

"Margaret, since YOU'VE had a male as
your SLAVE for a VERY long time

please answer a question I have
about the training of MINE?"

I found myself a male,
submissive and meek,
who has been my SLAVE
now for over a week.
and he's doing well
with my training him
to properly serve and
obey and pleasure me
orally like I WANT him
to EVERY day!

He's being a GOOD male
slave SO far with all
he's BEEN doing,
but how can he be a
GOOD male slave when my
rules are that with ME,
he'll NEVER be getting
any blowjobs or hand
jobs or doing any
fucking or screwing?

A GOOD male
slave will
NEVER bother
his Mistress
by asking
for sex,
he will
suffer in
silence each
day and the
next,

And should
she decide to
be kind and
say,
"You may cum!"
he must kneel
in front of
her

"And Do It THIS Way!"

And when he's
all finished
with the
licking up of
his MESS,
he'll follow
her to her
bedroom

and he'll
THANK her
with **PASSION!**

Ooooooh
YES!

and that is MY
feeling about
what a GOOD
male slave
should be
taught by his
OWNER to do!
I hope that
it answers
your question
Sue!

Ooooooh YES, it
DEFINITELY answers
it Margaret!
THANK YOU!
THANK YOU!

You're
WELCOME !
