

Some of your friends won't  
understand

why you dominate your man

And they don't grasp just why  
it's true

he WANTS to be a slave to you.

When you're  
doing something  
**DIFFERENT** that  
other people  
think is  
**CRAZY,**

they don't come  
right out and  
CALL you CRAZY,

because THAT  
would be  
politically  
incorrect!

So they simply  
tell you that  
you need

**"Professional Help"**

Don't  
be SHY  
Honey,

TELL them  
why you're  
naked on  
your  
knees  
for me!

"Because I'm your  
slave and I belong  
to YOU, Mistress!

That's  
RIGHT!

And who  
do your  
BALLS  
belong to  
slave?

"YOU  
Mistress!"

"My cock,  
my BALLS, and  
every drop of  
my come belong  
to NO one else  
but YOU,  
Mistress!"

Oh my God,  
this is  
perverted .  
and UNNATURAL!

ISN'T  
it,  
Girls?

Hmmm,

Welllll,

YOU,

WILLINGLY kneel  
there naked in  
front of a woman  
AND her friends

because you  
WANT to be  
her slave  
and give her  
your BALLS?

"Yes  
Mistress!"

and  
YOU,

actually  
WANT a man  
to be your  
submissive  
SLAVE?

I most  
certainly  
DO!

Well, that's  
fucking SICK!

You BOTH need  
what can be nicely  
referred to as  
"Professional help"!

**REALLY!**

Oh, we  
did THAT  
a long  
time  
ago!

We HIRED a  
professional  
named  
Mistress  
Karen

and SHE came  
over EVERY  
day to teach  
ME how to be  
a strict  
MISTRESS,

so I could  
teach HIM  
to be an  
obedient  
SLAVE!

and as  
you Girls  
can SEE,

it worked  
for US!

Kathy?  
Does YOUR  
boyfriend  
worship  
YOU like a  
Goddess,

HAPPILY  
cater to  
your EVERY  
whim and  
desire,

and obey  
your every  
command  
without  
ANY  
hesitation  
or back  
talk?

**Hell  
NO!**

What  
about YOU  
Sharon,  
does  
YOURS?

THAT  
Mother fucker  
won't even  
take out the  
GARBAGE!

And what  
does YOURS  
do for  
YOU,  
Margaret?

Welllllll,

WOW! It  
looks to ME  
like YOU'RE  
the ones  
who need  
PROFESSIONAL  
help,  
DOESN'T  
it  
Girls!

Hmmm,

Welllll,

So Girls,  
do YOU need  
"Professional"  
help?

WE don't  
need any  
"Professional"  
help,  
DO we Martha?

Hell  
NO!

But if  
YOU  
need some,

we'll be  
MORE than  
happy

to  
PROVIDE  
it

The woman on the left has blonde hair and a surprised expression, while the woman on the right has red hair and a neutral expression. A wooden frame with a metal hook is visible in the background.
