

As I sit sipping my wine enjoying
the sight

of my slave kneeling ready to serve
and obey me tonite

I think how I LOVE his obedience and
servitiude that just doen't cease

and how I wish I had a way to
finally GIVE him release

Thank you for
serving me my
wine slave!

You're
welcome
Mistress!

And thank you for
always obeying me
immediately!

You're
welcome
Mistress!

Ooooooh YEAH
Ladies, HE is a
GREAT slave!

The best slave
I've EVER had!

God, I had to
punish all my
OTHER slaves to
get THEM to obey!

But NOT him!

Not even ONCE!

slave, if there
was SOME way that
I could HELP you,
I WOULD!

I mean that
HONESTLY slave!

Thank you
Mistress!

But unfortunately
your OLD owner

REALLY wanted
you to suffer!

"And SO,"

Do they
HURT
slave?

A woman with blonde hair, wearing a red strapless corset and long black gloves, is smiling and touching the arm of a man whose arm is extended from the right side of the frame. The man's arm is wearing a pink sleeve and a red wristband. In the background, there are some hanging objects, possibly part of a BDSM-themed set. The scene is dimly lit with a warm, intimate atmosphere.

**YES
MISTRESS!**

Yeah, I kinda
thought they
would!

ESPECIALLY
cause they've
been locked
up without
cumming
ONE drop
for **TWO**
years!

But you don't
CARE if they
hurt as long
as I take
that
throbbing
erection
in my
HAND

and stroke it
until I FINALLY
give you
permission to
CUM!

And you want
to cum more
than you've
ever wanted
ANYTHING
else in
your
ENTIRE
life,
DON'T you
slave?

A woman with long blonde hair, wearing a red strapless corset and black gloves, is smiling and holding a large, pink, phallic object. The object is attached to a string of beads hanging from above. The background is dark and textured, possibly a stone wall.

**YES
MISTRESS!**

Ooooooh YES
slave!
I KNOW!

With
PLEASURE
Beth!

Say
Bye Bye to
them slave!

OH GOD
NOOOOOOOOOOOOO
OOOOOOOOOOOOO!

And that's
the end
Of a VERY
sad story!

Huh,
slave?

Yes
Mistress!

You may go and
finish ironing my
clothes now,

I'll call
for you if
I need you!

Yes
Mistress!

THANK you,
slave!
