

After hearing what Irene did
to Sharons OLD slave that day
Sharons NEW slave is DEFINITELY
going to WANT to obey

I had a chat
with my
Girlfriend
Irene one day

and I told her
I had a male
who simply
REFUSED to
obey!

And she said SHE
could do some
thing to make
him obey AND
be docile,

and that if I
WANTED her to
DO it, it would
only take a
short while!

So I said
"What the Hell!"
and I

"LET Irene DO It!"

And so
she did
THIS and
VERY sternly
warned him,

pink for guys
**YOU BETTER NOT COME
WITHOUT PERMISSION
THIS TIME!**

until he
CAME,
for the VERY
last time,

before snipping
his BALLS off,

and **TRULY**
making them
MINE!

That's the end
of the story
about my OLD
slave and
Irene,

now get
your ass
BUSY slave,
I want my
house CLEAN!

"YES
MISTRESS!"
