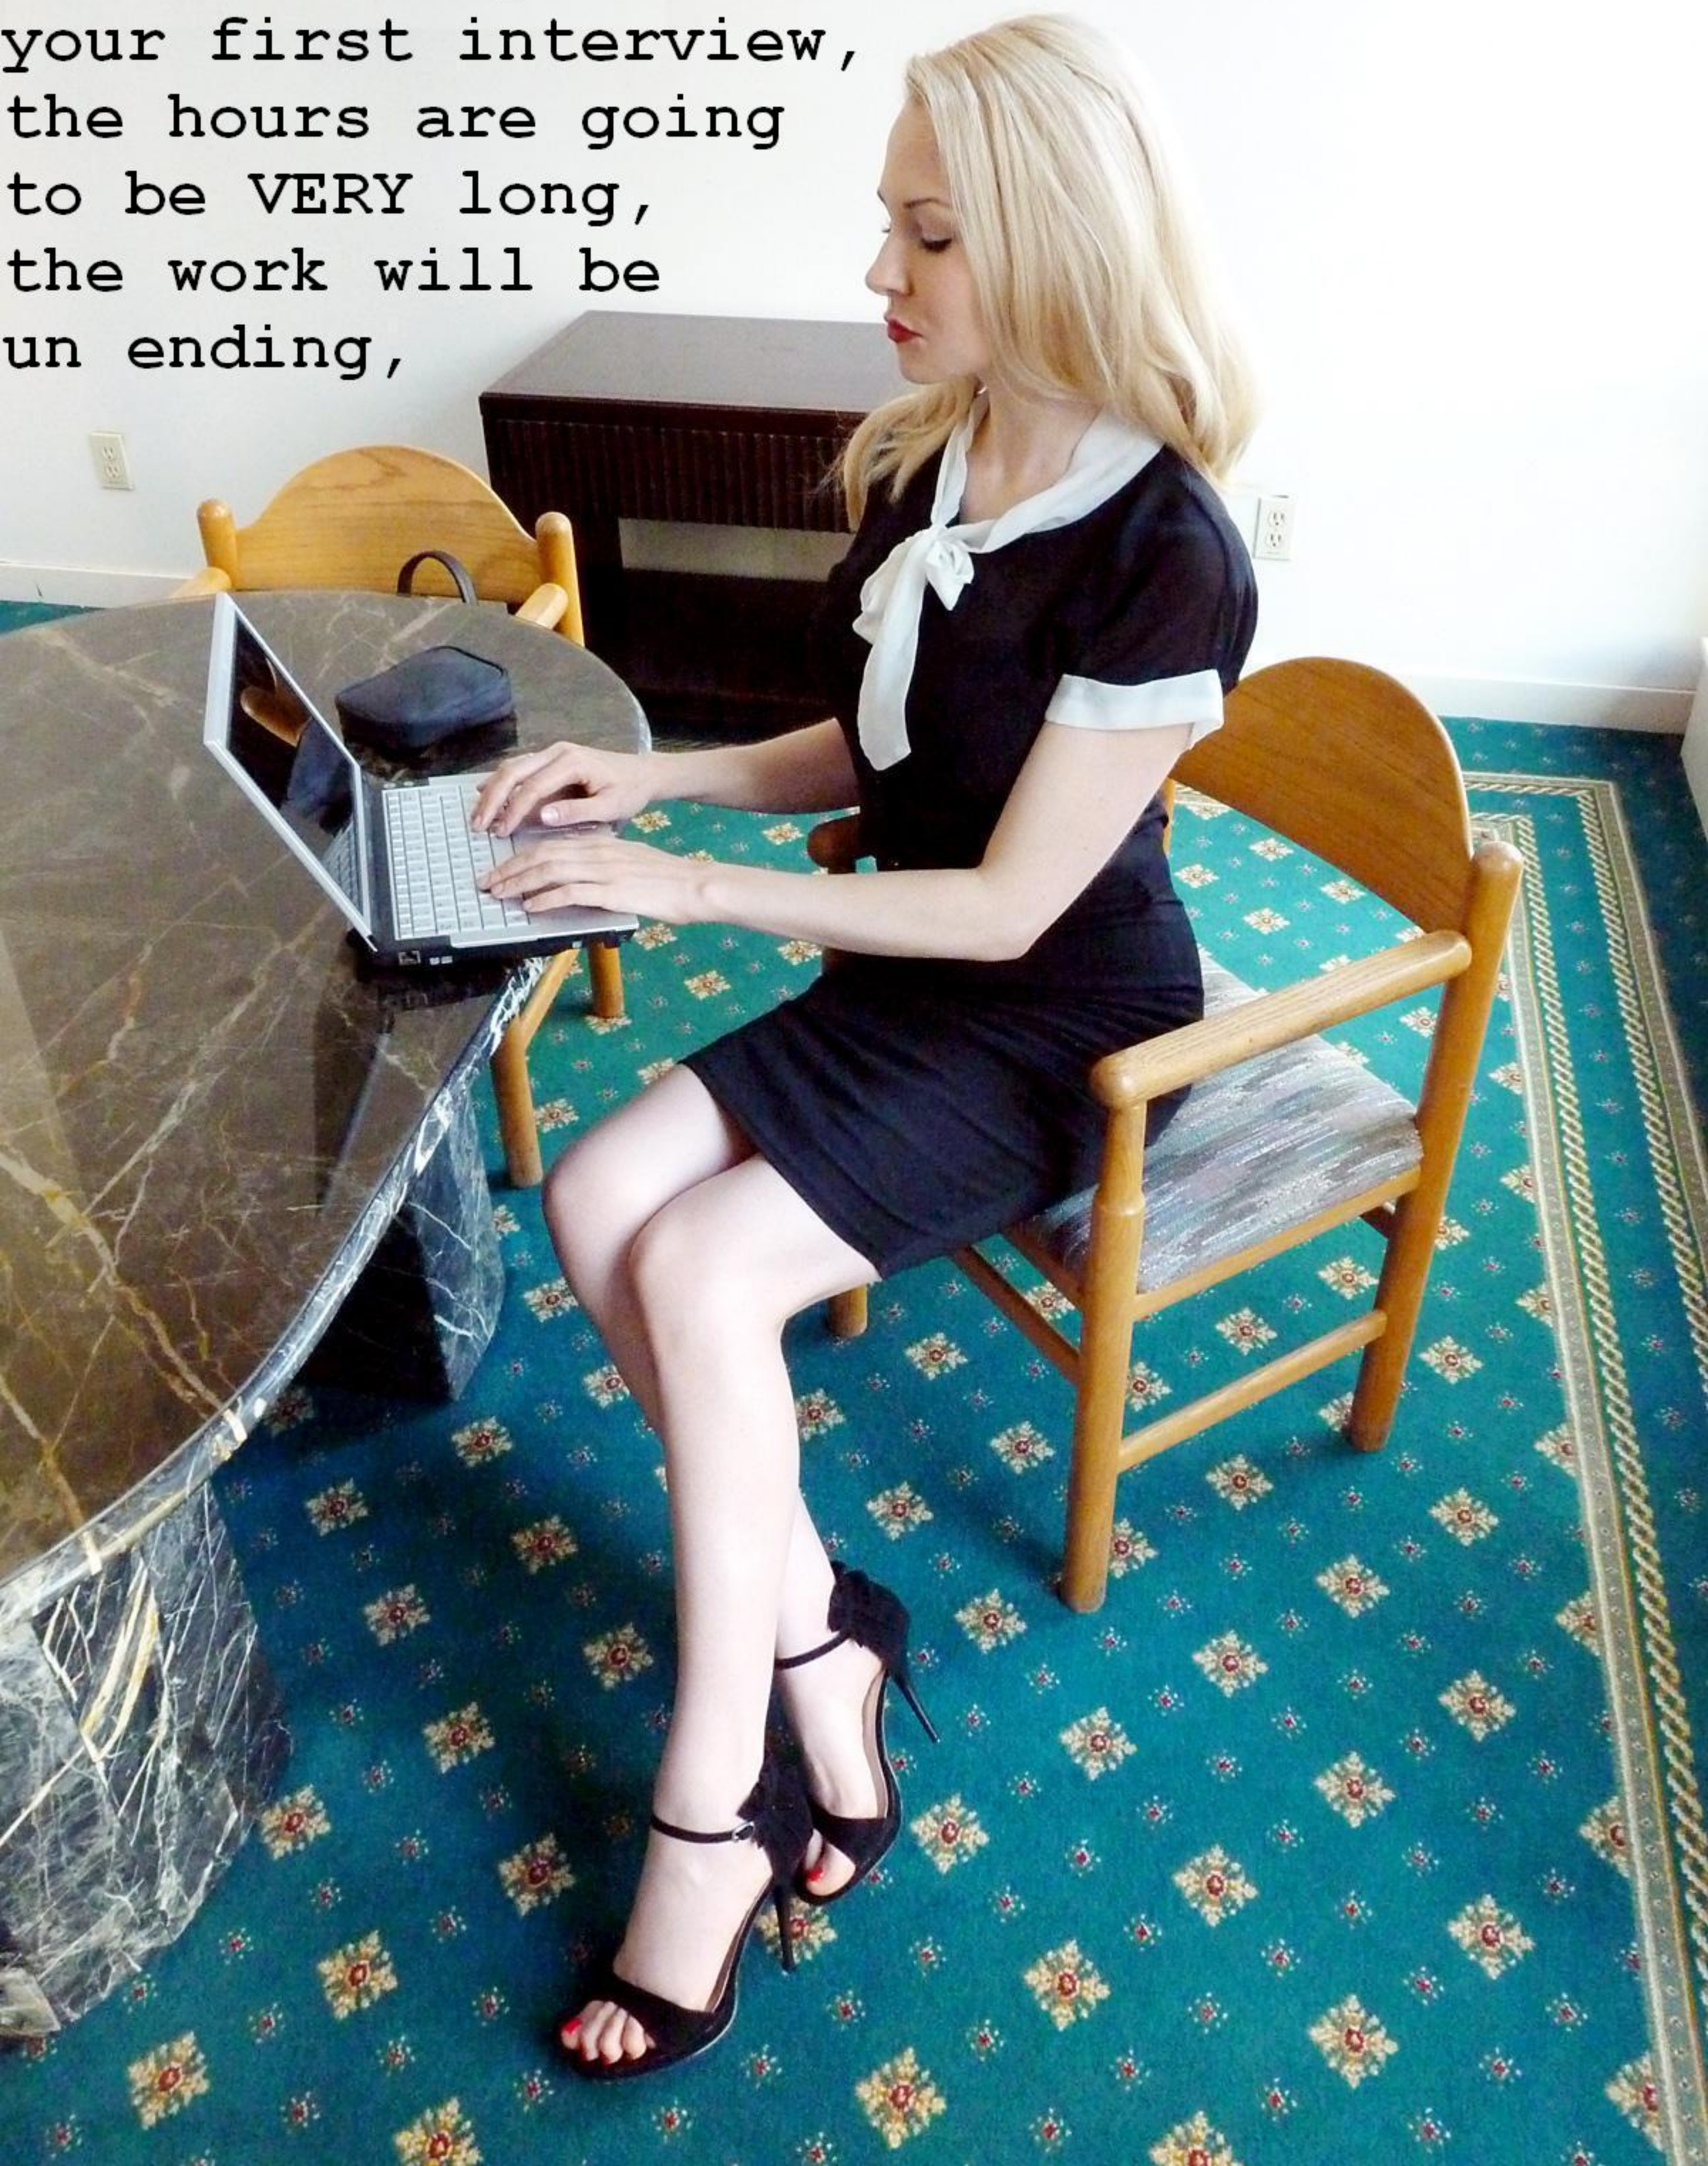

Thank you for
returning my calls
and being on time
for this
appointment.

I'm happy to see that
you decided to come
back and accept the
position that I
have open!

Like I told you on
your first interview,
the hours are going
to be VERY long,
the work will be
un ending,

and for the first six
months you will only
be compensated once
a month for your
services,

but we both know
that there's alot
MORE to a position
like this than
issues of workloads
and compensation.

I have services that
I need to have
performed for me
both immediately
and on an
ongoing
basis,

