

Once upon a night so dreary  
as I sat there bored quite clearly  
suddenly they came a knocking  
loud on my apartments door  
so I got up and opened it and  
quite SURPRISED I saw

My Girl  
friend  
Margaret  
and her  
slave  
husband  
in the  
hallway,  
right  
outside  
of my  
door!

Wow,  
YOU'RE  
wearing a  
 strapon,

and HE'S  
wearing a  
locked up  
chastity  
cage,

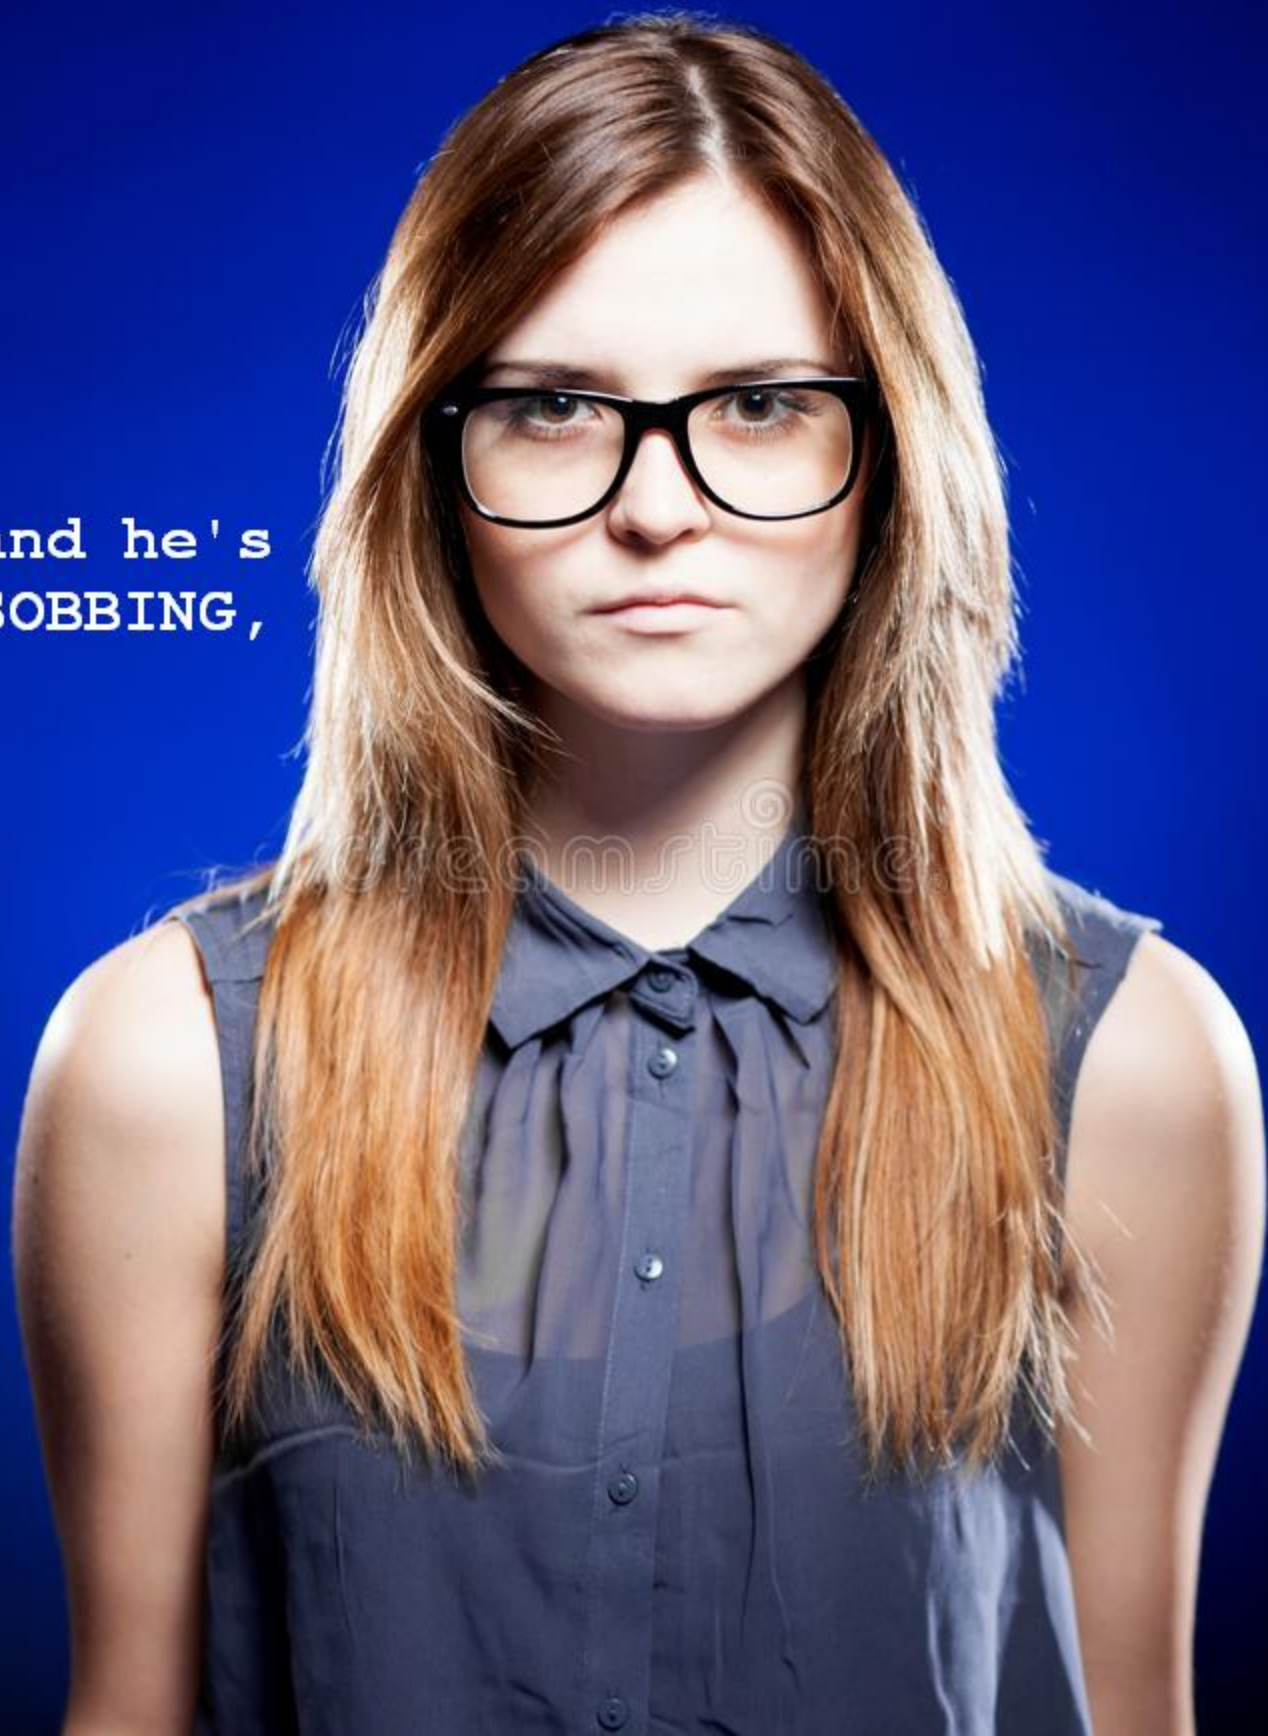

dreamstime

and he's  
SOBBING,

dreamstime

**I'M SORRY  
MISTRESS!**

and now  
he's  
BEGGING  
you NOT  
to!

dreamstime

**"What's The Story Here Paige?"**

Well, he  
disobeyed  
me AGAIN  
like I told  
you he's BEEN  
disobeying me  
for several  
weeks,

so until I'm  
SURE that  
he's LEARNED  
I'm denying  
the sexual  
release he so  
DESPERATELY  
seeks,

and ALSO for  
him to make  
FURTHER  
amends,  
I'm going to  
fuck his ass,  
without ANY  
lube or  
mercy,  
for one hour  
EVERY night,  
in front of  
one of my  
friends,

while he  
sobs out in  
pain and  
humiliation,  
"Please  
Mistress! I  
can't take  
any more!"

and that's  
why TONIGHT  
Carol, we're  
here at YOUR  
door!

**The End**

And as  
I stood  
in my  
doorway  
looking  
at each  
ones  
special  
raiment,

I gleefully  
said  
"Well,  
get in  
here and  
DO it,  
I'm BORED  
it will  
be GREAT  
entertainment!"

And for  
the next  
hour,  
after  
which I  
BEGGED  
her for  
more,

dreamstime

I sat  
hornier  
than Hell  
watching  
her punish  
and  
humiliate  
him on  
my living  
room  
floor!

And as  
soon as  
they left  
I made  
MY slave  
husband  
do THIS

dreamstime

until I  
was most  
certainly  
horny NO  
more!
