

If your Wife or your Girlfriend tells
you 'I want to try something NEW!"

be aware that she just MAY want to
TRY what her Girlfriend Sue did
on YOU!

I wasn't SURE
how to DO it,
I hope that I
did it RIGHT!
Tell me the
TRUTH, do
they HURT?

"Did I Tie Them TOO Tight?"

Yes Mistress!
They HURT and
they ARE tied
TOO tught!

GOOD!
Then you're
ready to
pleasure me
ALL fucking
NIGHT!

You'll start
by cleaning
my apartment
TOTALLY while
I watch TV,
And that
includes
doing ALL my
laundry!

And THEN
you'll do ALL
the ironing,
polish my
nails and
brush my hair

and WHENEVER I
WANT you to
you'll please
me by licking
and kissing
down THERE!

Now get your
ass BUSY and
make SURE you
do EVERYTHING
right. if you
want me to
UNTIE them
before your
bedtime
tonight!

Yes Mistress!

And so he'll
run off to
OBEY me cause
he sure DON'T
want the PAIN
and SUFFERING
and SORROW

of me LEAVING
his balls
tied TOO
tight until
THIS time
TOMORROW!

And when he's
all finished
doing THAT,
I'll order him
to perform his
EVERY night
chore,

and he'll
lick me to
ORGASM after
ORGASM until
I can't cum
ANY more!

And I'll lay
there and
languish in
a BLISS
thats so
DEEP,

while HE'S
crying like
a baby as I
drift off to
sleep!
