

I sincerely believe every submissive
male

who's ever BEEN a Womans slave

could most DEFINITELY

relate to this tale

Once upon a time
his Mistress
Lenore did not
let him cum for
what's now WAY
past week
number FOUR!

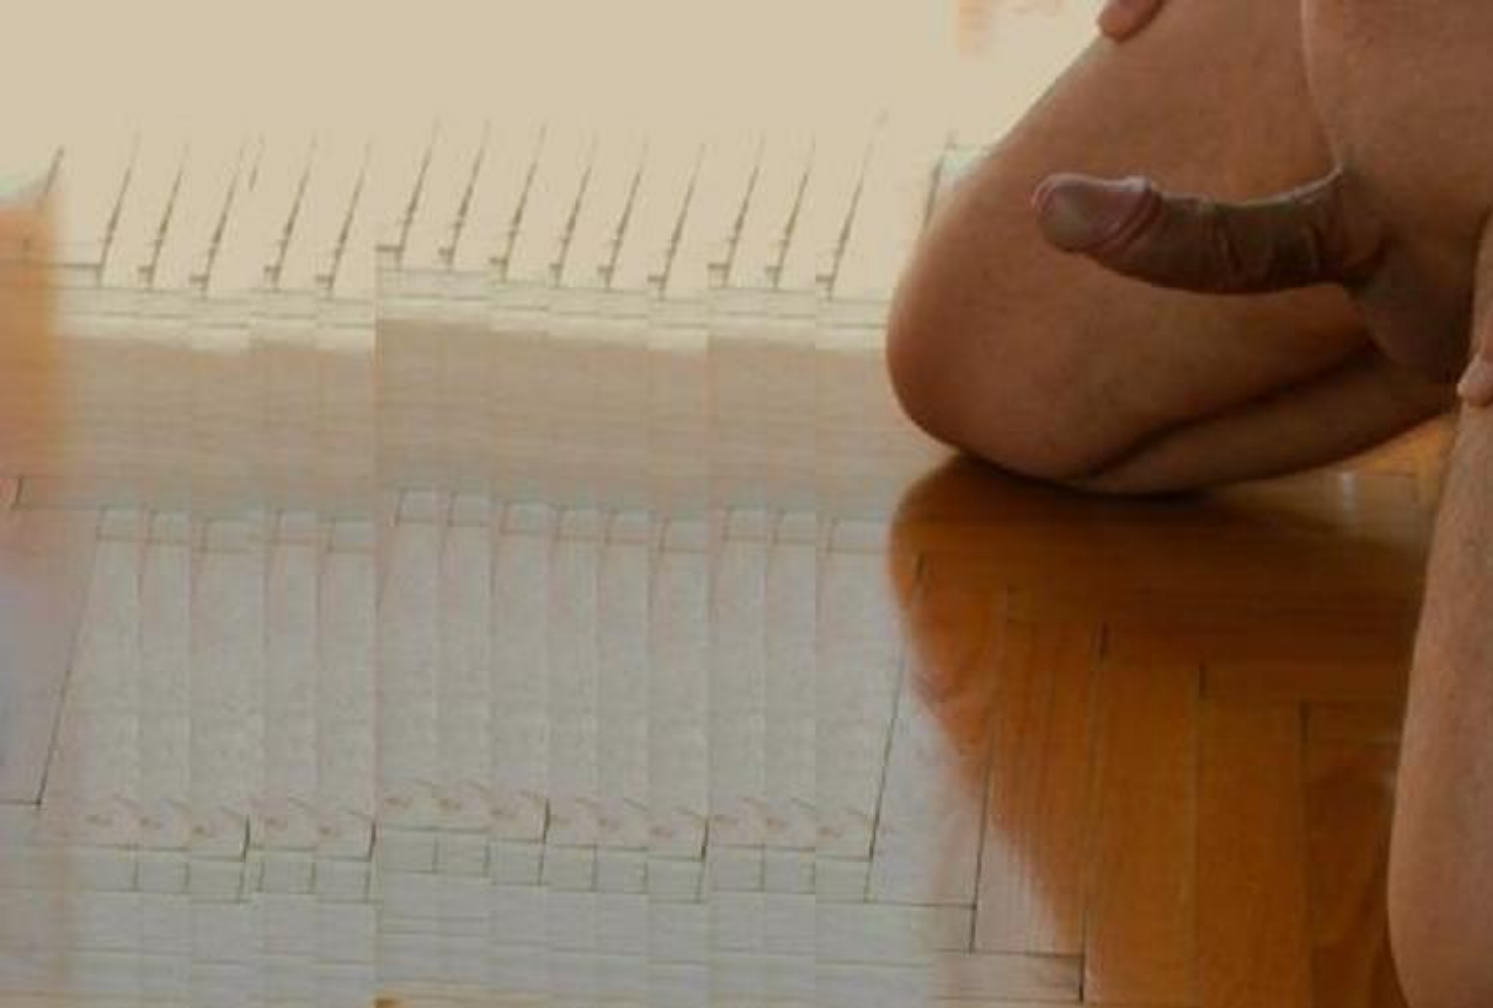

And though I do
it to my OWN
slave, I still
think it's SAD,
what a denied
slave will
AGREE to when
he wants to cum

"SO Fucking BAD!"

