

I don't whip his ass to teach  
him to obey

I simply lay his ass down and  
quite sternly say

Since you disobeyed  
instead of being  
obedient and meek,

this is ALL of  
the coming you'll  
be doing

**"THIS Week!"**

Now maybe you'll  
be a bit more  
obedient,  
NEXT week!

Huh?
