

I'll tell you a story about a
secretly submissive man just like
you

who wanted so badly to be a
Womans slave too

and needed like you to obey
worship and serve

and what happened when he finally
got up the nerve

Once upon a time
a man got on his
knees,
and meekly told
his Wife
"I want to be
your slave,
please MAY I?
PLEASE?"

So she bought
him a collar
and she bought
him a leash
and she MADE
him her slave,
DIDN'T you?

I sure DID,
Denise!

And I see you
keep him naked
to reinforce
his submission,
and do you teach
him there's
something
besides your
feet that needs
kissing?

Ooooooh YES! And I do it
for hours EVERY day
of the month,
and I make it my
MISSION

to teach him how to
PROPERLY kiss,
what I really WANT

"My Slave Kissing!"

**KISS ME
SLAVE!**

**YES
MISTRESS!**

And so she taught
him to be her
very OWN slave,
who did ALL the
housework and knew
HOW to ALWAYS
obey and behave!

And he made
sure SHE lived
VERY happily
ever after
forever in
BLISS!

DIDN'T you,
SLAVE?

OH YES I DID!
I WAS TAUGHT WELL<
MISTRESS!