As he knelt
before me with
a raging
hard on
on my
living room
floor

I said "You may
cum IF when
you're all
FINISHED
cumming
you put THIS
thing ON

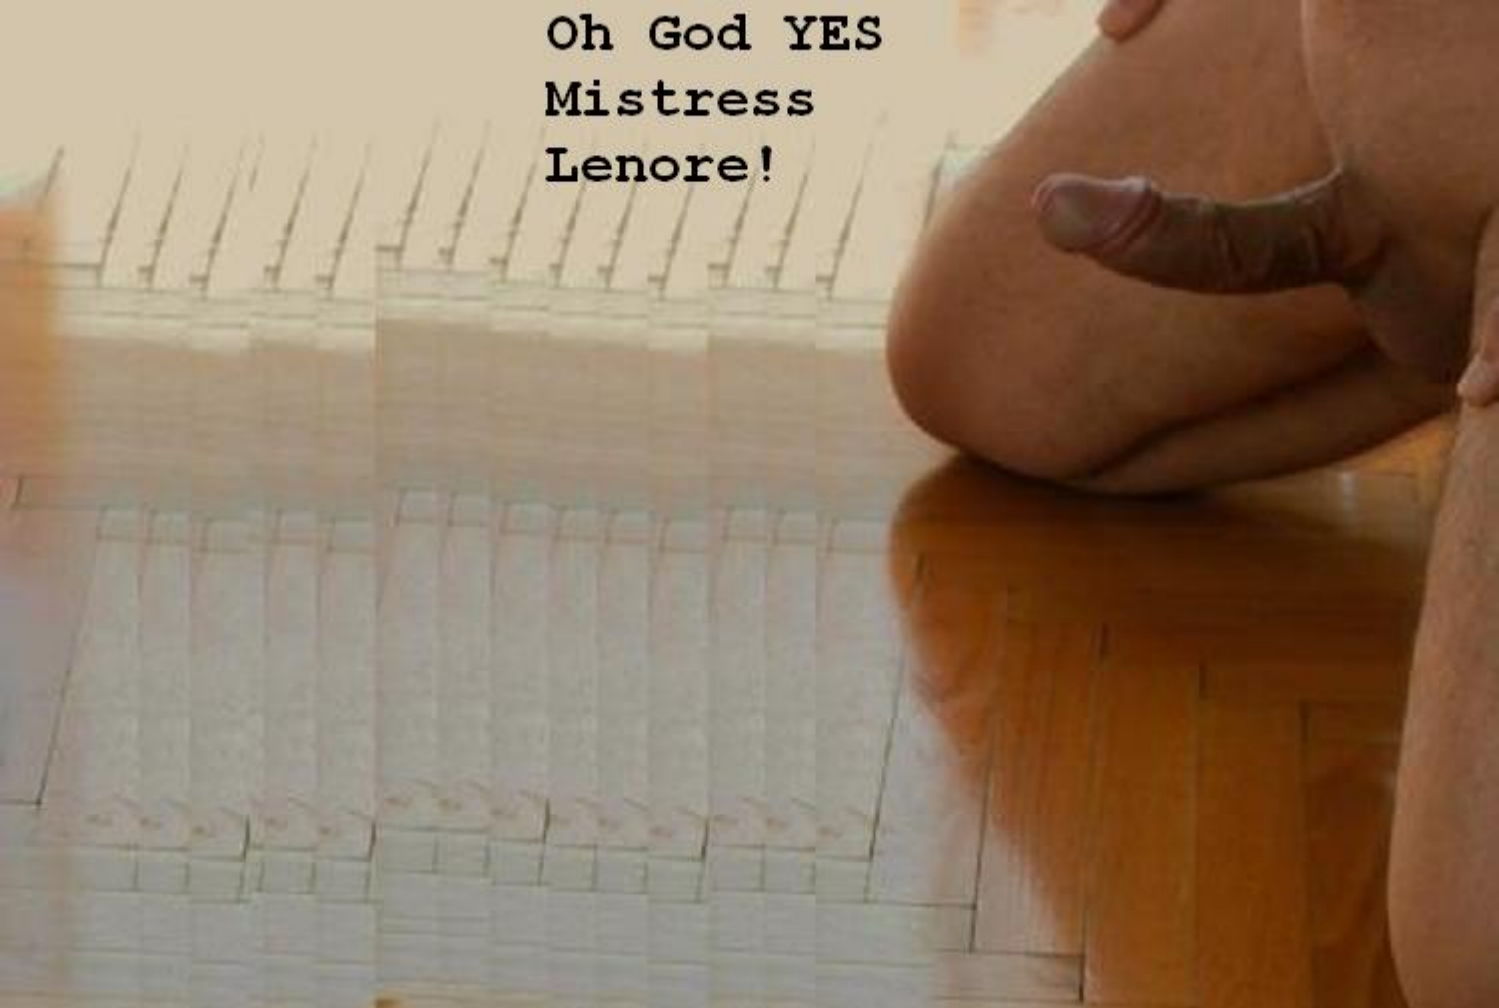

and stay locked
UP without
CUMMING
for not
ONE month
but FOUR!

Do you **STILL**
want to **CUM**
for me?

Oh God YES
Mistress
Lenore!

So I told him
"Then DO it!
And he did
THIS

for two minutes
no MORE,
before I said,
"Squirt your
cum NOW
slave all OVER
my floor!"

**YES MISTRESS!
THANK YOU! THANK YOU
MISTRESS LENORE!**

GOD,
if he had THAT
much cum after
ONE month,
imagine what
he'll have
after FOUR?

Ooooooh YES
he'll have
alot MORE to
lick up from
his Mistresses
floor

like he's
doing right
NOW as he's
saying
"THANK YOU
MISTRESS
LENORE!"

WON'T he?
