

At the end of this story I would
like to ask you

would your ankles end up tied to
that ceiling hook too?

Once
upon
a time
on their VERY
first day

she
began to
train her
two new slaves
to OBEY her

"In That Most SPECIAL Way!"

REMEMBER!

If either one of you
cums even ONE drop,
I will hang you by your
ankles to the hook in
the ceiling above the
bed and I will whip
your balls as HARD
as I can without
ANY mercy!

MAST
URBA
GOES

YES MISTRESS!

YES
MISTRESS!

MAS
URBA
COES

MAST
URBA
COES

MAST
URBA
COES

MAST
URBA
COES

MAST
URBA
COES

MAST
URBA
COES

So
did
they
ACTUALLY
obey her after
they'd said
"YES
MISTRESS!"

or
did
they
have to spend
the next few
hours like
THIS?

Would YOU
have to?