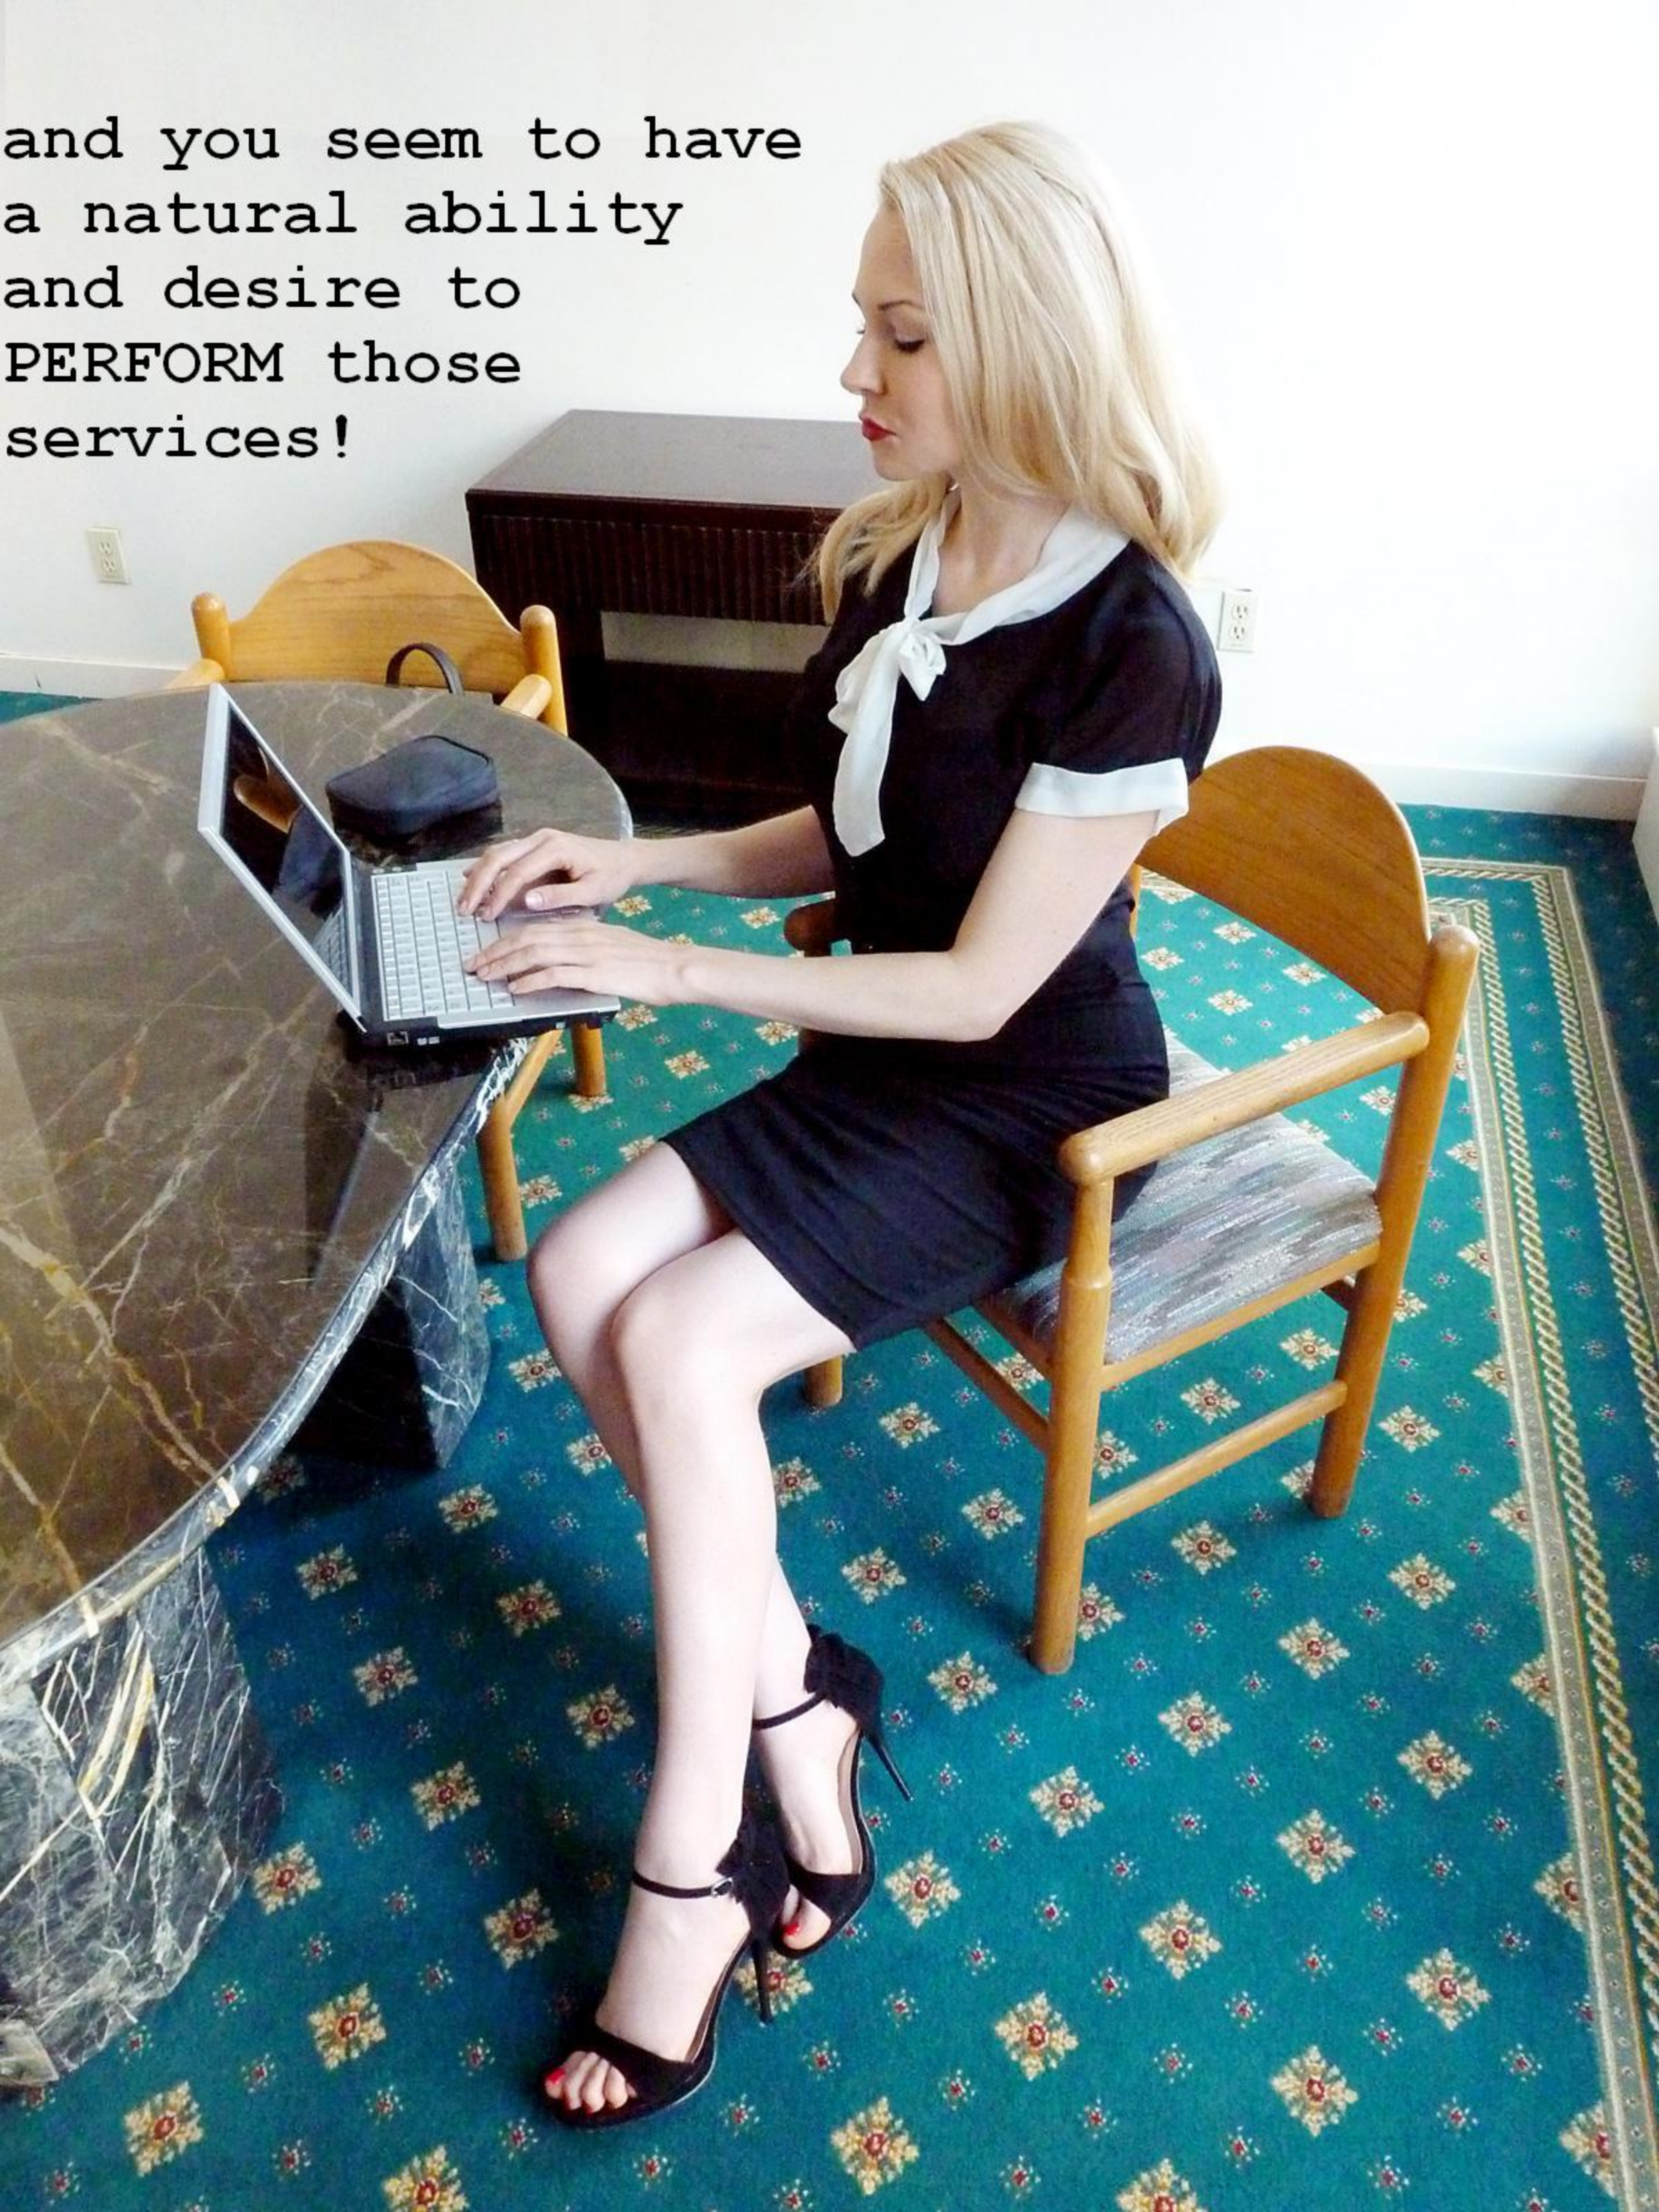

and I need someone
who WANT'S to do
that job!

I really want YOU to
accept this position
because I need some
one who can perform
the services that I
need without
me having
to train
him,

and you seem to have
a natural ability
and desire to
PERFORM those
services!

So, the position
is YOUR'S!

You told me on the
phone that you
wanted to start your
new position
immediately so,

let's get you
INTO your new
position.

**Get on your
knees for me!**

NOW!

"Yes Mistress!"

And you will
BE in this
position when
ever you are
in my presence!

"Yes Mistress!"

**And NOW we will
discuss your
DRESS code!**

Proper attire
for your new
position will
consist ONLY
of a ribbon
tied in a loose
bow around your
balls so that
you KNOW that
they belong
to ME,

and this
chastity
device, which
you will put
your limp cock
into right NOW,

so you can't do
anything stupid
