

I'll tell you a story about a Woman  
who wants her slave knowing he's  
worthless insignificant and small

and doesn't pay him ANY attention  
at ALL

and her slave who LOVES being one  
to a cold and strict Woman like her

and is grateful for ANY release of  
his cum she may allow to occur

To make me feel  
as worthless and  
insignificant to  
her as her slave  
the way she  
wants me  
to be

when she DOES let  
me cum she doesn't  
pay ANY attention  
to me,  
so she talks on  
the phone and  
she DOES it

**"Hands Free!"**

And after  
she's said

slave, you have  
my permission  
to CUM now!

And I've licked  
up and swallowed  
my MESS,

A close-up, intimate photograph of a man with a short, dark beard and mustache. He is shown in profile, facing right, with his eyes closed and a gentle expression. He is kissing a woman's neck and shoulder area. The woman's skin is fair and has some light freckles. Her dark, wavy hair is visible on the right side of the frame. The background is softly blurred, suggesting an indoor setting with natural light. The overall mood is romantic and tender.

I THANK her and  
I THANK her  
while she keeps  
talking to her  
Girlfriend  
Tess!
