

Listen to the words  
that come out of my mouth  
and you'll get an idea  
what Fem Dom's REALLY about

"She told me

**"Stop Staring"**

your dick's  
getting stiff,

and the  
answer  
is NO

if you're  
wondering if

I'll be kind  
and I'll  
let you

make yourself  
COME for me,

and end this  
VERY long week

of YOUR  
chastity!

Now be a  
good boy

and go  
make me  
my supper,

and I suggest  
you STOP  
staring,

cause it'll  
just make  
you SUFFER!

OK?

And the end  
of that  
FIRST week

took  
FOREVER  
to appear,

while my  
submissive  
dick ROSE

every time  
SHE was near,

but it NEVER  
in my life

felt so  
DAMNED  
good  
to do

what my  
Mistress  
finally  
gave me

her  
PERMISSION  
to do!

And as  
I knelt  
and said  
"THANK YOU!",

so humbled  
and meek,

I couldn't  
wait to  
OBEY her

for ANOTHER  
long week!"