like make yourself
COME without MY
permission!

Now get this on
your cock for me,
IMMEDIATELY!

"Yes
Mistress!"

Very Good,
Now lock it
in place!

And don't worry,
I'll put this
key in a nice
SAFE place!

A blonde woman with long hair is sitting on a wooden chair. She is wearing a black dress with white bows at the neck and cuffs, and black high-heeled sandals. She is holding a key in her right hand. The background shows a window and a green patterned carpet.

Now get that
ribbon tied
around your
balls!

"Yes
Mistress!"

You don't have
to tie them
tight, I don't
want them to
hurt.

YET!

**"Yes Mistress!
Thank You Mistress!"**

You're
welcome.

OK!
NOW we can
discuss your
pay!

IF you perform your
services well during
your six month
probation period,

I will unlock your device and allow you to kneel in front of me and ejaculate by jerking yourself off ONCE a month!

Of course if you
HAVEN'T performed
your services
satisfactorily
that month, you
will receive NO
compensation at
ALL that month!

Have I made my
self CLEAR on
that point?

A woman with long blonde hair is sitting on a wooden chair at a desk. She is wearing a black dress with a white bow at the neck and black high-heeled sandals. A laptop is open on the desk in front of her. The desk has a dark, marbled top. The floor is covered with a green patterned carpet. The background is a plain white wall with a light switch.

"Yes
Mistress!"

GOOD!

I'll raise you to
WEEKLY compensation
once you've
successfully
completed your
six month
probationary
period.

That SHOULD provide
an incentive for
you to work hard
and PROVE your
self to me!

Do you have
ANY questions?

OK, then you may
crawl behind me
into my bed room!
You have filing
and painting
to do on my
nails,

brushing
to do on
my hair,

valuable
job skills

THANKS for
